\$6.50 RECIPE FREE FOR
WEAK MEN

Send Name and Address Today--You
Can Have It Free and Be
Strong and Vigorous.

I have in my possession a prescrip-
tion for nervous debility, lack of vigor,
weakened manhood, failing mem-
ory and lame back, brought on by ex-
cesses, unnatural drains, or the follies
of youth, that has cured so many
worn and nervous men right in their
own homes--without any additional
help or medicine--that I think every
man who wishes to regain manly
power and virility, quickly and quietly,
should have a copy. So I have de-
termined to send a copy of the pres-
cription free of charge, in a plain,
ordinary sealed envelope to any man
who will write for it.

This prescription comes from a
physician who has made a special
study of men and I am convinced it
is the surest-acting combination for
the cure of deficient manhood and
vigor failure ever put together.
I think I owe it to my fellow man
to send them a copy in confidence so
that any man anywhere who is weak
and discouraged with repeated fail-
ures may stop dragging himself with
harmful patient medicines, secure
what I believe is the quickest-acting
restorative, upbuilding, SPOT-TOUCH-
ING remedy ever devised, and so
cure himself at home quietly and
quickly. Just drop me a line like
this: Dr. A. E. Robinson, 4753 Luck
Building, Detroit, Mich., and I will
send you a copy of this splendid re-
cipe in a plain ordinary envelope free
of charge. A great many doctors
would charge \$2.50 to \$5.00 for merely
writing out a prescription like this
--but I send it entirely free.

Louis several times and Mountainair
twice. The Santa Fe shop boys be-
lieve that it is up to them to break
Belen's winning streak and they are
going down to the cut off town to win
if fast ball playing will turn the com-
bination.

The Happy-Go-Lucky's will play the
Shamrocks, a recently organized ball
club, at Hopewell park tomorrow af-
ternoon. Leo Murphy, southpaw, will
be in the box for the Haps.

MOHAN AND CHICO
BACK AGAIN

Well Known Fight Trainer
and His Protege in Albu-
querque; Bantam to Meet
Chavez End of Month.

Earl Mohan, premier conditioner of
fighters, battling Chico, Pacific coast
bantam, and Harry Atwood, a light-
weight, arrived in Albuquerque from
Los Angeles this morning. Chico
comes to fight Benny Chavez the lat-
ter part of this month. Chico knock-
ed out Chavez in the second round of
a ten round squabble on February 29
last, then Chavez turned the tables on
May 29 and pounded Chico until there
was nothing left of him but a grin and
a pair of black eyes. The coming
contest will be under the auspices of
the Moose club and will be staged in
the Elks' theater.

Mohan, who trained Bud Anderson
for his fight with Lesch Cross on
July 4 says Anderson lost because of
the attack of appendicitis and that
the Medford boy will be better than
ever when he recovers from the shock
of the surgical operation, which was
an entirely different affair than that
performed on Ad Wolgast. Mohan
believes Anderson will be better than
ever in six months.

Benny Chavez leaves Denver for
Albuquerque tonight. Chico and his
sparring partner, Atwood, work out
at the Moose club tomorrow after-
noon.

Chavez Stops Peppers.
Denver, Colo., July 19.--Benny
Chavez stopped Kid Peppers, of St.
Louis, in the first half of the second
round before a Denver audience last
night. Chavez outclassed the St.
Louis bantam from the first bell and
had him completely out on his feet
when the referee stopped the mill to
save Peppers from a knockout. Louis
Newman of Las Vegas stopped Lee
Morrisey of Oklahoma in the fifth
round. Morrisey quit, claiming the
altitude affected his lungs. In the
wind-up Frankie Whitney, of Cedar
Rapids, outclassed Phil Knight, of
Kansas City, and got away with the
decision.

U. S. TENNIS TEAM
WINS RIGHT TO
CHALLENGE

Devis Cup Aggregation Fights
Way Through Preliminary
and Will Go After Coveted
International Trophy.

[By Leased Wire to Evening Herald.]
Wimbledon, July 18.--The United
States Davis cup lawn tennis team to-
day fought its way through the final
round of the preliminary tournament
and by adding a victory over the
Canadian team doubles to the two sin-
gle matches won yesterday, gained
the right to challenge the English
holders for possession of the interna-
tional trophy.

Harold H. Hackett of New York,
and Maurice E. McLoughlin of San
Francisco represented the United
States in today's match and by bril-
liant team work scored in three
straight sets 6-3, 5-3, 12-10 from R. B.
Powell, the Canadian captain, and H.
H. Schwengers, the Canadian singles
champion. The matches in the chal-
lenge round are to be played accord-
ing to present arrangements, at Wim-
bledon, on July 22, 23 and 24.

The United States will be repre-
sented by McLoughlin and Hackett, R.
Norris Williams and Wallace F. John-
son.
The English defenders are C. P.
Dixon, J. C. Clarke, A. W. Gore and
H. Roper Barrett.

Hackett and McLoughlin captured
the first set in rather easy fashion.
The score followed the service until
the sixth game when the American
players broke into the sequence and
afterward the chances of the Cana-
dians were few. Hackett and Mc-
Loughlin did some surprisingly good
team work for a pair who had played
so little together.

Schwengers was especially brilliant
in his cross court, sending sev-
eral sharp rallies by placing the ball
out of reach of his opponents in the
furthest corner of the court. Mc-
Loughlin's smashing was again a fea-
ture of the match. Powell was
rather weak in this department. On
the other side Powell played con-
sistently for the Canadians and his
service gave the United States couple
some trouble.

Hackett and McLoughlin began the
second set well by breaking into
Schwenger's service. They took the
first two games. The Canadians were
somewhat wild and McLoughlin
exercised fine judgment in letting some "out"
balls go past him. Hackett's game
improved during the second set. The
Americans were masters throughout
and their opponents never had a
chance to take a real lead.

The third set became very monotonous
before some of the spectators
jokingly expressed the opinion that
the Americans were trying to give
them full value for their entrance
money. Neither McLoughlin or
Hackett seemed to exert themselves.
All the players except Powell were
spikes and in consequence the beau-
tiful court was in bad condition before
the end of the match, one result being
that McLoughlin's usually killing
smashes were so slow in the hand
that they were frequently returned.

Lad for Whom White Sox

Initial Game in Major League
Is Over.

[By Leased Wire to Evening Herald.]
Chicago, July 19.--Larry Chappelle,
the youngster purchased by the Chi-
cago Americans for \$18,000 spent a
nervous afternoon in centerfield at the
Southfield park yesterday. It was his
first appearance in White Sox uni-
form and he sighed with relief at the
last putout.

"Breaking in is no cinch," he an-
nounced at the club house. "So much
had been written about me that I felt
like I was expected to pound out a
home every time I went to bat. I
was unlucky enough to make my bow
with Chief Bender on the slab and go-
ing was not good. I was nervous be-
cause I was being watched and so
perhaps I did not do as well with the
stick as ordinarily. That will wear
off in a hurry."
