NO. 4

OF HOME INTEREST

Leat began February 28 and will end April 15.

Fresh pork sausage every day at Lyman's meat market.

Nothing in the line of mince meat is better than Lyman's.

John Sutton was among Thursday's outgoing passengers for Kansas City.

If you feel bad and can't eat get a nice juicy steak at Lyman's meat market.

You can buy fresh Hamburg steak any day in the week at Lyman's market.

Subscriptions for all kinds of papers and periodicals taken at Katzenstein's.

Meat delivered free of charge in any part of the city to S. Lyman's customers.

Go see and buy some of that fresh home made taffy turned out by Katzenstein.

Doctor Swisher was called to La Joya yesterday morning on a professional visit.

J. F. Cook returned Monday morning from an absence of two weeks in Mexico.

W. H. Liles received several hundred fruit trees yesterday for his farm north of town.

J. J. Leeson was a passenger for the south on Thursday morning's belated train.

The fire clay company have received this week 4,300 pounds of grating for their updraft kiln.

Five carloads of cattle came down from Magdalena Thursday on the way to eastern markets.

Capt. M. Cooney is hardly visible these days for the cloud of dust raised by his dashing team.

Dick Abeytia loaded a thousand sheep Wednesday for shipment to the Kansas City market.

Attorney Jas. G. Fith departed Wednesday morning on a business trip to Albuquerque and Las Vegas.

Mr. and Mrs. H. M. Dougherty left Tuesday morning for El Paso and Juarez and, possibly, Chihuahua.

Every precinct of Socorro county elected administration delegates to the county convention.

Wm. Jones, an extensive stock raiser of Frisco, arrived in the city yesterday on the Magdalena train.

C. T. Brown brought in 25 head of horses Thursday from six-mile canon for service in his livery stable.

Miss Emma Hunning returned to her home at Los Lunas after a visit of several days with friends in this city.

Doctor L. E. Kittrell went up to Magdalena Thursday to attend to the wants of his patients there for ten days.

Mrs. Thos. Jaques departed Thursday for Colorado Springs summoned thither by the illness of a relative.

Hon. H. M. Dougherty, the genial and competent attorney, is here from Socorro, New Mexico.—El Paso News.

J. F. Cook went down to Engle Tuesday, with a view to convincing some cattle rustlers of the error of their ways.

Henry Meyers, a stock man from near Grafton, was one of the arrivals yesterday over the Magdalena branch.

Mrs. Belle Morgan came in yesterday from Baldwin's ranch near Datil and took this morning's south bound train for Engle.

C. T. Brown went out to the Magdalena and Kelly mining districts yesterday accompanied by a gentleman from New York.

H. H. Wheelock, the hardware representative, was trying his persuasive powers on the merchants of Socorro and Magdalena yesterday.

The Bee states that the freight division is not to be moved from San Marcial and quotes railroad officials as authority for the statement.

Capt. E. G. Austen of East Las Vegas came up from the south yesterday morning and stopped over on business until the noon freight.

Mrs. J. D. Herbert and daughter, Miss Maude Chisholm of Magdalena came down to Socorro Tuesday noon and remained over night.

On another page will be found the bill recently introduced into the United States senate for the benefit of the schools of mines of the country.

Chas. Sperling and Professor Jones went out to the former's ranch this morning to look after some improvements in the irrigating facilities.

Fred Baldwin, stock man and merchant of Datil, came down to Socorro yesterday. Mr. Baldwin reports stock in his vicinity in excellent condition.

The train from the north was several hours late Thursday morning owing to the heavy fall of snow encountered the day before on the plains of Kansas.

Eight cases have recently been filed in the U. S. District court of this district against persons in Eddy county for maintaining unlawful enclosures of public land.

Miss Mary McCullough, who was in Socorro several days as the guest of Mrs. Thos. Jaques, departed Monday morning for her home in Florence, Colorado.

Hon. C. A. Leland and family left this morning for Silver City where Judge Leland will preside over the session of the district court which convenes on Monday.

Albuquerque is to have a new \$20,000 school house and the school board have decided that the building shall be of "Socorro buff brick trimmed with Socorro red brick."

Mrs. John W. Terry gave a tea Thursday in honor of Mrs. E. L. Browne of Las Vegas. Mrs. Browne departed for home this morning after a week's visit with friends in this city.

R. W. Monroe will have the Windsor thoroughly renovated before the meeting of the territorial convention. He will then be able to accommodate 60 guests and send them away well pleased.

Jas. G. Fitch, the brilliant disciple of Blackstone, from Socorro, was a passenger from the south yesterday morning. He will spend a day or two transacting business in the city.—Journal Democrat.

Mrs. E. L. Browne of Las Vegas arrived in the city Monday morning from El Paso. Mrs. Browne was accompanied by her children and during her stay in Socorro was the guest of Mrs. C. G. Duncan.

About twenty of Socorro's young people chaperoned by Mr. and Mrs. J. E. Griffith indulged in a merry, old time hay ride Thursday night in honor of Miss Edith Niles who is a guest at the home of the Griffiths.

The Socorro CHIEFTAIN closed its seventeenth year with the issue of February 16, 1900. It is a bright, well conducted paper and Editor Drake deserves a full measure of success in every way. Roswell Register.

Prof. W. H. Seamon, of this city, has for several days been at Clifton, Arizona, making an examination of the Manganese and Gold Queen groups of mines belonging to Dell M. Potter of Clifton.—El Paso Times.

The many friends of Dr. G. H. Sowers, who some weeks ago went to Mexico for the benefit of his health, will regret to learn the climate of that section does not agree with him and he will likely be compelled to make another change.—Silver City Enterprise.

From news dispatches it appears that March comes in with the most violent snow storm of the winter raging from the foot of the Rocky mountains eastward to the sea. At the same time New Mexico is bathed in sunshine, fruit trees are blooming and "sweet fragrance floats on the air."

Vivian Stapleton, son of Edward Stapleton of Escobedo, was the victim of a painful accident Thursday evening. He was moving a carpet on which was standing a loaded rifle. The gun fell over and was discharged, the ball taking effect in one of the boy's feet. It was found necessary to amputate a part of the foot.

Honorables H. O. Bursum and W. E. Martin returned to Santa Fe Monday after a visit of several days with friends in this vicinity.

A social will be given by the Rathbone Sisters on Friday evening, March 9, at the K. P. hall. Every gentleman is requested to bring a spool of thread, a thimble and a needle. Refreshment will be served. Admission 15 cts.; 10 cts. for children.

Hon. Silas Alexander was here this week inspecting the Butler mine. Before returning home to Socorro he made arrangements for the putting up of another hoist and the sinking of No. 2 shaft to a depth of 500 feet.—Sierra county Advocate.

The vacant lot adjoining the Windsor hotel has been fenced and converted into a park by the planting of numerous cottonwood trees. Chas. Gause suggests "Gambinus park, after the god of beer." That might be appropriate but not so euphonious as Windsor park.

A correspondent writes from El Paso that on Friday of last week Mrs. Adam Emig gave a dinner in honor of Mrs. E. L. Browne, and that those present were Mesdames E. L. Browne, E. M. Bray, R. C. Stewart, Wm. Driscoll, and Driscoll; Misses Powers, Driscoll and Stewart.

Mrs. and Miss Lyons of Arcola, Ill., who were the guests of Doctor and Mrs. Swisher for several days, left on yesterday morning's train for California. Should these ladies see fit to favor Socorro with another visit they will be given a hearty welcome by a large circle of friends and acquaintances.

Sol Luna last week sold 6,325 head of lambs to Brownell & Preston, of Ft. Collins, Colo. They were a choice lot of lambs and brought the handsome figure of \$2.30 per head. They were shipped from Magdalena to Fort Collins, where they were placed in feeding pens to be prepared for the market.—Optic.

At the primaries held in this city last Saturday delegates were elected to the county convention with only one dissenting vote as follows: From precinct 24, H. O. Bursum; from precinct 1, Estevan Baca, S. Alexander, Jose E. Torres, Remigio Pena, J. F. Towle, M. Cooney, Frank W. Andrews and A. C. Abeytia.

Andrea Ballatti of Lombardy, Italy, took out his final naturalization papers Thursday, March 1, in Judge Leland's court, and thus became a rightful citizen of the greatest and best country on earth. Mr. Ballatti has been in the United States but a short time, but those who know him speak of him in high terms of praise.

Henrique Chavez was arrested yesterday morning on a bench warrant issued from the district court. The warrant was based on complaint of Nathan Price charging defendant with assault with intent to kill. After preliminary examination before Judge Leland Mr. Chavez was placed under bond of \$1,000 to await the action of the grand jury.

Mr. and Mrs. Homer Hill gave a very enjoyable whist party Wednesday evening in honor of Mrs. E. L. Browne of Las Vegas who is visiting her many friends in this city. Those who took part in the evening's pleasure were Mesdames Browne, Berry, Duncan, Griffith, Rice and Sperling; Messrs. Duncan, Griffith, Kittrell, Sperling and Drake.

Antonio Moya was brought before C. A. Leland's court yesterday on a charge of contempt in trying to avoid service of subpoena in case of the territory against Francisco Naranjo, Jr., charged with murder. Moya was released on promise of being in attendance on the first day of the next term of court. Subpoena was served on him before he left the city.

Professor J. C. Carrera, one of New Mexico's commissioners to the Paris exposition, was in the city this week in the interest of the mineral exhibit he is collecting for the exposition. Professor Carrera seems to be the right man for the place. He has been 30 years in making a private collection of mineral specimens for which he was awarded a medal at the world's fair at Chicago.

Ed Fortune, ex-county clerk, and wife were among the arrivals from Magdalena today.

A new shipment of fresh fruits, bananas, oranges, and apples just received at Katzenstein's.

Mrs. H. O. Bursum of Santa Fe is expected to arrive in the city tomorrow to visit relatives.

Jose Ygnacio Arragon, a sheep raiser of Mangos, arrived in the city today accompanied by his wife. They are guests of Joe Epperly and family.

Mr. and Mrs. Jos. E. Smith's youngest child, that has been very low for four or five weeks with intermittent fever, has improved slightly during the last week but is still very low.

Professor E. S. Coop closed his department of the public school yesterday with public exercises that were much appreciated by visiting parents and friends of the pupils. Professor Coop has given general satisfaction and it is unfortunate that his work can not be continued to the end of the school year. He expects to go to Mogollon in a few days.

Married, at the Catholic church of this city on Monday, February 26, Ricardo M. Zimmerly and Miss Eloise Stackpole, both of Socorro. There was a large attendance at the reception which followed the wedding ceremony, also at the ball in the evening. The happy couple were the recipients of many presents from friends who thus expressed their good wishes.

At the meeting of the county commissioners February 20 and 21 a proposition was submitted to refund the county's indebtedness at 4 per cent under the Bursum act, and for this purpose to sell the county's bonds at 92 cents on the dollar. Commissioners A. Schey and Gregorio Baca voted in favor of the proposition and Commissioner F. G. Bartlett voted against it.

J. H. Hurst of Socorro left this morning for Colorado, where he is in the employ of the Denver & Rio Grande Railroad company. He came to New Mexico about three years ago, bringing an invalid wife, from Missouri, who was supposed to be suffering from an incurable case of asthma. Mrs. Hurst has entirely recovered her health, and is a hearty example of what New Mexico climate will do for invalids who come here as health-seekers.—New Mexican.

Dr. Price's Baking Powder is the true friend of all the people, rich and poor alike. It supplies a pure, wholesome leavening agent, which makes the biscuit and cake of highest healthfulness at medium cost and protects the food from alum, which is the greatest dietary danger of the day.

The foremost baking powder in all the world.

PRICE BAKING POWDER CO., CHICAGO.

NOTE.—Alum baking powders are low priced, as alum costs but two cents a pound; but alum is a corrosive poison and it renders the baking powder dangerous to use in food.

THE CHIEFTAIN is in new quarters, the first room south of the one formerly occupied. The office is now equipped with a brand new \$200 job press, one of the very best on the market, a lot of new job type of the latest design, and a complete stock of stationery. With this equipment it is safe to guarantee satisfactory work at reasonable prices. Now that preparations are fairly completed entire attention can be given to the work of the job department and to the production of a wide-awake newspaper. Give the office a call. You will be welcomed.

Lenten Food.
Call at the Premium Market for Fresh oysters, Fresh fish, Salted mackerel and white fish, Smoked cromerty bloaters, Large halibut chunks, Dainty codfish bricks, Lettuce and radishes.

School of Mines Notes.
A powerful microscope for scientific work will be ordered at once.

Miss Edith Niles of San Marcial was among the visitors by whom we were favored this week.

An elegant new desk has been added to the assets of the school of mines for the use of Director Jones.

Several samples of ore from the Black Range have been assayed this week and shown excellent results.

A new stock of chemicals and supplies has just been received. This will facilitate work in the laboratory and assaying department.

The engineering class did field work Thursday for the first time in two weeks. The wind has been too strong on the days set apart for such work.

Dale Gardom, son of A. F. Gardom of Cooney, entered the classes in Miss Atkinson's room this week and gives promise of ranking as an excellent student.

Samples of ore for assaying are now being received in large numbers from various parts of the territory. The warm weather is luring prospectors to the mountains.

J. Mackintosh of New York city visited us Thursday. Mr. Mackintosh will probably locate in Socorro and give his son the advantage of a mining engineering course at the school of mines.

Presbyterian Church.
Presbyterian Church, Sabbath service: Sunday school at 10 a. m. Preaching at 11 a. m. and at 8 p. m.

Junior Endeavor meeting at 3 p. m. Christain Endeavor at 7:30 p. m.
