fore the summer vacation time that all employees working by the month, who had been in our service continually for one year or more, be given two weeks' vacation on full pay, and no employee has received more than that time on pay. This action is justified by the fact that all of such employees are obliged to put in a large part of their Sundays in our service, and the time so given is in nearly every case less than the actual time put in by them on Sundays during the year. Beware of Frequent Colds

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention which it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Some one told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by El Centro Drug Store.
