Gentlemen:—I take great pleasure in adding my testimony to the worth of your Anticephalalgine as a specific for headache in all forms. Gentlemen:—Some days ago I was suffering from a headache, so intense as to force me from my business, but upon obtaining a dose of your "Anticephalalgine" was so much relieved as to be able to remain at my post of duty.

It is a fine remedy, and I trust that you may make its merits known to sufferers and the public. Yours truly,

Carson's Riverton Woodburned Lime. Dealers, Builders, Tanners, Paper-Makers say — IT IS THE BEST. —

One dealer writes to the manufacturers as follows: "We take great pleasure in assuring you that we are selling to all the principal contractors and builders in our city, and shipping a good deal to neighboring towns, with entire satisfaction to all. We consider it the best lime in our market. We find the barrels larger and in better condition than other brands we have sold, and have never had to pay out a cent for overage on our barrels."

Another writes: "We have been handling your "Riverton" Lime for the last four years at the rate of from 3,000 to 10,000 barrels per year, and consider it the best we have ever handled. It stacks quickly and is free from core, lumps and specks. For general use there is none better."

Another writes: "We have handled thousands of barrels of your Centennial Lime in the last six or seven years, and take pleasure in recommending it to the public. It stacks up well and quick, is very white and free from impurities."

SALE OF LOTS.

One week ago we commenced the sale of building lots in Northeast Raleigh, on the monthly payment plan, or allowing the purchaser to pay one-fourth the price cash and carry the balance along as forty years at 6 per cent.

This proposition astonished the natives, and when they saw the lots and prices they were still more astonished. The result was that we sold more building lots last week than we ever sold in Raleigh in the same length of time. More are going to be sold this week. There were only ninety-five of them—they will be all gone in a few days more. The purchasers are among the best people of Raleigh. We are not selling to any but good people. All white. If you would like to see these lots, let us know, and we will wait on you instantly. Don't look at them unless you want to buy; for you can't help it when you once see them and find how low they are offered.
