FURS
 Good Furs are scarce and very difficult to obtain. Every year the supply is less and the demand greater. In no other line are prices advancing so rapidly. So the sooner you buy your Furs the cheaper you will buy them. Our line of Furs is the largest in the Territory and we guarantee every piece to be just as represented. The Pointed Fox is just now the most popular fur with Mink, Lynx and Isabella Fox closely following. Prices range from \$3.00 up to \$100.00

OUR ANNUAL THANKSGIVING SALE

NOVEMBER 15th to NOVEMBER 30th

SINCE moving into our new Store, but little more than a year, we have endeavored to improve our stocks to the highest possible point. We have searched the markets for the very best, both in style and quality and have refrained from putting a single article on sale which we could not personally guarantee. Our increased volume of business shows our efforts to improve stock and conveniences have been appreciated by you and encourages us to make stronger efforts the coming year to supply you with the best the market affords in our lines. In appreciation of your liberal patronage this past year we will, on Nov. 15th start our Annual Thanksgiving Sale with bigger, better bargains than ever. This will be your opportunity to save a neat sum on your purchases, consequently giving you more money for your Holiday expenditures. Remember the prices quoted will not be in effect after Nov. 30th.
