The Raton Range has launched the candidacy of Judge Clarence J. Roberts of this district for justice of the New Mexico supreme court under the state regime. In an extended article, accompanied by a half-ton of Judge Roberts, the Range reviews his official record both in Indiana and New Mexico and it is a strong argument in support of his candidacy.

A marriage license was issued yesterday afternoon at the court house. The young people made happy were Beronils Coca, aged 15, Canyon Largo, and Eduardo Martinez, aged 22, Sablnosa.

Max Nordhaus, who was obliged by illness to take to his bed a few days ago following his first attempt to resume business after a surgical operation, was reported today as considerably improved.

Three persons were committed yesterday afternoon to the Territorial hospital for the insane after a hearing before Judge C. J. Roberts. The persons committed were George H. Scudder, Francisquita Gallegos and Tomasita Brown. The hearings were conducted in the judge's chambers on the West side.

An old time resident of Las Vegas has always been of the belief that the legend "C. I. C. O." meant the Charles Ifeld company. The other day he received a bill for a small amount. At the top were the letters "C. I. C. O." He began to get hot under the collar as he had just paid his bill at Ifeld's. He looked again and saw the bill was from the Crystal Ice company.

The Sigma Gamma Sorority held its last bi-weekly meeting at the home of the Misses Marie and Caroline Clements. At this meeting two new girls were initiated into the secrets of the society, the new sisters being Misses Marie Mann and Carrie Greenberger. After the initiation light refreshments were served and the "babes" performed stunts much to the amusement of their older sisters and to their own embarrassment.

The ladies of the Las Vegas hospital were out again today with the intention of completing their campaign of last week in which they collected over \$1,000 toward the payment of the hospital debt. Encouraged by their success of last week, they started out this morning with renewed vigor and expect to collect enough in the next two days to completely remove the debt that now hangs over the institution. A little less than \$2,000 is now needed to wipe out the debt and place the hospital on a firm financial basis.

The wedding of Miss Bertha Cohn and Harry Bowman of Clovis will occur Wednesday, September 6 at the home of the bride's mother, Mrs. Emma Cohn, on the west side. The engagement of this popular young couple was announced several weeks ago. After spending a few days here visiting his bride-to-be, Mr. Bowman left last night on a business trip to Denver.

A clever baseball display is in the window of J. L. Tooker on Douglas avenue. Mr. Tooker has arranged a baseball diamond upon which he has placed a team of dolls representing the Maroons. The Dawson club is represented as at bat. Barr is in the box and Nelson is doing the receiving. Each of the dolls is labeled to represent some member of the Maroons.

Shooting for record began yesterday at Camp Perry, O., with the rifle teams of the National Guard of the various states contesting. The New Mexico rifle team has been in Camp Perry for over a week and has been putting in as much time as possible shooting on the range and getting accustomed to handling rifles under strange climatic conditions. Officers of the New Mexico Guard are anxiously waiting news as to the results of the shooting, as it is expected New Mexico will take an unusually high ranking this year.

At a congregational meeting on Sunday morning, September the second, the people of the First Presbyterian church will vote as to whether they will give the board of trustees the power to give the government an option on the church property on which it is proposed to erect the federal building. Although this move will require the erection of a new church, it is not expected that anyone will oppose it. This property, being between the east and west sides is an ideal location for the structure, and if the Presbyterians grant this option it will do away with legal proceedings and clear up the problem of a location on which to erect the new building.

Dan Padilla and his Albuquerque Grays will play a series of games on Saturday, Sunday and Monday with the Amarillo Cowboys. One of the Albuquerque papers has spoken of this team as the fastest aggregation in the southwest. This same paper has called the Las Vegas Maroons yellow, but this is inconsistent as certainly no yellow team could completely outclass the star ball team of the southwest. This is what the Maroons did in their games with the Cowboys, winning the three games of the series in a manner that did not even try the metal of the local team. This series of games between the Grays and the Cowboys will be of interest to Las Vegas fans as it will show them where the Maroons stand in relation to Albuquerque. If the Amarillo team beats the Grays it may serve to check the growling of "Guerilla" Dan.
