### AFFAIRS OF INTEREST HERE AT HOME.

Go to Mrs. Stannard's for the latest styles in outing hats.

The "Battle of San Juan" will be the attraction in El Paso Sept. 27-28.

On Wednesday of this week Sheriff W. E. Baker sold his span of colts for \$112.50.

A. Hoffman, pastor Grace M. E. church, will preach for the last time in Alamogordo next Sunday evening, Sept. 23d. All are invited to attend.

Messrs. J. H. Laurie, Sheriff Baker, A. B. Phillips, Frank W. Lynch and Charles Roberts were passengers for El Paso Saturday, returning home Tuesday.

E. J. Dedman, the genial and efficient chief clerk to the superintendent of the White Oaks Route, left Sunday for Albuquerque to attend the Territorial Fair.

Rev. C. H. Ray, of Ranger, Texas, arrived in Alamogordo last Wednesday, where he will remain for several days conducting revival services at the Baptist church.

Millinery opening at Mrs. E. M. Stannard's, Oct. 3d and 4th. There will be a beautiful display of pattern hats and millinery novelties. All are cordially invited to attend.

J. W. Gould and J. D. York of Weed are in the city to deliver \$2,000 worth of goods to C. D. Brooks, who will hereafter keep them at the old Burleson ranch near the head of the Alamo canon.

The greatest and grandest, most elaborate, gigantic and gorgeous historical, military, musical and pyrotechnic open air exhibition ever produced, will be presented in El Paso, Sept. 27-28. See advertisement in this issue.

I. W. Brisow was arrested Monday morning, about eight miles west of town, by Deputy Sheriff Walters. He was brought to this city and turned over to Sheriff Cunningham, of Taylor, Texas, where he will be taken to answer two charges of stealing cattle some years ago. He has been at large since 1888.

F. Park Lee, of Roswell, New Mexico, a son-in-law of Mrs. A. C. James, spent several days this week in this city visiting Mr. and Mrs. James. While here Mr. Lee put in a good portion of his time talking up the Great Southeastern New Mexico Fair to be held at Roswell October 9, 10, 11 and 12, and also distributed a quantity of posters advertising the same. Mr. Lee's family have been visiting Mr. and Mrs. James for some time past, and they will accompany him home.

The New Mexico conference of the M. E. church convened at White Oaks last Thursday, Bishop Morrison presiding. The following are the appointments for the coming year: El Paso District, P. E. B. Goodson; El Paso station, A. Carter; Roswell, J. T. French; Garfield, M. L. Roberts; Alpine and Marfa, A.

Marston: White Oaks, L. L. Gladney; Peecos, T. L. Lalancie; Alamogordo, W. A. Dickey; Fort Davis circuit, George Ward Pinnasco circuit, Ed. Lebrinton.

Just as we go to press, it is learned that Catarina Harper, wife of John Harper, was foully murdered at about 3 o'clock Thursday afternoon at their home on Virginia avenue, between Sixth and Seventh streets. A coroner's jury has been empaneled, but as yet have rendered no verdict. There is no clue to the murderer at this time and no case can be assigned for the ghostly deed. The deceased was nineteen years of age. Full particulars will be given next week.

**Delegate to Congress.**

At this date it is not possible to say who the Republican nominee for delegate to congress will be; but whoever it may be, will, beyond doubt, be elected. The material growth and prosperity that has come to every interest in the territory as a result of the excellent and competent administration of national affairs by President McKinley and his advisers is thoroughly appreciated by the men of business, and the vote of the stock man, the sheepman, the merchant and the promoter of every legitimate enterprise will be cast for a Republican delegate from New Mexico as an endorsement of present conditions.—Carlsbad Argus.

It has been stated around town that the coming campaign will be a dirty one, and that this news will soon begin to abuse Mr. Staleup, democratic nominee for county clerk, because of Mr. Shepherd's connection with the paper. The statement is untrue. This paper will not abuse Mr. Staleup in any manner and will not conduct a mud-slinging campaign. Mr. Shepherd is too much of a gentleman to countenance anything of the kind and would rather lose the reputation of a snob.

Just as a suggestion: If the democratic paper would charge more for job work, there would be a little money in the treasury for occasional baths and laundry.

It is hard for a republican newspaper to open the campaign on its own party.

**Directors Elected.**

At the annual meeting of the stockholders of the El Paso & Northeastern Railroad company held at El Paso last Wednesday the following directors were elected: C. D. Simpson, H. P. Simpson, C. B. Eddy, Commodore Lowrey, W. A. Hawkins and A. S. Greig. The last two named are new members.

### IMPROVED MAIL SERVICE.

It has been provided for Otero and Lincoln Counties.

The postoffice department is making an effort to improve the mail service on the White Oaks railroad. When the old star routes from Las Cruces to Tularosa, La Luz to the Mesquero Indian agency and Fort Stanton, and from San Antonio to White Oaks and Lincoln were abolished, and the mail was first sent over the line of the El Paso & Northeastern railway, there was no mail clerk on the trains, and the mail had to be all sent in sealed sacks, and all mail for points north of Alamogordo had to be unloaded here and redistributed. As the train only made a short stop here the mail was frequently delayed and confusion ensued. Many persons declared that the service was infinitely worse than when it was brought by stage. Some of the post-offices failed to get their mail all for several days at a time, and to subscribe for a newspaper was worse than useless, as it seldom if ever was received.

As a result of the constant complaints received at Washington the postoffice department made an arrangement by which the Wells-Fargo express messengers on the train, and so the mail is distributed on the train in an effort still further to improve the service. Postoffice Inspector Carleton is now engaged in making several trips over the road with each of the new mail clerks in order to put them on their duties.

**P. S. Garrett a Candidate.**

After looking over the situation thoroughly Patrick S. Garrett, sheriff of Dona Ana county, has yielded to the solicitation of friends from different sections of the territory, and has consented to become a candidate for the nomination for delegate to the 57th congress on the Republican ticket, and will make the race if nominated.

**Beware of Ointments for Catarrh that Contain Mercury.**

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions of reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle.

Hall's Family Pills are the best.

If the above letters are not called for in two weeks they will be sent to the Dead Letter Office, Washington, D. C.

**Chamberlain's Cough Remedy a Great Favorite.**

The soothing and healing properties of this remedy, its pleasant taste and prompt and permanent cures have made it a great favorite with people everywhere. It is especially prized by mothers of small children for colds, croup and whooping cough, as it always affords quick relief, and as it contains no opium or other harmful drug, it may be given as confidently to a baby as to an adult. **Cured of Chronic Diarrhoea After Thirty Years of Suffering.**

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Halloway, of French Camp, Miss. "I had spent so much time and money and suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale by W. E. Warren & Co.
