The editor of this paper will be pleased to know that there is at least one reliable cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only cure now known to be a constitutional disease. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous tissues of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The cure is so simple that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Cheney & Co., 1101 N. 1st St., Sold by druggists, 75c. In Memoriam.

Whereas, It has pleased Almighty God, in His infinite wisdom, to call to His Heavenly home our esteemed brother, Charles B. Council, and thereby removing from our fraternal band a most true and faithful friend and member, therefore be it Resolved:

That the members of Oak Camp No. 536 Woodman of the World extend our heartfelt sympathy and consolation to the family and relatives of our brother, during this their sad hour and affliction, and be it further Resolved:

That a copy of these resolutions be sent to the bereaved family, a copy spread on the minutes of the Camp and a copy sent to the "Sovereign Visitor" for publication.

LOCAL NEWS.

Items Gathered From the Town and Country.

The show will be here Saturday. Our farmers say that cotton is coming in rather short.

If you want the Ford car you might do a little work and win it. The good price being paid for cotton goes to make up for the short crop.

The county commissioners and good roads commissioners meet at Halifax Monday.

The Edgecombe county fair will be on next week. See advertisement in another column.

Most heaters waste half your fuel. Cole's Hot Blast Heaters save and use that wasted portion.

Look out for the fellow that has to carry the children to the circus Saturday to see the animals.

Cotton has been selling pretty close to 14 cents again the past week. Good. Let it go on up.

We call attention to the local advertisement of Mr. Bennett Allsbrook about his recipe for keeping sweet potatoes.

The furniture for the new post-office has been put in place and it is expected that mail will be delivered from the new quarters Saturday.

Scotland Neck now can boast of as nice post-office quarters as any town in the State. We can now point to our postoffice with pride. All call boxes have been dispensed with by the government, and now it will be necessary to have a lock box or get your mail from the general delivery. There has been provided something like three hundred nice lock boxes and keys will be used.

The Round Table Club.

The Round Table Club was entertained Saturday afternoon Oct. 18 by Mrs. W. R. Bond.

The meeting adjourned to meet with Mrs. Kitchin Nov. 1st.

Oak City Items.

Oak City, Oct. 27.—Another sad death occurred in our vicinity last Saturday morning, October 25th, when the Angel of Death passed over the home of Mr. Whit Hyman taking his wife, Mrs. Elizabeth Hyman, to her long last sleep after a lingering illness of many months. Mrs. Hyman was in her 57th year. She was industrious and well loved with a bright smile always for every one. Besides her husband, she leaves a sister, Mrs. H. K. Harrell and two brothers. The funeral service was conducted by Mr. Smith, of Robinsonville. She was buried in the Buck Sherrod cemetery with the relatives of her husband. The floral tributes were very fine.

Miss Minnie Smith, of Plymouth, is the guest of Miss Chloe Bennett.

Misses Nannie and Pearl House spent the week end in Robinsonville. Mr. Jim Grimes, of Robinsonville, spent Monday here.

Miss Jefferson House and Herman Rawls spent Sunday in Robinsonville.

Mr. Jim Flemming, of Greenville, was here on business Monday. S. E. Hines was in Tarboro Monday afternoon.

Mr. and Mrs. J. L. Hines drove through the country to Tarboro Monday.

Misses Malissa and Mary Worsley have returned from Raleigh.

Wait Paint.

There are painters and waiters. Which am I to do? Paint or wait? Which is better?

How much am I worth with my property waiting? How much if I paint? Will my house be worth more or less if I paint?

Say it costs \$2.25 a gallon Devoe—I wouldn't paint any other—and \$3 or \$4 for putting it on. That is \$50 or \$60 a 10-gallon job. The money is gone. Is it in the house?

Suppose I were selling; what should I get for that house fresh-painted and what should I get for it needing paint?

I wonder why men paint before selling!

CIRCUS SPIRIT IN THE AIR.

Downie & Wheeler Magnificent Outfit Has Revived The Enthusiasm.

With a fanfare of trumpets, a flaunting of banners, a blare of music from many bands, and snappy step of highbred steeds, the parade of the Downie and Wheeler Shows will capture the streets of Scotland Neck next Saturday. Open dens of jungle beasts, groups of funny faced fools, beives of beautiful ladies, athletes from all parts of the world in their fantastic costumes will vie with each other to win your approbation. It will be a big day and your friends will be in the crowd. After the big parade there will be free exhibitions at the show grounds and the side show orators busier than William Jennings Bryan or Teddy Roosevelt on a swing around the states campaign year. If you have tears to shed stay away from Scotland Neck circus day for it will be no place for a "dead one." The afternoon and evening will be taken up with performances in the big tent where the artists of the world will risk life and limb to amuse you and the army of very funny clowns will make you forget the mortgage. There are over one hundred of the world's best performers with the Downie and Wheeler Shows. No department has been over-look in the line and there are trained ponies for the little ones, massive educated elephants, trained wild beasts, acrobats, leapers, aerialists, jugglers, contortionists, daredevils, high school riders, bare-back riders and in fact every thing that can be conceived and many things that you would never think of. Get up early Saturday and watch the trains come in, see the tents rushed into the air and notice what a wonderful system is used in building and tearing down this tented city each day. Nov. 1st is the big day. Will you be out?

Mrs. J. W. Robertson Dead.

Our community was pained and shocked Tuesday morning about 8 o'clock when the death of Mrs. J. W. Robertson was reported on our streets. Mrs. Robertson had not been well for several weeks but was feeling about as usual that morning after breakfast when Mr. Robertson left home to come to his store, but he had hardly arrived at his place of business before he received a message to come home at once and before he could get there his wife was dead.

Mrs. Robertson leaves a husband and five small children, the youngest being about four months old, a father and mother, Mr. and Mrs. T. L. House, and brothers and sisters. To them all we join the community in extending deep sympathy in this their hour of sorrow and grief.

The burial took place at Kekukee church Wednesday at 11 o'clock, the funeral being attended by a large crowd of relatives and friends. The service at the grave was conducted by Elder W. B. Strickland.

Miss Leggett Entertains.

Tuesday afternoon Miss Maude Leggett entertained the two bridge clubs of the town in honor of Miss Anna Clark, whose marriage occurs next week.

A number of games were played, Mrs. Chas. L. McDowell making the highest score. At the conclusion of the games Miss Leggett presented Miss Clark a beautiful hand embroidered linen shirtwaist.

A delicious salad course was served by Misses Anna Kitchin and Hattie Leggett.
