A REMARKABLE LETTER.

OFFICE OF F. A. GULLEDGE. VERBENA, ALA., Aug. 31, 1896.

Dear Sir:—In reply to yours of the 29th inst., I will say that I freely endorse all you or others have said or could ever say about Johnson's Chill and Fever Tonic. Two months ago father who is 85 years old, was stricken down with Bilious Fever, and came near dying. I began at once with the Tonic giving him a dose every two hours. I called in our family doctor and told him what I was doing. He said it was the right treatment and advised that I continue it. He called again the next day and saw the effect of the Tonic and gave nothing himself. Within a week my father was able to walk about the house. I persuaded him to take a second bottle and under its use he has grown strong. Although 85 years old on the 24th of last June, he has to-day taken a horseback ride of six miles unattended. This is only one of many remarkable cures performed by the Tonic that has come under my personal observation in the last 24 years that I have been selling the Tonic.

If this remarkable medicine cost \$5 a bottle and could only be obtained in London, there would be widespread interest manifested in it and vigorous efforts made to obtain it. But the fact that it sells for 50 cents a bottle and is returned if you are not pleased with the medicine, lead many people to overlook it altogether. I use it in every case in my own family and in my own immediate influence. Don't think that I have ever been called on to refund the purchase price of a single bottle. Had one customer who came sixteen miles for a bottle last week. Yours very truly, F. A. GULLEDGE.
