The El Centro band will give an open concert in Sunset Pavilion on Thanksgiving day. Everybody invited.

List your lands with the Ira Aten and Co. They can give you best results.

See or write Jauman about those ten acre tracts just put on the market. The very choicest tract thus far offered for sale.

Rev. Butterfield, Sunday School missionary of the United Presbyterian church, occupied the Methodist pulpit last Sunday evening.

The circulation of the Los Angeles Times has increased six fold since Durham's Public Utilities took hold of the first of the month. 33

The Methodists have installed electrical apparatus for lighting their church which is a vast improvement over the smoky lamps.

That was a good stroke by Durham's Public Utilities, getting a first class baker to locate here. Durham handles all his pastries, because they are first class. 33

Mrs. Judge Cole and Mrs. Gillispie gave a reception to the Ladies Aid of the Methodist church at the home of Mrs. Cole on Tuesday afternoon.

Why not have a Thanksgiving Flower show, like the eastern cities? Arthur Shepard started it this week with a contribution at Durham's Public Utilities. Space will be given freely for everybody is offering. Say, girls, you don't know how crazy some of the fellows were when they saw those flowers. Suppose you send in a little bouquet with your teeny weeny card hidden in it. May be some one would mind it. 33

At the recent organization of the Ladies Aid of the Methodist church, Mrs. Greer was elected president, Mrs. Gillispie vice president, Mrs. Cole secretary, and Mrs. Royce treasurer. The outlook for the Aid is encouraging, and a cordial invitation is extended to all who wish to help in that line of work.

Somebody charged that the Chairman of the County Board was trying to foist his definition of Supervisorial District on the public when he saw the pile of dictionaries at Durham's Public Utilities. Oh, no those were the other Webster's Dictionaries, with anti-belligerent definitions, that go as a premium with Los Angeles Times subscriptions. Subscribe at Durham's. 33

The Calexico boys warmed up to a splendid good nature when they gave Durham's hot soups an inning last Sunday evening. If you get in the soup, get the soup in you. 33

The Junior League of the Methodist church gave a birthday reception to one of its members at the home of Mrs. Moore, on Main St., last Saturday afternoon.

The new cabinet has been received at the postoffice and put in place. It is much larger and more attractive than the old one and will facilitate the handling of the increased mail business.

Mrs. J. G. Newton went to Imperial Junction Friday to meet her daughter, Mrs. Chas. Wolf and babe, who will make an extended visit in El Centro.

Diary: Thursday—BANK BUSTED—in on Durham's Public Utilities. Saturday—BANK BUSTED—out from same place. So Public Utilities continues at same old stand, No. 3, Esplanade of Hotel El Centro. Best place to leave your surplus coin in exchange for what's good to eat. 33

We are agents to sell lots for the El Centro Town company; also agents for acreage adjoining town. Now is the time to buy while cheap. Ira Aten Land Co., El Centro, Calif.

The El Centro Realty Co. has a growing list of properties. They are anxious to list all the property for sale; they will see to it that possible customers see these lands. See them at their office Hotel Franklin. 24tf

Notice is hereby given that there will be a meeting of the bee keepers in the valley at Ira Aten's office in El Centro December 7, 1907. T. Phillips, secretary. 32-33x
