WRITE ME A LETTER

Anyone living in the Estancia Valley desiring to boost the country I wish to have them write me a letter saying where they came from to this country, how they like the country, what they think of its future. If a farmer tell me what your prospects for a crop are, etc.

These letters will be published collectively and sent back east to people making inquiries about the Estancia Valley.

Address me at Moriarty, N.M.
Respectfully,
Robt. H. Harper.

In buying a cough medicine, don't be afraid to get Chamberlain's Cough Remedy. There is no danger from it, and relief is sure to follow. Especially recommended for coughs, colds, and whooping cough. Sold by all dealers.

A RED LETTER DAY

September 5, 1911, is the day that will, in years to come, stand out pre-eminently in the minds of a hundred young men and women as the date on which they began their successful careers.

On that date the fall term of the Albuquerque Business College opens and this will be the banner year for this, the most practical school in the Southwest. The secret of the remarkable growth of this institution is the success of its graduates.

Of those who entered just one year ago, a large proportion are now occupying splendid positions with the leading firms of the Southwest. They have gone out, equipped with a practical training that is at once useful and remunerative.

A large class of enthusiastic young men and women will enter on Sept. 5th. Will you be one of them? Your inquiry will receive the personal attention of the manager. Write for information and catalog.

Be sure and take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with you when starting on your trip this summer. It cannot be obtained on board the trains or steamers. Changes of water and climate often cause sudden attacks of diarrhoea, and it is best to be prepared. Sold by all dealers.

W. A. Brumback, U. S. Court Commissioner will look after your Land Office business and do it right.

Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant to take. Sold by all dealers.

WHAT'S THE USE
