Fast Grand Master H. I. Clark goes to Norfolk, Va., today by invitation of Grandmaster Galt, of Virginia, as the guest of Owens Lodge No. 164, for the exemplification of Masonic Degrees. Dr. Clark received a special personal invitation from Grand Master Galt to take part in Master Mason's degree work at Owens Lodge, today, May 6th, which is quite an honor, and shows the high standing of Dr. Clark in Masonic Circles.

An indication that conditions are not near so bad as they have been or as a good many people think they are, is the recent deals made by Mr. Lawrence House, Jr., who closed two contracts last week for an aggregate of one million brick to be delivered immediately. These deals were made in Norfolk and Richmond and, what makes it speak better for a Scotland Neck enterprise, is that Mr. House had right much competition for these contracts.

IT PAYS TO ADVERTISE!

Peanut Planters

We are exclusive agents for the AYERS planters in this section and carry a good supply of repairs, so if your old planter needs repairs, we can supply you, or if you need a new planter, we can supply you, but advise placing your order with us at once, for conditions do not warrant our carrying a big stock of them as we have been doing. Every farmer knows that AYERS is the best peanut planter yet invented, and the price has been reduced from \$29.75 to \$25.00.

LOCKLEAR'S GREATEST THRILL

"The greatest thrill I ever received," said Lt. Ormer Locklear, the daredevil aviator, recently, "came a few days ago when I was invited to give an exhibition and lecture before an assemblage of army officers. I could hardly believe my ears. I remembered that only a few months earlier I had been court-martialed for doing my plane-changing stunt—and I roared with laughter. But I accepted the invitation." Locklear is featured in "The Skywayman," the Fox production which comes to the Dixie Theatre, today and tomorrow. Prices: Children 25c, adults 35c.

BRACE UP!

Do you feel old before your time? Is your back bent and stiff? Do you suffer urinary disorders? Don't despair—profit by Scotland Neck experiences. Scotland Neck people recommend Doan's Kidney Pills. Ask your neighbor. Here's a Scotland Neck resident's statement.

J. C. Braxton, blacksmith, Main St., says: "I had dull pains in my back across my loins and I was sore and stiff and could hardly bend to pick up my tools or materials. I had headaches, and dizzy spells and colds settled on my kidneys, making my condition worse. My kidneys didn't act properly, either. On a friend's advice I began taking Doan's Kidney Pills, which I got at Whitehead Co.'s Drug Store. They put my back and kidneys in good shape."

FOUR YEARS LATER, Mr. Braxton said: "I can say Doan's Kidney Pills are just as represented. I have used this medicine with good results and am glad to endorse it again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Braxton had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. —Adv.

Reward Do you know this man? Height: 6 ft. 1 inch Face: Thin Weight: 145 lbs. Features: Prominent Description: When last seen was on his way to hospital. Used to weigh 185, had ruddy complexion, good appetite and enthusiasm for work. Six months ago began to have irregular bowel movements. Took pills. Lost weight—still irregular. Took salts—violent results. Had medical examination; doctor diagnosed case as self-poisoning, due to clogged, decaying food waste in large intestine; said pills and purges had weakened the intestinal muscles so they would not function. Man protested violently that he was not sick. Doctor replied that he had been sick since first bowel irregularity. Prescribed complete rest and the Nujol treatment. Said if he had cultivated regular habits with Nujol he would have had no trouble. Reward: For restoration of this man to regularity, Nature offers reward of health, and return to normal weight and keenness. If you are the man apply at the nearest drug store for one bottle of Nujol For Constipation. Nujol works on an entirely new principle. Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system. Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Nujol is absolutely harmless and pleasant to take. Try it. Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark.
