OUR BUSINESS.

THE PAST. We've had a most remarkably good season. Of course that interests you only in so far as it proves that the community is of the same mind as yourself—that we were equipped with the three factors that hold trade together—Quality, Variety and Low Price.

THE PRESENT. Business is hanging on like the rain. It wouldn't surprise us if nothing was doing. But we've kept fuel on the fire. Nothing makes your enthusiasm kindle so brightly as chippings off the price-block.

THE FUTURE. 'Tisn't too early to push the door ajar and peep into the future. The stage is being prepared for the drama of Fashion, and the settings are royally rich.
