Forced into Exile

Wm. Upchurch of Glenn Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps.

What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them.

It's the wolf in sheep's clothing who is apt to pull the wool over our eyes.

Don't waste your money.

There are plenty of good uses for it. Don't pay 40 to 50 cents a pound for baking powder. K C Baking Powder is guaranteed to do better work, and it saves you 30 cents on a pound can.

Lots of women do odd things for the purpose of getting even.

I obtained Doan's Kidney Pills at the Center Block Pharmacy and they brought me positive relief from backache and kidney complaint. Since then I have taken this remedy off and on whenever I have had need of it and it has always done good work.

If my kidneys do not act properly or if my back aches, I can depend upon Doan's Kidney Pills to drive away the trouble immediately.

THANKSGIVING SERVICES IN CHURCHES OF LAS VEGAS

Tomorrow, Thursday, November 25th, will be observed as Thanksgiving day in all the states and territories of the union, and in Las Vegas, according to a custom established years ago, the Protestant churches, with the exception of the Episcopal church, will unite for the holding of special services, the First Methodist Episcopal church having been chosen as the place for this year's services.

Program for Services

Following is the program for the union services, which are scheduled for 11 o'clock tomorrow morning:

IS IT A SCHEME TO QUEER THE K. OF P. SANITARIUM

Those connected with the establishment near Las Vegas of the national sanitarium to be built by the Knight of Pythias, are wont to regard the reports sent out from Chicago regarding the converting of the Valmore ranch near Watrous into a great health resort for near-indigent tuberculosis sufferers as a scheme to discredit the K. P. project.

INDIANS THREATEN THE LIFE OF MINE MANAGER

Santa Fe, N. M., Nov. 24.—A conference was held here Monday to consider a complaint sent to Governor Curry by the American Turquoise company, controlled by the Tiffanys of New York, protesting against depredations of the Pueblo Indians, especially of Santo Domingo, on the company's mines at Turquesa, fourteen miles south of Santa Fe.

The protest states that the life of the company's manager, J. P. McNulty has been constantly threatened and endangered by the Indians, who claim the mines because of their ancient rights and visit them at night to take out turquoise.

The conference was attended by the governor of Santo Domingo, the attorney for the Pueblo Indians, Francis C. Wilson, the captain of the mounted police, Fred Fornoff, Superintendent Clinton J. Crandall of the United States Indian school, who has jurisdiction over the Indians of Santo Domingo, and Governor Curry.

Several of the Indians have been indicted in the local district court and convicted.

ACCUSED POSTOFFICE CLERK BOUND OVER

Albuquerque, N. M., Nov. 24.—Arthur Smith, colored, arrested Friday morning last, charged with tampering with the United States mails, was given a preliminary hearing before United States Commissioner H. R. Whiting in the court house yesterday afternoon. The evidence against the prisoner was strong enough to warrant the commissioner binding him over to await the action of the federal grand jury in the sum of \$500, in default of which sum Smith was remanded to the county jail.

Smith was seven or eight months distributing clerk in the local postoffice. It is said that he opened various letters which passed through his hands and extracted money therefrom, the sum realized by this operation amounting, it is claimed to at least a couple of hundred dollars.
