WEINBURG, ALLEGED SAN FRANCISCO BOMB DRIVER, ON TRIAL

SAN FRANCISCO, March 27.—Israel Weinburg, jitney bus driver is on trial here today on the charge of complicity in the suitcase dynamiting here during the Preparedness Parade last July, which killed ten persons and wounded fifty.

Weinburg is the third of the five persons indicted in connection with the case, to go to trial. The first two trials resulted in convictions. Thomas J. Mooney is under sentence of death and Warren K. Billings has been sentenced to life imprisonment. Mrs. Rena Mooney, wife of the convicted man, and Edward Nolan, former organizer of the machinists union, have not yet been tried.

The part Weinburg is alleged to have played in the dynamite outrage is the transportation of the alleged conspirators to Steuart and Market streets, where the fatal bomb exploded. It was Weinburg's jitney bus, driven by Weinburg which the prosecution asserts carried Mooney, Billings, Mrs. Mooney and a man with a scraggly mustache to that corner. Weinburg and Mrs. Mooney are alleged to have waited in the jitney bus while Mooney, Billings and the mysterious man planted the bomb.

CAN'T LOSE HAIR

Twenty Years from Today a Baldheaded Man Will Be an Unusual Sight.

One of the most prominent druggists of America made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press.

He said: "If the new hair grower, Mildredina Hair Remedy, increases its sales as it has during the past year, it will be used by nearly every man, woman and child in America within eight years."

"When Mildredina Hair Remedy is used almost universally, dandruff will disappear and with its departure baldness, itching scalp, splitting hair and all scalp diseases will follow and twenty years from now a bald head will be a rarity."

There is only one way to cure dandruff, and that is to kill the germs. There is only one hair preparation that will kill the germs and that is Mildredina Hair Remedy. This unusual hair restorer with its record of thousands of cures will grow hair on any head where there is any life left; it will cure dandruff, stop falling hair and itching of the scalp in three weeks or money back.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat less meat if you feel Backache or have bladder trouble—Take glass of Salts.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.
