What's Doing Over at the Pleasure Resort on the Shore of Blue Lake

Mrs. Browning visited Mrs. Parsons this week.

News is scarce. Everybody is well, and most of them have gone out on their vacations.

The past week has been very warm. "The Good Old Summer Time" being played with all the variations.

Mrs. Joseph Treshel and children left last Sunday for a month or so stay at their old home in the mountains near Julian.

Mr. W. R. Vanderpool expects to leave in a few days to take his vacation, and intends to visit Riverside, San Diego and the beach towns.

A social gathering in honor of the birthday of Lynden Reynolds was given Saturday evening at the home of Mr. Clyde Reynolds. A very enjoyable evening was spent in games and harmless frolic, after which the birthday cake was cut and served to the delight of all.

It is reported that the overflow in the flat lands west of Blue lake has cut channels and changed the course of New river for several miles, the main channel now being discharged through Bullhead slough. If this is true it will necessitate more bridges on the San Diego road.

The rapid fall in the volume of water now flowing in New river seems to be very slow in making itself felt in the Blue Lake neighborhood. The overflow still covers all the land south of Elder No. 13 and for a considerable distance south of New river, no doubt being more than a mile wide yet.

Mr. and Mrs. Orrick, who were driven out from their home last February by the overflow, and whose land has been under water ever since, made a trip to their place last Sunday to see how matters were progressing. They had hoped to find their land uncovered and be able to move back home. In this they were disappointed as their land is still covered with water, so their visit was a boat ride and nothing more.

One of the best enjoyed social gatherings that the Silsbee neighborhood has yet been treated to was the party at

Mr. Virgil Rice's place last Thursday. Young and old were invited, and none slighted the invitation, for the word had gotten out that the best time of all was to be had. So a very large crowd partook of the bountiful hospitality so generously offered. The most interesting games tended to while away the time. Ice cream and cake in abundance was served to all and the merry party lingered to enjoy the feast of fun and good things long after the "rooster crowed." The game of Quaker meeting was the surprise of it all and caused shouts of laughter. At a late hour the merry party broke up and all voted Mr. Virgil Rice a capital entertainer.

## BRAWLEY

Happenings of the Week From the North End.

Rev. G. T. Wellcome filled the Methodist Pulpit at Calexico last Sunday night.

Ray Griswold has returned from San Diego. He thinks Brawley good enough for him.

Judge Holloway has a black eye as a result of the bellicose tendency of a stick of wood.

Amos Miller is in from Number Eight being treated by Dr. Miller, for an abscess on his right hand.

Harry Steuart returned Saturday night from Los Angeles where he has been in the interests of the L. O. Keener estate.

Frank H. Stanley was a passenger from Los Angeles on Friday last. He reports the family is enjoying the cool weather there.

Bert and Louis Varney and Arthur Garbur left Sunday morning for a trip to the Mountains east of Santa Barbara. They will be away several weeks.

Epes Randolph, R. H. Ingram and R. E. D'Heur went through Brawley on a tour of inspection last Monday. They are planning great things for the Imperial Valley.

About two acres of land from the northwest end of Mr. Applegate's farm have been moved to Salton, owing to the ravages of New River. Reclaiming it may prove a difficult task.

Announcements are out for the wedding of Miss Norma Ernst, one of Brawley's sweetest and most accomplished daughters, to Mr. Leroy Stanley of Los Angeles. The ceremony is to be performed September 6, at 2 p. m.

C. T. Howard, the father of Harry Howard, who lost his life on the desert last week is here from Lodge Pole, Neb. Mr. Howard could not understand, prior to his arrival, how so few hours on the desert without water would produce death. He is thoroughly satisfied now.

# There is Money in Kaffir Corn

If the harvesting is economically done. With a McCormick Header you can harvest your corn as easily and inexpensively as your wheat or barley. The knife can be raised six feet from the ground and it does not strain the machine as much to cut corn as it does to cut small grain.

## WE HAVE THEM FOR SALE

We have also the Eagle Hart Kaffir Corn Header. Just the thing for a man who desires to do his own work in place of hiring help where labor is high. This machine cuts only one row at a time, but it will save more corn per acre than any other. They are so cheap that no corn grower can afford to do without one.
