MAROONS WILL BE CLASSILY CLAD

THE MEADOW CITY MANAGEMENT HAS PURCHASED SOME FLOSSY UNIFORMS.

There will be nothing nondescript about the appearance of the Maroons this year. The pitchers will be arrayed in uniforms that match those of the shortstop and the catcher, while the outfielders' stockings will be of the same color as those worn by the second baseman and the first baseman's cap will resemble quite closely that of the man who occupies the station on the other corner of the field. Last year the Maroons looked as though they had been dressed after a rummage of a second hand clothing store. Uniforms belonging to every club between Amarillo, Tex., and El Dorado, Kan., were displayed. There had been brought here by the players. The suits remaining of the Maroons' original equipment were run down and greasy and there were no two caps or two pairs of hose that were even first cousins to each other. However, the team played such great ball that the fans forgot to remark about the bum appearance of the Meadow City aggregation.

This year all will be different, with the exception—it is hoped—that the playing will be up to the 1911 standard. Manager Plowman and Assistant Manager Duncan have secured new uniforms for the club. By a masterly business stroke they succeeded in purchasing \$12 uniforms for \$8. The suits are of dark gray with faint green stripes. The trimmings are of maroon, the name "Las Vegas" being written down the front of the shirts. The stockings are of gray with maroon stripes while the caps are soft maroon. The goods from which the suits are made is the best of wool and they will last several seasons. There is no doubt but that the Maroons will be the most handsomely clothed ball team in the southwest this summer.

Sorosis Club

Elects Officers

The Sorosis club met Monday afternoon with Mrs. Dr. Alice Rice at the home of Mrs. F. E. Olney, for the annual election of officers. Mrs. Norman Skinner was elected president; Mrs. John H. York, vice president; Mrs. H. W. Goelitz, recording secretary; Mrs. B. J. Reed, corresponding secretary and Miss Emma Adlon treasurer. Following the election of officers the club enjoyed a social afternoon. Mrs. H. M. Northrup, accompanied by Miss Bessie Cooley, rendered several vocal solos. Delicious refreshments were served by the program committee. This is the only social afternoon enjoyed during the year, the club having spent other afternoons with celebrated "ghosts," "hearts," and "cupids," and Shakespeare. During the past year readings from different plays accompanied by Shakespearean music were given. At the present time the club is studying "Midsummer Night's Dream," "As You Like It," "Hamlet," "The Tempest" and "King Henry VIII" were among the Shakespearean dramas studied in the past 12 months. The Sorosis club is now connected with the national and state federation of Women's clubs, and sent delegates to the last convention, held in Roswell.

Herndon Company Pleased the Audience. The Santa Fe employes of Las Vegas and their families received a real treat last night when they attended the entertainment of the Pearl Herndon Concert and Dramatic company given at the Y. M. C. A. hall under the auspices of the reading rooms. During the past season S. J. Buser has sent many concert companies over the Santa Fe, but it is doubtful if any of those that have been billed for the Meadow City have given a concert more enjoyable than the one of last night by Miss Pearl Herndon, assisted by Miss Edith Sucher, a talented pianist and lyric soprano soloist. This was the first appearance of the two entertainers in Las Vegas, but, after their entertainment last night, the Santa Fe people hope that it will not be the last. Miss Herndon gave several recitations and readings of a serious nature and many with a humorous vein running through them, every one of which won a round of applause from the audience. Miss Sucher played an accompaniment to some of the recitations and sang several vocal solos.

Moose Set a New Standard. The Las Vegas lodge of the Loyal Order of the Moose may be the youngest of the fraternal organizations of the Meadow City, but just the same, it can carry on social "doings" in style, as shown by the first ball and banquet held on last Wednesday night. The Moose were charming hosts and every detail of their first social venture ran off smoothly. The affair will be remembered as one of the most enjoyable of the spring of 1912. About 100 couples were in attendance at the dance which was held in the armory, and plates for the banquet in the Cafe de Luxe were set for 200. The Simson orchestra furnished the music for dancing and also played during the banquet, which followed the dance. The banquet hall was beautifully decorated in red, white and yellow streamers, the colors of the Moose lodge, and white college pennants. The room presented a striking appearance.

Jones and Charles Hild were elected members of the board.

Miss Emma Tamme was elected directress of the organization; Miss Gladys Gibson, sub-directress; Miss Phoebe Hart secretary and Miss Rachael Ward treasurer.

Famous Virtuoso

to Play in Las Vegas

During the course of the past week Harold, the famous Russian violinist, has been booked to play in Las Vegas on May 22.—By the more discriminating music lovers of this city this announcement has met with enthusiasm and already many have placed their names on the list of subscribers for seats for the concert. Harold was booked by Colonel P. Ray, representative of the E. Shipman entertainment enterprises in the southwest, and will play at the Duncan opera house. Las Vegas has on previous occasions, missed hearing famous musicians, owing to failure to raise the necessary guarantee, but there seems little doubt of any such failure this time.

Mrs. Nordhaus Gives Whist Party. Mrs. Max Nordhaus was hostess to a number of friends yesterday afternoon at her home on Douglas avenue. Bridge whist was played, Mrs. C. W. G. Ward winning the first prize and Mrs. E. B. Shaw the second. Mrs. Jefferson Reynolds was awarded the consolation prize. Mrs. Nordhaus' guests were, Mrs. Charles Tamme, Mrs. H. E. TOUGH ON FOREIGNERS. Phoenix, Ariz., May 11.—The Kinney anti-alien labor bill, which would bar every man who cannot speak and read English from employment in mining, railroad and other work classed as hazardous, passed the state senate this morning in a session lasting until after midnight. The vote was 11 to 8. The measure immediately was sent to the assembly. Should the bill become law it would throw out of employment 20,000 foreigners in Arizona.

FLEMING SECRETARY OF COMMERCIAL CLUB

FORMER OFFICER IS GIVEN UNSOLICITED POSITION BY THE DIRECTORS.

At a meeting of the board of directors of the Commercial club held last evening George A. Fleming was elected secretary to fill out the unexpired term of Dr. J. D. Hess, who had resigned on account of leaving the city. Mr. Fleming served as secretary of the club for about five years, resigning about a year ago as he found it necessary in his real estate business to be out of the city at frequent intervals for two or three weeks at a time.

The directors felt, however, that this is an important time in the affairs of the club, owing to the large number of strangers expected in the city as well as the unparalleled opportunity for securing publicity of the resources of Las Vegas and San Miguel county, and prevailed upon Mr. Fleming to take the office again for a short time, at least, even though he was not an applicant for the position. It was the sense of the directors that Mr. Fleming's familiarity with the work of the office as well as with the conditions and resources of Las Vegas, made it especially important

that he undertake the work at this time.

The retiring secretary, Dr. Hess, leaves the affairs of the office in very good shape and the regret over his retirement is general. He has proven an efficient and capable officer ready at all times to advance the interests of the community and the club.

STATE-WIDE SPELLING "BEE"

Jefferson City, Mo., May 11.—Probably one of the most unique educational events ever held in this country will be the state spelling contest to be held in this city next Monday, the opening day of the annual convention of the Missouri association of county superintendents. At last year's meeting of the superintendents the decadence of spelling was generally deplored and the idea of a state spelling "bee" was hit upon to stir up interest in this particular branch of study in the public schools. Every county of Missouri is expected to be represented in the contest by one public school pupil, who must not be further advanced than the eighth grade. The representatives already have been selected in county elimination contests. Each participant in the state competition will be given 50 words to spell orally and another 50 to be written. The winner of the state spelling championship will be given \$100 in gold. Smaller cash prizes will be given to the pupils who come out second and third in the competitions.
