**THE VERY BEST.**

Have any of our readers seen a recent copy of the Cincinnati Weekly Enquirer? If not, it will pay to send for a copy, if for no other purpose than to note its present great worth as an educator in all things that tend to make life prosperous, and home, the happiest place on earth.

The editor by asking its readers to criticize and suggest improvements; and following advice thus obtained is enabled to produce a paper that exactly fits needs of a family and a material aid to father, mother and children in reaching that higher level in social life, where content and comfort reigns supreme.

Father obtains ample information that guides in the where, when and how to regulate and increase the income from his efforts. The mother in management of household affairs, practical economy, government of children, and other duties that makes her toil a labor of love. Children's minds and hearts are freed from thoughts of questionable amusements and frivolities of life, and encouraged to emulate all that is helpful in planning for a useful future in life.

The Grand Idea being that: "As are our Homes, so will be the Community, State and Nation." A most desirable help, is a non-sectarian sermon each week, as preached by that Biblical Student Pastor Chas. T. Russell; a forcible reminder of the spiritual and temporal rewards gained by righteous living as preferable to a Godless life that brings nought but misery to the home.

Other departments and features are above the ordinary, the unanimous verdict of its readers being: "The cleanest and best family Weekly known to them." Sample copies may be had by writing to the ENQUIRER COMPANY, Cincinnati, O.
