### EPWORTH LEAGUE NOTES

(Contributed)  
In spite of the very warm evening there were over thirty out at the league service last evening, which was a great inspiration to the leader. The regular business meeting of the league held last week on the regular night, was a very enthusiastic one. Realizing the importance of having the meetings conducted according to parliamentary law, it was decided to have debates upon this subject to be given at the regular business meetings, which will not only be of great interest, but very helpful.  
The Queen Esthers will be entertained at the home of Miss Laura Hallock, 308 Grand avenue, Thursday evening. A short business session will be held, after which a social time will be enjoyed. All members and young people of the church are invited to be present.  
Next Sunday evening Rev. Van Valkenburgh will give his fourth stereopticon lecture. The subject will be "Japan and the Japanese." This is expected to be one of the most interesting yet given. All are cordially invited to attend this service.

### BROOKLYN EAGLE SPECIAL A HUMMER

The scream of the Daily Brooklyn Eagle—loud and clear—was heard in Las Vegas yesterday.  
And nearly 100 "Eaglets" took part in the demonstration.  
The Daily Brooklyn Eagle is one of the wide-awake, progressive newspapers of America, and when it starts in to do a thing it does it well.  
So that's the way the Brooklyn Eagle is handling its excursion to Seattle, under the personal direction of Benjamin T. Butterworth, advertising manager of the paper.  
The Eagle's excursion arrived at 10 o'clock and was here only long enough for the train to be re-iced. During its brief stop the excursionists took occasion to patronize the curio and postcard stands in the Castaneda. Quite a crowd was at the station to see them.  
Whenever there is a fair or exposition anywhere in the world which is worthy of particular attention the Brooklyn Eagle sends an excursion party there. The present trip extends through thirty-three days and fringes nearly all the important cities of the country into its itinerary.  
The Brooklyn Eagle conducts an information bureau—or, rather, a chain of international bureaus—which is maintained for the promotion of travel and to furnish general information on the subject. This bureau has been in existence for fifteen years. Every time there is a fair or exposition the Eagle organizes an excursion party which anyone who so desires may join.  
On these occasions the Eagle aims to send its parties in as luxurious a manner as possible, consistent with low rates. Therefore, fine stateroom coaches, dining and observation cars, an assembly car and baggage cars make up the Seattle special train. Advertising Manager Butterworth is in charge and Lou L. Heaton, manager of the information bureau, is also with the party.  
Other personally conducted excursions by the Brooklyn Eagle have been to the Chicago, Atlanta, Nashville, Jamestown and St. Louis expositions, and a sixty-day trip to Europe, including the Paris exposition and Passion Play at Oberammergau, and a trip to Porto Rico.  
The present trip not only goes to the Alaska-Yukon-Pacific exposition, but also includes a visit to Yellowstone Park.

### SANTA FE SALMONS 4; ALBUQUERQUE GRAYS 2.

Poor base running and erratic playing by the outfielders were responsible for the defeat of the Albuquerque Grays by the Santa Fe Salmons at Albuquerque yesterday afternoon, the game resulting in a victory for the Santa Fe's by the score of 4 to 2. Pitcher Weeks was not as effective yesterday as he might have been, although he struck out eleven and only allowed three hits.
