Notes of Passing Events From the College Town

Mrs. L. E. Srack has been in Imperial for a few days.

3,000 Carolina and Lombardy poplars have been ordered for the townsite of Heber.

Ben Roberts, recently in the employ of Jacob Stoner, has gone to Riverside for a few days.

Earle Heber was in town one day this week looking after a new building which is soon to be erected near Heber.

Robert Watson, who has taken Mr. Austin's place in the yard during his absence, will return to Imperial.

On December 9th the Heber postoffice was adopted by the town and its original name of Bradtmoore changed to Heber, and we all rejoice.

R. H. Austin, who is in charge of the lumber yard at Heber, has just returned from San Francisco, where he has been spending some time with his family.

Fred L. Emerson is at present making Heber his headquarters. He will be found at his office in the Heber bank building, where at your leisure he will explain to you the problem of how to make the desert blossom.

Heber is to have its first Christmas tree on Saturday evening, December 24, at 7:00 o'clock. Santa Claus expects to be present. Quite an elaborate program is being prepared for the Sunday school which together with the music will be quite enjoyable.

Coughing Spell Caused Death

"Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive another coughing spell came on and Duckwell died from suffocation."—St. Louis Globe Democrat, December 1, 1901. Ballard's Horehound Syrup would have saved him. 25 cents, 50 cents and \$1.00.
