

"GIVE US A CALL."

BY ELLA WHEELER.

[Suggested by seeing the above words in a saloon advertisement.]

Give us a call, we keep good Beer, Wine and Brandy and Whisky here; Our doors are open to boys and men, And even to women, now and then. We lighten their purses—we taint their breaths— We swell up the column of awful deaths.

All kinds of cringes We sell for dimes, In our sugared poison, so sweet to taste! If you've money, position or name to waste, Give us a call.

Give us a call! In a pint of Gin, We sell more wickedness, shame and sin, Than a score of clergymen preaching all day, From dawn to darkness, could preach away; And in our Beer (though it may take longer To get a man drunk than drinks that are stronger).

We sell out poverty, sorrow and woe— Who wants to purchase? Our prices are low— Give us a call.

Give us a call! We'll dull your brains— We'll give you headaches and racking pains; We'll make you old, while yet you are young; To lie and slanders we'll train your tongue; We'll make you a shirk From all useful work.

Make theft and forgery seem fair play, And murder a pastime sure to pay. Give us a call.

Give us a call! We are cunning and wise; We are bound to succeed; for we advertise In the family papers, the journals that claim To be pure in morals and fair of fame. Husbands, brothers, and sons will read Our kind invitation; and some will heed And give us a call!

We pay for all The space in the paper we occupy. And there's little in this life that money won't buy.

If you would go down in this world, and not up— If you would be slain by the snake in the cup, Or lose your soul In the floating bowl— If you covet shame And a blasted name— Give us a call!

Dr. J. P. P. van Den Bergh,

From Prussia, the Great

Worm Exterminator!

[Office Chemeleta Hotel, Salem, Oregon—Rooms 9 & 22.]

Late of San Francisco, Cal. would inform the sick generally, that about forty years' extensive practice of medicine and surgery in Europe and the United States of which twenty-one have been in California, has by close observation and great experiments, come to the conclusion that there are more acute and chronic diseases caused by worms, haydnitis, analcatie or other species of entozoa. The public generally, or the profession at large, are not aware of the number of patients who are treated by eminent physicians for this, that, or such a complaint without any relief. If the disease has been understood, a few doses of Dr. V's Sovereign Worm Remedy would have immediately cured the complaint, and have saved a great many lives. Dr. V. has collected a large variety of California roots and herbs, which, by analyzing, close observation, and extensive experiments, he can conscientiously say that he has discovered new remedies for successful cure for the following diseases:

Dyspepsia, Chronic affections of the Liver and Kidneys, first and second stages of Consumption, White Swelling, Palsy, Spermatocoea or local weakness, Nervous Debility, Epileptic Fits, Rheumatism, Neuralgia, Diarrhoea, Incontinence of Urine, Gravel, Flour Albus, Diabetes, Dropsy, and all those diseases which are known under the name of Venereal, such as Syphilis, in all its forms, Gonorrhoea, Gleet, Strictures, False Passages, Inflammation of the Bladder and Prostate Glands, Excoriations, Pustules, Pimples, Blotches, and all Cutaneous Eruptions of the skin. Cancers Tumors cured with or without operation. In recent Venereal Diseases, the Dr. effects a Cure in 3 to 6 days or no charge.

For the Eye, Ear and Throat, Dr. V. possesses new and invaluable remedies. He can cure Dr. V. would advise those ladies troubled with irregularities of the Uterus to try his new remedies and get cured.

Card from Judge Frier, of Polk County.

Dr. J. P. P. VAN DEN BERGH—Dear Sir: I take pleasure in thanking you publicly for the restoration of my health after fifteen years of great suffering mentally and bodily. I doctored a great deal; was afflicted with almost every imaginable pain and despaired of seeing a well day again. When I came to see you at Salem, you said you would remove the cause of nineteen years' suffering in five hours. I could hardly believe it, but after taking the five fastless powders you gave me, about 900 worms passed from me, and now, fourteen days afterwards, I feel like another man, and am able to follow my business without pain or inconvenience. A. H. FRIER.

Bethel, Polk Co. Oct. 10th, 1871.

1,500 Worms Expelled.

After 7 years of suffering, pain and debility, and doctoring for many complaints, now proved that I did not have, and taking different kinds of medicine from many eminent physicians. I gave up in despair, thinking it was no use to stretch my poor stomach any longer, and that I must waste and waste away until there was nothing left of me. But hearing of the astonishing cures of Dr. J. P. P. van Den Bergh has performed in so short a time, effecting cures in a few hours, and my friends advising me to make one more effort, I consulted Dr. van Den Bergh, and he told me my miseries were caused by worms and he would expel them in about five hours. After taking five small powders, 1,500 worms passed away from me, and I am happy to say I am better than I have been for a good while. P. R. EVES.

Subscribed and sworn to before me this 15th day of September, 1871. J. J. MURPHY, J. P.

REMARKABLE!

Eight Hundred Worms Expelled!

I think it a public benefit to make the following statement, that I have been afflicted for two years with constant pains in the stomach, and in fact, pains all over my body; no appetite, and let me call what I would say put me in distress. No medicine would relieve me and I grew worse and worse until now I am a mere skeleton. Nobody could tell me what was the matter with me, until I consulted Dr. J. P. P. van Den Bergh, in Salem, Oregon, and he told me I was afflicted with worms, and they were the cause of all my misery and pains. I took the Doctor's medicine, and he expelled 800 worms from me. They are like Leeches, with long tails, and measure from one to one and one-half inches in length. I only took six little powders, and they brought the worms in four hours time. All those afflicted wishing to see me can find me at Sam Relet's stable, Salem Oregon.

Subscribed and sworn to before me this 7th day of Sept. 1871. J. J. MURPHY, J. P. Said worms can be seen at Dr. J. P. P. van Den Bergh's office, Chemeleta Hotel, Salem.

A CARD.

Dr. J. P. P. VAN DEN BERGH—Dear Sir: I deem it my duty to make the following statement: For the last three years I have been suffering with constant gnawing pain and a quivering sensation in my stomach, also pain in my chest and heart, my food would not digest and I was so nervous that with difficulty I could follow my occupation, which has been here in Salem for the past ten years, as a practical dentist. In fact from the constant pain and misery I had wasted away to a mere skeleton. I had been doctoring a great deal without any benefit, and believing there was no help for me but to linger on until death would relieve all my suffering. Some of my friends thought I had worms, and had better see Dr. Van Den Bergh. He told me at once that worms were the cause of all my troubles, so he gave me 5 small and tasteless powders and in 4 hours about 700 worms, from one inch to one and one half inches long, came away from me that day, and the following night some more came, and now I am happy to say I feel like another man again, and am gaining strength from day to day. H. SMITH, M. D. Salem, Oregon, Sept. 23d, 1871.

Another Great Slaughter!

We think it our duty to make the following statement in hopes it may do some good to sick children: Our child had been sick for some time. Thinking all the time our little one was troubled with worms we tried many doctors and a great many remedies without any relief. Some neighbors told us we should go and try Dr. Van Den Bergh, the worm doctor in Salem. We did so and he gave us one bottle of his celebrated Worm Syrup, and after giving the medicine, to our great astonishment about 800 worms passed away from our dear child, and now, thank heaven she is well again. I. D. GRIZZLE. Salem, Oregon, Oct. 3d 1871.

The Great Medical Discovery!

DR. WALKER'S CALIFORNIA VINEGAR BITTERS,

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A WILE FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Restorer and Invigorator of the System, carrying off all poisonous matter and restoring the Blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiating Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES. Eruptions, Tetter, Salt Rheum, Itchiness, Scabs, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Hives, Scars, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried off the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiating Blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
