

ESSEX COACH \$1345 F. O. B. Detroit

Five-Passenger

Wouldn't You Like to Own It?
THE PRICE MAKES IT EASY

The Coach has aroused more interest than any Essex type ever shown. It is drawing bigger crowds. It is selling fast. Every one is talking about it.

The reason is easily understood. Costing but little more than the open models, it gives the luxury, comforts and distinction of the fine enclosed car. Hitherto, such quality, reliability and distinction in closed cars has cost more than most buyers wanted to pay.

For Family and Business Use

The Coach is amply large for family use in city or country. Light and nimble, it also meets the requirements of business and professional men with economy and satisfaction.

It is a delight to drive. It is easy to steer. Controls operate

- Has These Fine Car Details**
- Dash controlled ventilator
 - Wind and rainproof windshield
 - Fine quality plate glass windows
 - Sun visor
 - Luggage and tool locker opened from rear
 - Newest type easy operating crankhandle lifts on door windows
 - Four hinges on each door and fittings that bolt doors solid—very important
 - Fine texture, long wearing upholstery and rugs.
 - Radiator shutters and motometer for efficient motor control
 - CofD tires.

with unusual ease. It rides with the lulling comfort of a big car. It is easily turned and parked in narrow and crowded spaces.

Operating cost is low. The New Improved Essex chassis requires hardly any attention. The body is built to give long service.

Economy That Endures

To the savings in fuel, oil, tires and upkeep all Essex owners know the Coach now adds the economy of a fine distinguished closed car, at a price you will like. Best of all it continues these qualities, free from annoyance and maintenance cost. In every way the coach wins the pride of ownership.

Go see the Coach. You are sure to want it. Deliveries are behind now, and you will not want to wait too long for yours.

JOSEPH LESLIE IN NORFOLK
LANDMARK SAYS THAT "LOMBARDI" GOOD AS EVER.
When Leo Carrillo played "Lombardi, Ltd.," here last October on the occasion of his first appearance in this city, it was stated in this column that his performance in that play was one of the most entertaining sights seen here in many a day. Seeing him last night at the Colonial Theater, playing a return engagement in the same production, the opinion in the first instance was not only sustained but accentuated to the point of believing that "Lombardi, Ltd." is almost the perfect comedy.
Mr. Carrillo has come back with the cast of "Lombardi, Ltd." intact, which in itself bespeaks an intelligent and highly interesting performance of the play. The action of that play moves like a well-oiled machine, and there is no fault that can be

found with it. Last night, too, an audience considerably larger than the last one Mr. Carrillo played to here greeted him. He was entitled to it, and to a much larger crowd, because he is an artist in every sense of the word, and is surrounded by a group of artists, all after their own fashion.
"Lombardi, Ltd." is a Morosco comedy drama, with a typical Morosco cast. It is the story of a New York dressmaker, Tito Lombardi, who is more a dreamer than a business man, and whose generosity finally brings him, not in, but on the rocks. And through the heyday of his prosperity, as through his declining days, Lombardi is the embodiment of prodigal liberality and careless generosity. And Carrillo plays the part as only the great artist that play moves like a well-oiled machine, he is can play it—plays it for all it is and there is no fault that can be

and as it is a real delight to see it played. If you didn't see "Lombardi, Ltd." when it was here last fall, this is an opportunity which should not be missed. It will play this evening and tomorrow evening, with matinee Wednesday. This recommendation is repeated, herewith, and emphasized. It is the type of entertainment which should be encouraged, because it represents the very highest there is in art.—Joseph Leslie, in Norfolk Landmark.
"Lombardi, Ltd." will show at the Wilson Theatre next Tuesday.

The Chiropractic spinal analysis shows pressure on spinal nerves to the lungs and kidneys, and adjustments relieving that pressure, brings the activity of these organs back to par. The poisons that were creeping deeper into the bodily tissues begin to clear out.

The chiropractic record was better than that of any other health method.
