District court at Taos, adjourned last Saturday.

George Walters visited Questa, last Tuesday.

C. H. Brigham of the Edison, was in town, Tuesday.

Ed. Hatton made a business trip to Questa, last Saturday.

While District Court was in session, Red River went dry.

P. H. Hanson took out naturalization papers at Taos last week.

All of the Red Riverites that were attending court at Taos, have returned.

Rev. W. J. Wright preached a very able sermon last Sunday evening.

Mert Logan was in town with the Jordan's from Tres Piedras, the last week.

Clarence Harvey of Elizabethtown, was in Red River, the first of the week.

The editor found the Red River colony at Taos, all looking fine and doing well.

Wilnot Brown of the Central Tunnel, near Anchor, was down for his mail last Saturday.

Remember the Union Sunday school. It meets every Sabbath morning at 10 A. M. in the school building.

J. S. Deputy Surveyor William McKean and C. H. Keon are at Espanola, on a surveying expedition.

Mr. and Mrs. I. T. Bains are fixing up one of the neatest little homes to be found in the Taos valley.

Loren W. Brown is still a very sick man at the home of his sister at the creek. All his friends hope he will soon be on the road to recovery.

The social at the home of Mr. and Mrs. B. J. Young last Friday evening, was another one of those enjoyable affairs of which Red River is becoming noted.

J. L. Ray of Urbana, Ill., was in town the first of the week. Mr. came up this far on his way to Red River, when he was taken ill. He came on business connected with the estate of his deceased brother, who died about two years ago at Red River. As Mr. Ray was unable to proceed farther, he held a consultation with Attorney McKean and Sunday afternoon went to Cimarron on his way to the railroad, from whence he will leave for his home in the east.

Notwithstanding a widely current rumor that the Rev. Irl R. Hicks was dead, he never was in better health, and never did a harder and more successful year's work than that just closing. He has just completed his large and splendid Almanac for 1902 and with his staff of able helpers, has brought his journal, WORD AND WORKS, justly forward into international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer, and focimeter of atoms and the character of coming seasons. Never was his weather forecasts so sought after as now, his timely warning of a serious drought this year having saved the people from loss and suffering. Millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs so little and the benefits are so great. His free Almanac of 200 pages is only 25c, and his splendid family journal is only one dollar a year including the Almanac. Send to WORD AND WORKS, P. O. Box 2271, Lowell, Mass.

Subscribers for the Prospector at only \$1.50 per year.

Sincerely Yours,

The invasion of London by American visitors has reached unprecedented proportions and never before have there been so many wealthy Americans in the English capital. At one fashionable West end hotel a dozen multimillionaires are staying with their families, and money is being spent with a profuseness which the British "old nobility" must regard as demoralizing and deplorable.
