SATURDAY, MAY 30, 1891.

THE REPUBLICAN PARTY AND COUNTY GOVERNMENT.

During the recent session of the Legislature, Mr. JETER C. Pritchard, the Republican leader in the House and one of the most skillful politicians in the State, stated that in the future the Republican party in North Carolina would treat the question of county government as settled, and would not seek to have a change made in the present system.

President HARRISON has caused it to be notified to Mr. PATRICK that he has fixed June 10th as the day upon which he will receive the Committee appointed by the Industrial and the Northern Settlers Convention to extend to him an invitation to visit the Southern Exposition during its continuance, and at that time address the people of the South.

WHAT WE PAY FOR PENSIONS. The expenditures for pensions for the year ending June 30, as now officially stated, amounted to \$109,357,534. In the previous year we paid \$87,644,779.11, while in the year before that we paid \$80,288,508.77.

WE DO NOT DENY THAT there are some prominent gentlemen in the State who affiliate with the Democratic party who are Protectionists. But they are made so by self interest and most of them own mines or factories which are "protected," and they are enabled to place a tax upon the consumers for their own benefit.

WE PUBLISH in to-day's CHRONICLE a letter from W. H. MALONE, Esq., of Asheville, to J. B. EAVES, Chairman of the Republican Executive Committee, and a reply which show that these two Republicans do not advise abandoning the county government question.

MR. EAVES is no fool. He and all other Republicans in North Carolina understand that there are wide differences in the Democratic party. Every candid Democrat is bound to confess that a crisis confronts the party.

Understand that there are wide differences in the Democratic party. Every candid Democrat is bound to confess that a crisis confronts the party. If there is a disposition to subordinate personal views to the success of the party and the repeal of iniquitous legislation which burdens the people—a willingness "to give and take" in order to secure genuine and needed reforms—the Republican hope of success will turn to ashes.

WE HOPE HE WILL COME. President HARRISON has caused it to be notified to Mr. PATRICK that he has fixed June 10th as the day upon which he will receive the Committee appointed by the Industrial and the Northern Settlers Convention to extend to him an invitation to visit the Southern Exposition during its continuance, and at that time address the people of the South.

WHAT WE PAY FOR PENSIONS. The expenditures for pensions for the year ending June 30, as now officially stated, amounted to \$109,357,534. In the previous year we paid \$87,644,779.11, while in the year before that we paid \$80,288,508.77.

News From Above.

The latest intelligence from the upper regions, that is to say, from the top of the Blue Ridge, is that the new and elegant hostelry of the Green Park Hotel Company, at Blowing Rock, N. C., will be ready for the entertainment of guests on the 20th of June.

The proprietors are sparing neither money nor efforts in their endeavor to make this the most popular resort in the mountains of North Carolina, so that our friends may be assured that the

COMFORT AND PLEASURE of guests will be provided for in a manner superior to anything yet experienced in that part of the mountain country.

At considerable expense, a tentatively illustrated SKETCH BOOK descriptive of Green Park, Blowing Rock and vicinity has been issued by the company, which will be sent free on application, together with any other information desired.

One great desideratum has been provided for, and that is a house comfortably heated throughout, where, or the weather is cool. Address: GREEN PARK HOTEL CO. may 19-cod-11. Blowing Rock, N. C.

THROUGH SCHEDULE TIME.

Our line of Summer Comfortables for Men and Boys, Light-Weight Suits, Separate Coats, White and Fancy Vests and scores of Ironers, in fact, everything calculated to keep you cool during hot weather. Our Spring Stock was far superior to anything shown about here, and our line for Summer will stand the test of the most skeptical; better cast your line in our waters; you'll only stand "ankle deep" in price; but you land the choice fish; some styles that almost everybody has got; more that are our own, and they can't get it. You don't object to a little exclusiveness of patterns.

Shepherd Plaid, Four-Button Cut-Away Sack Suits are among the most popular for young men. Feather-weight Black Cloth Worsteds Suits are the thing for gentlemen of quiet tastes. Then the hundreds of styles in Light-Weight Coats and Vests with neat patterns of Trainers make up enough neat and tasty suits to suit everybody.

The Best of 'Em Are Right Here.

White and Fancy Vests are the correct styles now, with the fashionable dressers. Our line is complete. They come in single and double breasted, White and Black Patterns, Stripes, Checks, Dots and Plaids, \$1 to \$5.

NEGLIGEE SHIRTS go at the rate of 210 a minute. Nothing more popular in our House, and here is the line.

SUMMER NECKWEAR is Here. Needs no Description It Speaks for itself. SEE THE NEW STYLES. These are "quick glances at what people call on us for. Ask for anything you need and expect to find it.

S. & D. BERWANGER.

WHY PEOPLE SHOULD PATRONIZE J. Hal. Bobbitt's Soda Fountain.

BECAUSE: He pays attention to it. He advertises. He uses the best Fruit Juices. He uses the best Sugar. He uses the best Carbonated Water. He employs competent and agreeable service.

It is because there is a niceness that is apparent in all the appointments. The fountain is packed with ice and is kept clean. The counter is kept clean; the glasses are kept clean.

There is, each Day, a Card-List of Flavors. People want things NICE, especially in the matter of luxuries. Soda is a luxury; therefore DRINK SODA AT BOBBITT'S. FAYETTEVILLE STREET, Raleigh, N. C.
