LOVE ABOVE TITLE SAYS ARCHDUKE

Ferdinand of Austria Renounces Succession to Throne for Sake of Marrying Girl He Loves. Vienna, Nov. 15.—Yet another Austrian archduke has renounced both rank and title to marry the woman of his choice. The Archduke Ferdinand Karl, brother of the heir presumptive, applied as long ago as 1904 to be allowed to marry Franziska Grotzer, the daughter of a Vienna professor of engineering, whom he met in 1900 at a ball in Prague. He was, however, persuaded by his late brother Otto during the last few years to postpone his decision, and spent his time largely in travel.

It is now stated that he lately again approached the emperor for permission to marry, which his majesty granted on condition that the archduke become a private citizen. The emperor consented to continue the allowance of \$2,250 to the archduke, but the latter must renounce his title, his rank as major general, his claim to succession to the throne and his seat in the Austro-Hungarian upper house, and take the simple name of Ferdinand Karl Burg.

The lady for whom the archduke has waited for over ten years is now 30 years old, and is distinguished for beauty and talent which brought her into the higher circles of society, though the family is of humble origin and possesses only moderate means. The Archduke Ferdinand Karl, who is very popular, is devoted to art, science and the theatricals.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine--

THEOPHILUS' BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, for digestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.
