Mr. G. M. Anderson returned this morning to his home in Williams'ou.

Master Jack Riddick left this morning for Spring Hill after spending a few days here.

Mr. Charlie Jones left on the morning train for Roanoke Rapids on business.

Mr. Elma Edmonds left on the morning train for Weldon on business.

We still have two walking cultivators we will sell at a bargain. Also have Willard Harrows and Iron Age Cultivators. Edwards and Company tf.

Mr. L. E. Allen left on the morning train for Greenville on a visit it of a few days.

Mrs. William Cobb, of Mullins was in town yesterday afternoon shopping.

Mr. Ellis Edwards and family of Rocky Mount, are here visiting at Mr. George Brantley's, after visiting Northern Cities.

Mr. Bullock of Bethel, motored over last evening and purchased a carload of Irish potatoes from Mr John Gray.

Mrs. R. A. Pender and son Richard Pender left on the morning train for Kingsboro to visit Mr. Pender for several days.

Mrs. W. J. Taylor arrived last night from Elizabeth City to stay a few days on a visit with Mr. and Mrs. W. F. Bell.

The great interest shown in the Roanoke river bridge proposition caused seventy five business men to motor to Tarboro as an evidence of their cooperation in the plan.

When men like Archie Medowell Frank P. Shields and Paul Kitchin state that Halifax will get the bridge across the Roanoke river it is useless for others to argue that we won't.

Though we have no antagonism against other sections having bridges across the Roanoke river our leaders are too bright to allow our proposition to be incorporated and entangled with another which is separate and distinct.

Miss Aline Pope was motored to Tarboro last evening, after the storm, by Mr. Lewis, of near Hobbgood, and they brought back Miss Martha Bradley and Mrs. G. B. Andrews.

Mr. Bullock made a quick purchase last night when he went to Riddick's garage to have his light fixed. In ten minutes he was driving out of town, through the storm, in a new King "Eight"

Mr. Clee Vaughan is opening a meat market in connection with his grocery business. Fixtures are being put in this morning and he will probably be ready for customers tomorrow.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop using dangerous drug before it salivates you!
It's horrible!
You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.
Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver an straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.
Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day work. Take a spoonful of harmless, vegetable Dodson's Liver tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.

RESULTS TELL.

There Can Be No Doubt About The Results in Scotland Neck, N. C. Results tell the tale. All doubt is removed. The testimony of a Scotland Neck Citizen.

Can easily be investigated. What better proof can be had? J. C. Braxton, blacksmith, Main street Scotland Neck, says: "I had dull pains in my back across my loins and I was sore and stiff, and could hardly bend to pick up my tools or materials. I had headaches and dizzy spells and colds settled on my kidneys, making my condition worse. My kidneys didn't act properly, either. On a friend's advice I began taking Doan's Kidney Pills, which I got at Whitehead's Co Drug Store. They put my back and kidneys in good shape." (Statement given July 1, 1914)

On June 5, 1918 Mr. Braxton said: "I can say Doan's Kidney Pills are just as they represented. I have used this medicine with good results and am glad to endorse them again." 60c, at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
