NO WORD FROM ELECTION IN MEXICO TODAY

Only Two Percent of Population in District Controlled by Huerta Government Said to Have Voted.

CARRANZA AND VILLA GETTING TOGETHER

Banquets Take Place of Threats and Speakers Congratulate Constitutional Chief as Near President.

Mexico City, July 6.—The returns of yesterday's elections were not obtainable up to noon today. It was ascertained from official quarters, however, that only two per cent of the population had voted in the states controlled by the government.

NOT IN HUERTA'S CONFIDENCE, SAYS PRESIDENT WILSON

Washington, July 6.—President Wilson today refused to comment on yesterday's election in Mexico. "I am afraid I am not in his confidence," he said, when asked if he knew anything about General Huerta's plans for leaving Mexico.

CARRANZA WINS VICTORY IN SALTILLO CONFERENCE

Saltillo, Mexico, July 5, via Laredo, July 6.—The division of the north, Villa's army, has agreed to acknowledge the authority of General Carranza as "first chief," and General Villa will remain commander of the division of the north as a result of the conference in Torreon between representatives of Villa held here.

CONFERENCE HAS BEGUN ITS WORK, IT WAS SAID, THE TWO POINTS AGREED ON BEING THE FIRST PRESENTED FOR CONSIDERATION IN AN ATTEMPT TO DEAL WITH THE BREACH BETWEEN THEIR CHIEFS.

That these first and important points were agreed on with such little delay has caused a feeling here that other points settling the differences between General Carranza and General Villa will be decided with equal ease.

THE POINTS AGREED ON REPRESENTED CONCESSIONS BY BOTH SIDES, IT WAS SAID. GENERAL VILLA, ACCORDING TO THE NEWS HERE, WILL WITHDRAW HIS RESIGNATION AS COMMANDER OF THE NORTHERN DIVISION. GENERAL CARRANZA WILL WITHDRAW HIS ACCEPTANCE OF THE RESIGNATION.

The division of the north, including its fifteen generals, will reaffirm their loyalty to Carranza as "first chief" of the constitutionalist army.

NO CHANCE FOR REPLY UNTIL VILLA IS PACIFIED

Washington, July 6.—Jose Vasconcelos, one of the constitutionalist junta, will leave tonight for Saltillo to represent to General Carranza the attitude of the United States on mediation and plans for the resumption of business in northern Mexico.

VILLA SIDESTEPS ON THE VIXED CURRENCY MIX-UP

El Paso, Tex., July 6.—The disposition of several millions of pesos in constitutionalist flat paper over which Carranza and Villa agents have been disagreeing here was unsettled today. General Villa telegraphed an apparently evasive answer to the complaint sent him yesterday by Roberto Pesquera, Carranza's confidential representative.

PROTECTION EXTENDED TO SPAIN AND SWITZERLAND

Washington, July 6.—The agreement between the United States and Great Britain to protect mining properties in Mexico will be extended to include Spanish and Swiss property. Mr. Riano, the Spanish ambassador, today asked Secretary Bryan to admit his country as well as Switzerland to the compact.

THIS MEANS THAT GREAT BRITAIN, THE UNITED STATES, SPAIN AND SWITZERLAND WILL NOT SUPPORT DIPLOMATICALLY ANY CLAIMS TO INTERESTS IN MINING PROPERTY ACQUIRED BY THEIR NATIONALS SUBSEQUENT TO JANUARY 1, 1913, WHICH ARE AFFECTED BY CANCELLATIONS OR CONFISCATION RESULTING FROM THE INABILITY OF BONA FIDE OWNERS TO MEET OBLIGATIONS BECAUSE OF MILITARY OPERATIONS.

Washington, July 6.—Santiago R. Winfield, an agent of the Mexican constitutionalist treasury department, was charged with embezzlement in a warrant issued here today and transmitted to the police at El Paso. Winfield was the Carranza inspector at

the printing of 5,000,000 pesos in constitutionalist currency. When he shipped it to El Paso, Carranza agents here secured an injunction to prevent its delivery to him, contending he intended to deliver it to Villa. The warrant followed; the injunction proceedings still is pending.

ALREADY CONGRATULATING CARRANZA AS PRESIDENT

Saltillo, Mex., July 5, via Laredo, Texas, July 6.—Henry Allen Tupper, president of the international peace forum, speaking today at a banquet given to Venustiano Carranza, by Saltillo citizens, paid a tribute to General Carranza and Pablo Gonzales and said he hoped soon to congratulate General Carranza as president of Mexico.

General Carranza, in a short address, made no mention of present conditions, confining himself to tributes to Saltillo and an outline of causes tending to the revolution.

SPANISH REFUGEES TAKE REFUGE UNDER OUR FLAG

Tampico, Mex., July 5, via Laredo, Texas, July 6.—American Consul Miller, acting as Spanish consul, today was informed that a large number of Spanish refugees from Monterey and other points north were coming here to place themselves under his protection until they could leave the country. It is understood here that the Spanish government will send the steamer Alfonso XIII, from Havana to receive the refugees.

HEAVY FIRING REPORTED IN VICINITY OF GUAYMAS

On Board U. S. S. California, Matatlan, Mex., July 5, by wireless via San Diego, Cal., July 6.—Heavy fire-fighting was reported from Guaymas tonight. Reports that the constitutionalists were preparing to take the town have been current recently.

As a mark of courtesy the federal gunboat Guerrero dressed ship yesterday and joined the American warships in firing the national salute.

FAMILY OF FOUR IS WIPE OUT BY MURDERER

Chicago, July 6.—A family of four was wiped out by blows from an axe in their home in the German settlement of Blue Island, a suburb, last night. The victims were Jacob Neesla, a German laborer aged 72 years; his wife, 65; their daughter, aged 24 years; and the latter's infant child.

Ghastly Slaughter of German Laborer and Family in Blue Island, Chicago Suburb Last Night.

Whether the butchery was the work of a maniac or of a person seeking revenge was not disclosed in the first cursory investigation. It was learned that the young mother had been living away from her husband for a year and efforts to find him were begun.

THE MURDERER, ACCORDING TO BENJAMIN KNIGHT, CHIEF OF POLICE OF BLUE ISLAND, PROCEEDED WITH GREAT DELIBERATION.

Nothing was taken from the house. It was the home of a laborer and a few trinkets, the inmates boasted were of slight value.

THE CRIME WAS DISCOVERED BY JACOB NEESLA, JR., A SON OF THE OLD COUPLE. HE TOLD THE POLICE HIS SISTER'S HUSBAND'S NAME WAS HAMILTON.

This afternoon a corrected list of the victims was given out as follows: Jacob Neesla, 72 years old, street sweeper.

Mrs. Anna Neesla, wife of Jacob Neesla, 47 years old.

Martha Mansfield, 24 years old, daughter of above.

Two-year-old daughter of Mrs. Mansfield.

Bloody finger prints on the axe handle were photographed. Search was instituted for William Mansfield, husband of Martha, who is alleged to have deserted her a year ago, and for Michael Chelawinski. The latter was compelled to vacate the Neesla house three weeks ago by the landlord in order to make way for the new tenants. He is said to have uttered threats against the landlord and Neesla.

Twenty-nine persons have been murdered in the last three years in Missouri, Kansas, Colorado, Iowa and Illinois by means of blows from an axe.

The details of most of all the murders are the same and in most cases were committed at night while the victims lay asleep in their beds, and in each instance the murderer left but slight clues.

A list of the so-called "axe murderers" follows:

Mr. C. Wayne, wife and child and Mrs. A. J. Burnham and two children, Chicago, Ill., Feb. 1911.

William E. Dawson, wife and daughter, Monmouth, Ill., October, 1911.

William Showman, wife and three children, Ellsworth, Kan., October, 1911.

Rollie Hudson and wife, Paola, Kan., June, 1912.

J. H. Moore, four children and two girl guests, Villisca, Iowa, June, 1912.

Mrs. Mary J. Wilson and Mrs. George Moore, Columbia, Mo., December, 1912.

Jacob Neesla, his wife, their daughter and the latter's infant child, Chicago, Ill., July 6, 1914.

IOWA BLUE SKY LAW HELD UNCONSTITUTIONAL BY UNITED STATES COURT

[By Leased Wire to Evening Herald.] Des Moines, Ia., July 6.—Iowa's so-called blue sky law, providing for the regulation and supervision of investment companies, was held unconstitutional in a per curiam opinion handed down today by Walter I. Smith, United States circuit judge, and Smith McPherson and John C. Pollock, United States district judges. Although the measure was attacked on five different grounds, the judges cited only two specific instances wherein the law is invalid, as follows:

It offends against the commerce clause of the federal constitution. Grants privileges and immunities to citizens of Iowa denied to citizens of other states.

The request of the petitioners for an injunction to prevent W. E. Allen, secretary of state, and George Cosen, attorney general, from enforcing the law, is granted by the court.

HOT FIGHT STARTS FOR THE PRESIDENCY

Women Favor Southern Man Because He is Their Advocate. Carnegie May Give Hundred Million for Libraries.

By Leased Wire to Evening Herald.]

St. Paul, Minn., July 6.—Given a cultivated, trained teacher of sound mind and body, who goes to work at peace with God and man, the school will be the best place in the world for the growth of the child in practical righteousness and American citizenship.

This was the declaration of Joseph Swain, president of Swarthmore college and president of the National Educational association, at the first general session of the association's annual convention here today.

The session was devoted principally to a discussion of the teacher's relations to American citizenship.

DAVID STARR JORDAN LEADS FOR PRESIDENT

St. Paul, July 6.—Adherents of Dr. David Starr Jordan, of Leland Stanford university, candidate for the presidency of the National Education association, were given new hope today when it was announced that President Swain would have the power to appoint members of the nominating committee to represent any state from which two delegates were

This action gave the administration a degree of power that had not been counted in its favor and caused consternation among the delegates from southern states who are supporting Professor David B. Johnson of Rockhill, S. C. Interest in the campaign conducted by the friends of the two candidates was at fever heat, and the election tonight of members of the nominating committee representing the various states was eagerly awaited.

Women made their appearance in the campaign today, some of them openly declaring that they were not in favor of Professor Johnson's election because he did not fairly discriminate between men and women teachers.

The convention got well under way today, several departmental meetings being held in addition to a general session which was given over principally to a discussion of a teacher's relation to American citizenship.

Mr. Claxton said he had talked the matter over with Mr. Carnegie and although he had not the authority to say Mr. Carnegie will do as the sum desired, the matter was all received by the steel magnate.

The commissioner's advocate the system of central county libraries with several branches from each. He is confident the Carnegie millions will result in successfully carrying out the plan.

A federal bureau of education with a portfolio in the president's cabinet and the adoption of uniform standards to determine the qualifications of teachers, superintendents and members of school boards were recommended by E. S. Innes, superintendent of public schools of Ishpeming, Mich., at a meeting of the national council. The proposal was vigorously applauded.

Josephine C. Preston, Olympia, Wash., state superintendent of public instruction of Washington, who presided at the discussion of "Harmonizing Vocational and Industrial Training," declared the new platform of education in the United States called for a readjustment of the curriculum to prevent thousands of pupils from quitting school before they reach high school. She declared the new system must not deprive the ten per cent of the school population of a classical education, but it must be a system that will fit the 90 per cent to do the world's work efficiently. All pupils should be especially educated for citizenship, she said.

No-Readers of Advertising Do Not Buy Inferior Goods for the Sake of Securing Price Reductions

There's a mistaken idea, held by some people, that the readers of "ads." who buy goods in the light of facts gleaned from their ad-reading, are lured by mere claims of "price reductions," etc. And that these people, in pursuit of bargains, are the victims of manipulated prices, and of substituted goods.

The answer to that idea is this: That people who read the "ads" become BETTER INFORMED ABOUT GOODS, PRICES AND VALUES THAN ARE NON-READERS OF "ADS." They are never "lured" by a mere price attraction, for they KNOW VALUES. And the merchants "know that they know." Of course, in this city, the merchants are high-minded business men, who would scorn to make a PRETENSE OF VALUE GIVING. ANY MERCHANT WHO FAILED TO BE FRANK AND CANDID IN HIS ADVERTISEMENT WOULD SOON HAVE TO GO OUT OF BUSINESS—for he would get no patronage at all from the readers of "ads."

Students of the "ads" simply use more business judgment in their buying than others—that's the sum of it all!

NET SEEMS TO BE DRAWING IN ON MRS. CARMAN

Was Seen to Enter Husband's Office and Answer Telephone Just Before the Mysterious Shooting Occurred.

CARMAN'S DOUBLE ALSO OBJECT OF MURDERER

Friend Said to Resemble Doctor Shot at by Unknown Man as he Whizzed by in Motor Revolver Bullets Found.

By Leased Wire to Evening Herald.]

Freeport, N. Y., July 6.—The inquest into the death of Mrs. Louisa Bailey, wife of a New York manufacturer, who was shot and killed last Tuesday night while in consultation with Dr. Edwin Carman, a prominent Freeport physician, in his office, was resumed today.

Assistant District Attorney Weeks exhibited an unopened box of 38-caliber revolver cartridges, which he said he had found in the attic of this Carman home. Dr. Carman told him, said Weeks, that he did not know how the cartridges came to be in his home. A 38-caliber bullet killed Mrs. Bailey.

The first witness called today was Celia Coleman, a negro maid in the Carman home. She began her story by telling who was at the dinner table on Tuesday night. The witness said Mrs. Carman complained of having a headache and said she was going upstairs.

She admitted having talked with George Leary, Mrs. Carman's attorney, the morning after the murder. She insisted that no one else was present at the conference.

The district attorney then asked if she had not told him previously that Mrs. Carman was present. The witness said she did not remember.

W. J. Hoff, Jr., of Lynbrook, near here, who strongly resembles Dr. Carman and drives an automobile of the same type, reported to the Freeport police that early this morning, while driving his machine got far from where Dr. Carman was fired on last night, a man standing beside the road fired one shot at him. Hoff is a friend of Dr. Carman.

Mrs. Jennie Lurvey, mother of Mrs. Bailey, testified her daughter had been complaining of feeling bad and that it was she who urged her to go to a doctor. William D. Halper, husband of the murdered woman, said his wife had not complained to him of feeling ill and was not aware that she ever knew of Dr. Carman.

Miss Hazel Combs said she arrived at Dr. Carman's house about 7 o'clock and saw Mrs. Carman walking around the house, and saw her admit a man patient (Golder) and go into Dr. Carman's office to answer the telephone before the doctor came out of the dining room.

Mrs. Carman denied on the stand she ever entered her husband's office since she saw Mrs. Variance, the nurse, kiss him.

Charles Anderson, a negro youth, testified that as he was passing the Carman house about 8 o'clock last Tuesday night he heard a report he thought was caused by a firecracker. He looked in the yard and saw a man running toward the back fence. The man jumped over the fence and Anderson later saw him emerge from an alley in the next street.
