Hose of Luxite Elegantly Rich

Rich materials make Hose of Luxite beautiful—soft, shimmering, full-bodied, elegantly rich. It doesn't depend upon heavy chemical compounds in the dye to give it weight and gloss.

Hosiery so treated lacks the beauty of Hose of Luxite and soon loses its body and strength.

Repeated washing leaves Hose of Luxite fresh and snug as new because the dyes are not "loaded."

We offer Hose of Luxite because we believe it is worthy your patronage. The wide range of styles and prices will suit every purse and purpose.

GIRLS HAVE PRETTY FACE AND BEAUTIFUL COMPLEXION

An Atlanta man makes new discovery that makes an old face look years younger. If your skin is dark, brown, or covered with freckles or blemishes, just use a little Cocotone Skin Whitener; it's made with coconut oil and is perfectly harmless. A few days use will improve your looks 100 per cent. The wornout skin comes off evenly, leaving no evidence of the treatment, the new healthy under-skin appearing as a lovely new complexion.

Just ask your druggist for an ounce of Cocotone Skin Whitener, and if he will not supply you send twenty five cents to The Cocotone Co., Atlanta, Ga., and they will send you a trial box by return mail.

If your hair is hard to comb, is kinky nappy and will never stay straight, just use Cocotone Hair Dressing and it will become straight, long, soft, glossy and beautiful in a few days mail orders filled for large box.

CAN'T LOSE HAIR

Twenty Years From Today a Bald-headed Man Will Be An Unusual Sight.

One of the most prominent druggists of America made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press.

He said: "If the new hair grower, Mildredina Hair Remedy, increases its sales as it has during the past year, it will be used by nearly every man, woman and child in America within eight years."

"When Mildredina Hair Remedy is used almost universally, dandruff will disappear and with its departure baldness, itching scalp, splitting hair and all scalp diseases will follow and twenty years from now a bald head will be a rarity." Sample sent for 10c to pay postage. Mail orders filled by Mildred Louise Co., Boston, Mass.
