## Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

## TAKE CARDUI The Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women. Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.

Every sack of John R. Flour bears the trade mark shown on the cut opposite and our name in full. Such alone is genuine. Don't be deceived by an attractive sack or a grocer's statement that another brand is "just as good." There is only one "Best" and that is John R. A trial of one sack will prove every claim we make.

Among the gifts for ladies, the Prince store suggests kid gloves, handbags, manicure sets, toilet sets, box stationery and fancy neckwear. All these come in holly boxes and are very reasonably priced. Harvey Singleton is building the deck in the room in the First National Bank building, lately occupied by the News, and which will be the home of the News-Advertiser after January first. After Mr. Singleton has finished with the carpenter and cabinet work, Frank Rousseau will have charge of the electrical wiring and the placing of the heavy machinery. Mr. Rousseau says the work of moving the office will be accomplished with neatness and dispatch, and that the business of the office will not be interrupted for more than two days. Let us hope Frank speaks with the tongue of a prophet. The largest stock of toys and dolls is shown on display in toyland at the Prince store.

### Contest Closes Today

The El Paso Time subscription contest closes today, and Mrs. Gertrude Moody, the contestant from this county has secured 69,000 votes in the final count—a most excellent showing. Mrs. Moody has canvassed the entire county, with the exception of one or two of the far-away precincts, and has met with a warm reception in every instance. She is desirous of expressing her thanks to those who assisted her in her effort to obtain one of the prizes offered. As the contest is now closed, for as the field work is over, Mrs. Moody drops back into the capacity of a private citizen and no one need fear to meet her. She has nothing to sell and will not mention the El Paso Times to a living soul. The News-Advertiser congratulates Mrs. Moody. She has proven herself a capable and hustling subscription agent.
