## This is the Crop Year

Are all your fields earning you your share of this year's profits? With so splendid prospects it will not pay you to let an acre lie idle. Even a good hay or forage crop will be good money.

Get your seeds now before the supply is out and while there is time for the crop to make. A small quantity of Scotch Barley, San Luis Valley Peas, Alfalfa, Broom Corn Oats and Little Amber Cane. You'll make no mistake in putting five to ten acres in little amber. For hay it is superior to Siberian millet. It is the best of canes for this season.
