A NEW AGENT AT UTE PARK

H. H. Hankins was last week installed as agent for the Rocky Mountain Route at Ute Park. The depot and freight house are completed, and the ice houses will be ready for storage in a short time. For the present the tie train which is working between Cimarron and Ute Park is doing the local freight and passenger business, but in a short time trains No. 1 and 2 will be run to Ute Park.

MEATS ARE CHEAP IN CIMARRON

Geo. H. Webster of the Uracca ranch, has just contracted to furnish meat for the Littrell and Livingston meat market. Choice meats are cheaper in Cimarron than in any other town in the United States. People in the east who are paying eighteen to twenty-five cents per pound for choice cuts would be surprised to learn that "T-Bone" steaks are twelve and one-half cents per pound in Cimarron. And the native meats of the Cimarron country are the finest in the world.

Master Mechanic Records took the train into Raton Sunday, relieving Engineer Leonard, who took a two-days' lay-off, which he spent in Raton. Mr. Leonard took his train again Tuesday.

WILL MOVE TO CIMARRON.

Donald Frease, operator for the Rocky Mountain, will move to Cimarron this week. Mr. Frease was formerly an operator in the dispatcher's office of the Santa Fe at Raton.

The handsome cottage of Mr. T. R. Nance has been completed, and is ready for occupancy.

WORK ON ROUNDHOUSE PROGRESSING RAPIDLY

The work on the shops and roundhouse is progressing nicely, the men losing no time on account of bad weather. The shops are being enclosed rapidly, and will soon be ready for the machinery, a great deal of which is here in the yards awaiting installation. The turn table pit is completed and the machinery for this will be put in shortly. Material is on the ground for the coal chutes, and the construction gangs will soon commence work on these.

CIMARRON SCHOOLS ARE FLOURISHING

Cimarron schools are in an excellent condition. There are more than ninety pupils in regular attendance, and the grades are well kept up. Miss Stump is principal, and teaches the higher grades, and Miss Margaret Cavanaugh has the primary and intermediate. The school building is adequate for present needs and is comfortable and well heated and ventilated.

CIMARRON'S STOCK SHIPPING FACILITIES

Cimarron people are proud of the facilities of the town for the shipping and handling of cattle. The railroad stockyards are large and convenient, and are strongly built, with all the modern conveniences. The capacity, of course, must be large, as this is the very center of the greatest cattle country of the southwest. Ample accommodation may be had here for the very largest shipment of cattle.

A PLEASANT SKATING PARTY

A very pleasant skating party was formed by the young people of the town last Thursday night at French lake, just east of town. Hand cars and push cars were used as a means of conveyance, and the short trip to the lake made in a few jolly minutes. At the lake bon fires were built and the merry crowd skated for some time. Some of the young men very gallantly started out to the middle of the lake to find the airholes and test the safety of the ice. They found the ice safe for a long distance from the shore, but managed to find the airholes all right, and though they did not find bottom, they were sure that the lake was many feet deep.

Last Sunday's train out of Raton carried more than one hundred passengers for Dawson, Preston and Cimarron.

Laundry Wanted

Cimarron wants a good laundry. There is every inducement in the world for the establishment of a good institution of this kind, and the business people of the town will encourage the enterprise from the start. Cimarron will make a good shipping point for this entire section, and will be the natural distributing point for a large section of the northern part of the territory. Railroad connections with three railroads, and stages to every outlying camp and town, will afford a good central point for a large laundry business.

J. W. Records is building a five-room modern cottage on an excellent site on East Seventh street.

Roundhouse Foreman Christie has completed a modern five-room cottage and will move his family from Raton this week.

W. L. Farrell, chief dispatcher for the Rocky Mountain road, will move his offices from Preston to Cimarron today.

Jolly Dance

A most delightful party occurred on Saturday night, at Aztec hall. The affair was an impromptu dance, given in honor of Mr. D. B. Cole, who will leave in a short time for a visit east. The Cimarron orchestra furnished good music, and the party was highly enjoyable. Those present were Mr. and Mrs. J. R. Records, Mr. and Mrs. C. Leatherman, Mr. and Mrs. Orrin A. Foster of Raton, Miss Edith Daley, Miss Belle Livingstone, Miss May Livingstone, Miss Winnie Bishop, Miss Cavanaugh, Miss Whitman, Miss May Dailey, Miss Esther Bishop, Mrs. Jimson, Miss Lillie McMurdo, Dr. C. R. Locke, Dr. Walker, Frederic Whitney, Charles Colgrove, D. B. Cole, Alex Livingstone, Joe Daley, Sam Daley, Fred Lambert, Chas. Lowman, Geo. McClellan, Thomas Demott, Neil Conley, Ray Whiteman, H. B. Griebel, Thomas Bough, Edward Eals.

NEW PLANING MILL FOR CIMARRON

One of the industries which will be established in Cimarron immediately will be a planing mill. The plant will be installed as soon as the building city, providing bachelor's quarters and a place of amusement and recreation. A first class dining room will be kept up, and a few first class rooms will be kept for transients.

Marriage Licenses

The following marriage licenses were issued by County Clerk Twitty: Thomas Smith, Raton, and Myrtle Wills, Denver; Charles H. McGaughey and Grace L. Evens, Raton; Julian Hernandez and Elena Garcia Baca, Dawson.

ARMIJOS WANT RE-HEARING IN HUBBELL CASES.

From the Raton Range.
Attorney Neill B. Field of this city yesterday filed a motion for a rehearing in the territorial supreme court in the cases of Thomas S. Hubbell vs. Perfecto Armijo and Frank A. Hubbell vs. Justo R. Armijo, which were decided at the two days' special session last week in favor of the Hubbells. The motion for rehearing will be argued at the regular session of the territorial supreme court, which will convene on the afternoon of Jan. 8. Perfecto Armijo and Justo R. Armijo are the present sheriff and treasurer respectively of Bernalillo county, having been appointed at the time Governor Otero removed from office Sheriff Thomas S. Hubbell and Treasurer Frank A. Hubbell. An interesting legal battle is expected and the cases may be carried to the supreme court of the United States.—Albuquerque Citizen.

AFTER THE MISCREANTS.

Attempts to Wreck Trains and Shoot Santa Fe Employees.

Several attempts have been made during the past week to wreck Santa Fe trains at San Antonio, New Mexico, culminating Tuesday night in the shooting of a section foreman who was attempting to repair a broken lock. It is learned that several natives are suspected of the shooting and the attempts to disturb the switches, their attempts being inspired by desire for revenge on the railroad for fancied wrongs.

Geo. H. Webster of the Uracca ranch, was in Raton last Thursday, returning home Thursday evening.
