A SIGNIFICANT UTTERANCE.

MURAT HALSTEAD, the brilliant, coruscating, erratic and variable Republican politician, who had to leave Ohio because he tried to smirch the reputation of good men, is a man whose love for notoriety never allows him to keep silent.

Mr. HALSTEAD has not had much to say on the Election Law until now. He has spoken and in an article full of sensation and mean abuse and brilliant misrepresentations of the South, he takes ground against the Federal Election Law.

It is stated on authority not to be lightly regarded that perhaps there will be no Federal Election Law. From the first it has been clear that this was a matter upon which Republicans were not united.

A FEATURE OF THE RACE PROBLEM.

The Chicago Inter-Ocean presents some figures which show the practical progress and prosperity of the negroes in the South. The Inter-Ocean does not print them as an evidence that justice is meted out to the negro in the South, but no stronger evidence could be offered.

In Alabama the negroes own \$9,200,125; in Arkansas, \$8,010,315; in Florida, \$7,900,040; in Georgia, \$10,415,330; in Louisiana, \$18,100,528; Kentucky, \$5,900,000; Mississippi, \$13,400,213; Maryland, \$3,900,735; North Carolina, \$11,010,672; South Carolina, \$12,500,000; Texas, \$15,010,545; Tennessee, \$10,400,211; Virginia, \$4,900,000; West Virginia, \$5,006,731.

The total amount of the property in the United States owned by colored churches is valued at \$16,310,441, and the total amount of the property in the United States owned by colored persons is more than \$263,000,000, over one-half of which is held in the Southern States.

These figures prove that the negro needs no special legislation to secure his rights in the South. The words of HENRY GRADY in his famous Boston speech constitute the most eloquent and unanswerable argument to add force to the above figures.

Can it be seriously maintained that we are terrorizing the people from whose willing hands come every year \$1,000,000,000 of farm crops? Or have robbed a people, who twenty-five years from unrewarded slavery have amassed in one State \$20,000,000 of property? Or that we intend to oppress the people we are arming every day?

LEACH & ANDREWS, --Ice Manufacturers-- RALEIGH, N. C. Having recently completed a plant, with the most modern and improved machinery for the manufacture of ice, we are turning out the prettiest, clearest and firmest ice that has ever been manufactured in this country. Every block being of uniform size, it packs in the car closely, and will suffer less loss in transportation than either natural ice or that manufactured by the old process. As to purity, we challenge comparison. Every gallon of water we use is first evaporated into steam under a pressure of one hundred pounds to the square inch and condensed before freezing, thus insuring water as pure as it comes from the clouds. Card-load quantities on short notice. Full weights and careful packing guaranteed. Address: LEACH & ANDREWS, Raleigh, N. C.
