Mr. J. C. Bell has removed from this place
to Independence.

Dora's Panorama of Paradise Lost will be
exhibited in the Court House on Wednesday
evening, the first of February. It comes well
recommended by the press. See advertisement
in this issue.

Those wishing dental work done in a work-
manlike manner, will be gratified to learn that
Dr. Chance, the well known dentist of Salem,
will visit this place Monday, Feb. 13th. See
advertisement in another column.

Mr. S. Bevans, while engaged in running a
circular saw in the Buena Vista Saw Mill, one
day last week, had the thumb nearly severed
from his right hand. Prompt attendance was
given, and at last accounts he was doing well.

On Tuesday last we had the pleasure of re-
ceiving a visit from Mr. Gates, the gentlemanly
Sheriff of Yamhill. He reports business favor-
able in that County, and the people generally
awake to all that pertains to their welfare,
especially the matter of railroads.

The School Exercises at the Academy last
Friday afternoon were well attended, and
highly appreciated. The Exercises consisted
of Declarations, Essays, Dialogues, and a
good variety of Vocal and Instrumental Music.
The Declarations were well delivered, the
Essays of the young ladies were good and well
read, and comprised a variety of subjects, both
fact and fiction. The teachers, Prof. M. G. Glesby
and Miss Clara Watt, are well qualified for
their position, and are meeting with well
deserved success. They commenced a new term
on Monday.

G. B. Stiles still has a few left of those fine
fresh salmon, and Mr. T. B. Newman anno-
unces that he has all the accommodations for cook-
ing. The seasoning can be procured at Lang-
worthy & Collins, and if any unpleasant results are
experienced, counteracting agent, can be ob-
tained at the Drug Store of Nichols & Coade.
Anything in the way of dry goods or groceries
may be found at N. & J. D. Lee, J. H. Lewis
or any of our several merchants' stores. There
is, we believe but one vacant house in Dallas at
present; but we have plenty of good mecha-
nics, who will build more as soon as their
rush of work will permit. If any town in this
or any other state can beat us in these matters
we would like to hear from them.

WANTED.—An active, wide-awake
person, male or female, in every neighborhood
in the United States to work for us. Good pay
in cash. Work can be done at leisure hours.
Write for particulars to
J. B. GOULD, Fishkill, N. Y.

No Wonder.—So many worthless medicines
are advertised for the cure of various diseases,
and when tried "found wanting," that the in-
valid loses all faith in specifics. We have yet
to learn, however, of the first failure of Walker's
Bitters of Wild Cherry, to cure, coughs, colds,
and pulmonary diseases.

It is a great mistake to suppose that the
cause of rheumatism, neuralgia, or gout exists
where the pain is experienced. The source of
these diseases is generally in the blood and is
one of the special properties of Dr. Walker's
Vegetable Bitters to neutralize this
deposit, while it renovates the relaxed kidneys
and thus prevents them from permitting a por-
tion of their secretion to escape through im-
proper channels. Torpidity of the stomach has
also much to do with the vitiation of the blood
and upon this organ the Bitters act directly as
a stimulant and invigorant.

No Humbugging! No Cheating!—A pint
bottle full of Dr. Egan's Catarrh Remedy is pre-
pared from an 50 cent package, and the pro-
prioitor offers \$500 reward for a case of Catarrh
which he cannot cure. Sold by druggists, or
send 60 cents to Dr. R. V. Pierce, 133 Seneca st.
Buffalo N. Y. and receive it by mail. A pamphlet
sent free. Beware of counterfeits and worth-
less imitations. The Genuine has, upon the out-
side wrapper, Dr. Pierce's private Government
Stamp with his portrait, name address, and
the words "U. S. Certificate of Genuineness"
engraved upon it.

The Five Dollar Sewing Machine purchased
by me, January, 1866, from the Family Sewing
Machine Company, Nassau-Street, N. Y., has
been in almost constant use ever since. It has
not been out of order once. Has cost nothing
for repairs, and I find it simple and reliable in
operation, and always ready to sew. Those
friends of mine who use them with the new
improvements are very much pleased. The one
I have I would not part with.
MRS. ANN W. CUTHBERT,
428, West 36th-Street, New York.

Telegraphic Summary.

LILLE, Jan. 22.—Cambria has been
summoned to surrender by 3 o'clock
this afternoon.

Gambetta, in his speech, says France
prefers eternal war to mutilation.

The army of the north is rapidly
rallying.

The Emperor telegraphs to the Em-
press that the latest estimate of the
French loss is 15,000, including 11,000
prisoners.

The Germans refused the demand for
an armistice to bury the dead before
Paris.

It is said the garrison will not renew
the attack because Trochu is apprised
of Chanzy's defeat.

London, Jan. 20.—A correspondent
of the London Telegraph reports from
Paris that the effect of the bombardment
on the city has been utterly harmless.

London, Jan. 22.—Advices from Par-
is state that at a council on Friday, Gen.
Trochu announced that if his hope for
assistance from outside the city should
be disappointed, it would be his duty
to surrender the city before the Ger-
mans destroyed the public buildings
and fired the center of the city. The
civil members of the council disagreed
with Trochu. He resigned, but again
accepted command, after a hot quarrel.

Florence, Jan. 22.—In the Italian
Chamber of Deputies, yesterday, Signor
Veromosto, in reply to the interpellation
addressed to the Ministry, said it was
impossible for Italy alone to mediate
between France and Prussia; but that
the Government intended to seize the
earliest opportunity to operate with
other Powers in that direction. In the
course of the discussion which followed
four members of the Chamber, of differ-
ent politics, warmly expressed sympathy
with France.

Arlon, Jan. 23.—The Prussians were
repulsed at Longwy, their guns dis-
mounted, and were forced to place their
batteries further from the walls.

longing to Mr. Keiter of Monroe, Ben-
ton county was destroyed by fire, loss

Benton county, three miles from Albany
has been pronounced hopelessly insane.

FIRE.—The blacksmith shop of Mr.
John Jones, four miles north of Rose-
burg, caught fire on Sunday night last.
The bellows was burned, and some other
articles of value before the fire was mas-
tered. The Sabbath Day thou shalt
remember, and keep holy. Work had
been done on this day—consequence
fire at night.

A SWAMP LAND JOKE.—The Euge-
ne Guard tells this:

The excitement over the swamp land
has, like everything else, except death
its amusing features. It is said that
Hen Owens concluded to traffic in these
land and wrote ex-Senator Nesmith to
file on a certain amount for him. Mr.
Nesmith wrote in reply, some time af-
ter, that he had spent several days in
search of something to file on, and had
discovered that all the lakes had been
filed on except one—that of fire and
brimstone, and advising him to file on
that immediately. Hen says his "bos-
om is too peaceful," and that if "Nes-
don't mend his ways he will be com-
pelled to take up a d—nation claim on
that lake."

The question of the extension of the
suffrage, to women, was brought to a
vote in the Lower House of the assem-

and came very near being carried the
result being a tie.

The Catholic Church in Boise City,
was destroyed by fire Wednesday even-
ing the 11th inst. loss \$8000.—Weekly
News.

SURGICAL OPERATION.—Drs. Brown
and Shule, of this city, informed us
yesterday that they performed a scientifi-
cally surgical operation on the eye of Mr.
Olmstead, to reduce a staphyloma. The
operation was performed by sitting the
patient in a low chair, and having
an assistant to steady the head, and di-
viding the corpera with a knife, which
permitted the escape of the sanguineous
fluid. The patient was entirely blind
in the morning but could see a
little in the evening.

RAILROAD INCORPORATION.—Articles
of incorporation were filed in the
County Clerk's office by the "Oregon
Branch Pacific Railroad Co."—incor-
porators B. J. Pengra, H. Failing W.
S. Ladd. The capital stock of the com-
pany is \$15,000,000, divided into
shares of \$100 each. Principal business
office located at Portland. The objects
of the incorporation are stated as fol-
lows: "For the purpose of construct-
ing, maintaining and working a railway
and telegraph line from a point on the
Central Pacific Railway, at or near
Winnemucca, and east of the north
end of the Humboldt river in the State
of Nevada, by way of Goose lake,
Sprague's river and Klamath marsh
valleys, and over the Cascade Moun-
tains, in the vicinity of Diamond Peak,
to the navigable waters of the Colum-
bia river, in the vicinity of Portland,
in the State of Oregon."

SEVERE ACCIDENT.—On Wednes-
day, Mr. D. P. Anderson and Mr.
Coleman were driving from Ashland to
Phoenix, in a buggy, the horses became
frightened and ran away. Mr. And-
erson was thrown out and bruised severe-
ly. Mr. Coleman remained in the buggy
until the horses ran the buggy against
a tree, throwing Mr. C. out, his head
and breast striking the tree with great
force. We regret to learn that both
the gentlemen are in a critical condi-
tion.

find it obstructed and sluggish in the veins;
cleanse it when it is foul, and your feelings will
