

## Two Routes East

The Rock Island offers two interesting routes to the East—Southern: by way of El Paso and New Mexico; Scenic: by way of Salt Lake and Colorado. Topeka and Kansas City are on the Southern route; Omaha and Des Moines on the Northern.

### Through Service via Both

Practically a double route all the way to Chicago—through line to St. Louis, too, as well as to St. Paul and Minneapolis. Rock Island Tourist Sleeping Car service is superior in point of time, equipment, meals and routes.

Full particulars, rates and tourist folder promptly upon request.

The Rock Island management believes a passenger should be treated as a guest—the effort is to leave such a pleasant impression that the guest will “come again.”
