GUARDSMEN PAID FOR SERVICE AT ENCAMPMENT

OVER NINE THOUSAND DOLLARS IN CASH DISBURSED AT CAMP MILLS

REPRESENTS PAY OF THE MEN

THIS SUM DOES NOT INCLUDE THOUSANDS SPENT TO CONDUCT MANEUVERS

CRACK RIFLE TEAM SELECTED

SIXTEEN QUALIFY TO REPRESENT NEW MEXICO AT NATIONAL SHOOT

To the officers and men of the First Regiment New Mexico National Guard, Adjutant General A. S. Brookes today disbursed the sum of \$9,193.81 as payment for service during the annual encampment. This amount is for pay alone. It does not represent by any means the money spent upon the encampment. The supplies for the larders of the regiment were purchased from Las Vegas merchants and a considerable amount for transportation of camp paraphernalia from the railway yards to the rifle range went to local teamsters.

Much, if not all, of the money paid to the soldiers will be spent here in Las Vegas. It will be seen from these statements that the encampments of the guards here are of untold financial value to this city. When Las Vegas gives the Guardsmen a warm reception and makes them feel they are guests it is only making a fair return for what the guard does for Las Vegas. As to many people the encampment has been the source of much pleasure. It has come to be looked upon as an event of interest to the entire community. The number of soldiers and employes at Camp Mills to receive their pay was in the neighborhood of 500. General Brookes had planned to pay off the troops yesterday, but was unable to do so as the pay rolls had not been completed.

The competition for places on the New Mexico National Guard rifle team closed yesterday and the team was selected. Colonel E. C. Abbott had charge of the competition, which covered several days of strenuous shooting on the range. The team will go during the latter part of next month to Camp Perry, O., where it will compete with other teams from every state in the Union. Regular army men will be represented in the match. Colonel Abbott said this morning that the showing made by the riflemen was better than last year and that New Mexico will have a well balanced team. The team compares more than favorably with those of former years.

Twenty-one men finished the shooting in the final course. From these the sixteen making the best record will be selected for the team. The team will consist of twelve men and three officers. These will be: Team captain, Colonel E. C. Abbott; team coach, Captain Eugene A. Lohman; team spotter, Captain Norman L. King. In addition to the regular team there will be three alternates. The men who qualified for positions will continue shooting and the twelve making the best records make up the team, the other three being alternates.

Adjutant General Brookes this morning issued to the successful riflemen some specially selected star-gauged rifles. Additional practice will be done with these weapons.

The men finishing the final course, with their totals and ranks, are as follows, the sixteen having the highest ranks being members of the team. The totals include records for 200, 600 and 100 yards, rapid fire and skirmish firing:

Feemster	662-1
A. Coll	641-6
Viera	639-2
Browne	633-3
Duke	621-5
Smart	630-4
Williams	581-11
Safford	605-7

McHughes 595-9
E. Cole 592-10
Reed 603-8
Newkirk 549-15
Enos 563-14
West 579-12
Abbott 548-16
Echols 575-13
Forbes 537-15
Deen 509-19
Lohman 540-17
Gillsdorf 488-20
Smith 456-21

Last Big Maneuver

The reds and the blues, the two rival battalions, again engaged each other today in the most strenuous maneuver since the establishment of Camp Mills. The soldiers left the camp immediately after morning mess and it was planned to keep them at work all day, the return being made in time for supper. According to the plans the maneuver was to cover a large amount of territory. The soldiers prepared to make camp at noon and cook their own rations. They were in heavy marching order and were prepared for an eventful day. Major Ilfeld in command of the Reds and Major Ball, who heads the blues, have been exerting their best ability in all the maneuvers. They have received the co-operation of the officers and men in their commands and much clever work has been done by the rival battalions.

Today's maneuver was expected to take the troops a long distance into the Gallinas canyon. The maneuver,

SLAYER HANGED DESPITE APPEALS

FATHER OF VICTIM, KILLED BY DRUNKEN MAN, DIDN'T WANT MURDERER EXECUTED

Phoenix, Ariz., July 28.—Over the protest of Henry C. Yaeger, father of his victim, Alejandro Gallegos, the murderer of Louis D. Yaeger, was hanged today in the territorial penitentiary at Florence. He thanked the widow and parents of his victim for their efforts in his behalf and bade good bye to other convicts awaiting execution before mounting the scaffold. In contrast to the constant nervousness, fright and despair, he displayed during his imprisonment, Gallegos died bravely. Henry C. Yaeger made several appeals to Governor Sloan for commutation of the sentence of the murderer of his son to life imprisonment but in vain. He said that Gallegos was intoxicated when he committed the crime and had no knowledge of his act.

KERN CHARGES SPOILS SYSTEM

Washington, July 28.—Senator Kern of Indiana, speaking today on a resolution to add several employes to the pay rolls, charged that the "spoils system ran mad" in the senate, where republicans so systematically divided patronage that members were awarded even "half a man." Senator Dixon (republican) retorted that the democratic house had discharged all republican employes.

COLORADOAN TO RUN FARMING IN ISLANDS

FREDERICK W. TAYLOR APPOINTED DIRECTOR OF AGRICULTURE IN PHILIPPINES

Washington, July 28.—Frederick W. Taylor, of Colorado, has been appointed director of agriculture for the Philippine Islands, to succeed George Nelson, who recently resigned. He will enter upon his duties early in October and will make his headquarters in Manila.

Mr. Taylor was chief of the department of agriculture and horticulture at the St. Louis world's fair, the Pan-American exposition at Buffalo and the trans-Mississippi exposition at Omaha. He is considered one of the ablest agricultural experts in American and his appointment will mark the beginning of the application of modern scientific methods in land culture in the development of the Philippines.

PANIC CHECKED BY TENNESSEE CO. SALE

WITNESS TELLS STEEL TRUST PROBES THIS DEAL SAID TO BE DAY IN 1907

NO MONEY WAS INVOLVED

ABSORPTION BY U. S. CORPORATION EFFECTED BY EXCHANGE OF STOCK

ORGANIZED WITHOUT COST

IT DIDN'T TAKE EVEN A POSTAGE STAMP TO FORM SOUTHERN CONCERN

New York, July 28.—That the financing of the Tennessee Coal and Iron company syndicate in 1905 did not cost as much as a "postage stamp" was the declaration made today by L. C. Hanna of Cleveland, O., before the Stanley steel trust investigating committee. Mr. Hanna, who was manager of that syndicate before the company was absorbed by the United States Steel corporation in 1907, also testified that the main purpose of the men who took over the Tennessee company in competition with the steel corporation was to develop the great mineral resources rather than the mechanical equipment of the property.

"In the organization of that syndicate," Mr. Stanley asked, "did you employ Mr. Morgan or any other financial syndicate to float your bonds?"

"The financing of the Tennessee company did not cost as much as a postage stamp," Mr. Hanna said. "There were no bankers employed."

"Did you ever get an order for rails from Mr. Harriman?" asked the chairman.

"Yes," Mr. Hanna replied. "Mr. Harriman gave us an order for 157,500 tons of steel rails."

"How long was it after Harriman gave you this order?" asked the archbishop.

"I'll tell you," Mr. Hanna said, "I was in trouble in England, where I don't remember some in the Tyrol, think it was several weeks."

At the time of the sale of the Tennessee company to the United States Steel corporation, Mr. Hanna declared that the Tennessee company was in good financial condition and did not need to sell, but the action was necessary to avoid the failure of Moore and Schley and the threatened spread of a ruinous panic.

"The whole financial situation in New York was acute," said Mr. Hanna, "and the fear among the wisest financiers was that it would grow worse and pass beyond the control of men."

In the transfer, the witness admitted, not a dollar changed hands, the transaction being executed by the exchange of stock. The effect of the transfer, he felt sure, saved the day and was the turning point for the better in the panic.

In response to questions by Representative Gardner, Mr. Hanna stated that since the United States Steel corporation took over the Tennessee Coal and Iron company and its vast interests, no competing steel companies had been organized in the United States.

TO WED ON PIKE'S PEAK

Colorado Springs, Colo., July 28.—Miss Nona Sloan of Los Angeles and Mr. Meyer Lewis of Omaha have completed arrangements for their wedding ceremony, which will be performed at the top of Pike's Peak at sunrise tomorrow morning. The couple will spend their honeymoon in Colorado Springs, after which they will return to Omaha to live.

RECIPROCITY WITH MEXICO

Washington, July 28.—Reciprocity with Mexico similar to Canadian reciprocity is proposed in a resolution introduced today by Representative Burleson of Texas, calling on President Taft immediately to start negotiations with Mexico, "looking to free commerce between the two countries."

FRENCH EXPERT TO SPEAK

Grand Rapids, Mich., July 28.—Charles Prunard of Paris, director of the Bureau of Assurance and Social Providence of the French government, heads the list of speakers at the tenth annual meeting to be held here next week by the United States League of Local Building and Loan Sociations. Others who will address the convention are E. N. Penna of Hancock, Mich., Arthur H. Hurd of Omaha, Clay W. Holden of Elmira, Charles Werno of C. A. W. of Terre Haute, John C. Bush of Jersey City, and R. L. Prouty of Monroe, La.

EDWARD G. SHEPARD DIES

Lake George, N. Y., July 28.—Edward G. Shepard, prominent lawyer and in politics as a democrat, died here from his home in Brooklyn early in June. Shortly afterwards a cold developed into pneumonia to which pleurisy and heart weakness were added in the last few days.

HOTEL BELL BOY MURDERED GUEST

17-YEAR-OLD YOUTH CONFESSES TO SLAYING AGED NEW YORK BROKER

New York, July 28.—A 17-year-old boy confessed to the slaying of an aged New York broker, who died because of a weakened circulation. S. S. S. cures every portion of the system and creates an abundant supply of healing, strengthening roots, herbs and barks, absorbed from harmful drugs and minerals, and is therefore the safest blood medicine for young or old. as planned by First Lieutenant F. S. Young, U. S. A., and Adjutant General Brookes, was as follows:

General Situation

A blue division is in camp 20 miles northeast of Las Vegas. A red force is advancing from the west.

Special Situation

Red

A red battalion from San Geronimo arrived and went into camp on July 27 in the valley 1 1/2 miles northwest of the asylum throwing out an outpost. At 5 a. m. July 28 it was learned the red wagon train had been destroyed and the convoy captured; also that the blue force had returned. Blue patrols had been seen during the night near Hot Springs. The red commander decides to remain in camp and reconnoiter to determine the enemy's location and strength.

Blue

The convoy was overtaken 5 miles west of Hot Springs and the wagon train destroyed. The blue battalion returned and went into camp near Vigiles, throwing out an outpost.

At 5 a. m. July 28 information was passed that a red battalion from San Geronimo had passed through Las Vegas en route northward. Red patrols in the neighborhood of the house under decides to hold his position and push his patrols well out to determine the location of the enemy.

Special Situation

RATON TO PLAY HERE SATURDAY AND SUNDAY

GATE CITY TEAM IS GREATLY STRENGTHENED FOR GAMES—FAST BASEBALL ASSURED

When the Maroons tackle Raton tomorrow they will be going up against the fastest baseball team in the southwest. The locals are determined to win at least one game and do their best to take both. This will result in the hardest baseball contests that has ever been fought at Amusement Park, if the dope sheet can be taken as an authority.

The Raton team will be much stronger than last week when the Maroons broke even in a two-game series. Pitcher Henry Elder, the big southpaw, has joined the team and will pitch one game. Second Baseman Caldwell, late of the Trinidad team, will finish the season with Raton and act as manager. Galgano and Bradbury, also from the Trinidad team, will make up a strong

battery for Raton. Four men have been released by Raton in strengthening the team. These are Catcher Nelson, Pitcher Kelly, Second Baseman Annis and Left Fielder Wiesner. Jack Harnett, captain and manager of the University of Minnesota baseball team, has also joined Raton and is expected to prove a strong addition to the team.

The Raton team is expected to arrive here this evening. Tomorrow's game will begin at 3:30 o'clock. Barr probably will pitch and the strongest lineup the Maroons can muster will be put in the field.

The Santa Fe Salmon Grays have reorganized with Romulo Lopez as manager. A fast battery, Reardon and Brown, has been signed up and other professional players are being engaged. The Maroons expect several good games with the Salmon Grays before the close of the season. Some familiar names are in the Santa Fe lineup, which is as follows:

Catchers: Brown and Joe Berardinelli.
Pitchers: Jim Lopez, T. A. McCarthy and Reardon.

The other members will be F. Digneo, M. Stanton, Gus Koch, Pete Berardinelli, P. Griego, Tom Closson, Captain John Alarid and Teddy Arca.

If you sit in a draft the doctor may cash it.
