The London Tailor.

His Father Was Doing Well.

Long after the death of the elder George Grossmith the British income tax commissioners by mistake sent to the son, the well known actor, a notice assessing the income of the deceased at \$10,000. Mr. Grossmith returned the document to the proper quarter, with the following note written across it: "I am glad to learn my father is doing so well in the next world; \$10,000 is a great deal more than he ever made in this. Kindly forward this notice to his new address and remember me affectionately to him."

Trapped.

A gentleman went into a Louisville restaurant and ordered a bowl of soup. When it was brought an innocent fly was struggling in its midst. The gentleman reached in his pocket and dropped something in the plate and then called the waiter.

"Waiter, there is a fly in this soup. Bring me another bowl."

The waiter took the bowl out and presently returned bearing a steaming bowl of soup.

"Did you just pick that fly out, or did you get another bowl of soup?"

"I got you all another bowl, boss."

"Well, wait a minute," said the customer, and with his spoon he fished around in the bowl and brought up the half dollar he dropped in the bowl before giving it to the negro.

The negro's eyes popped out greedily and as he turned shamefacedly away was heard to mumble:

"Doggone it, that's just my luck."

Making Sure.

A Scotsman went to an English race meeting and boldly staked a sovereign. The horse he backed proved a winner, and he went to the bookie to claim his winnings. The sporting man begrudgingly handed him seven sovereigns. The Scot looked at each one very carefully before placing it in his pocket.

"Well," said the bookie, with a snarl, "are you afraid they're bad?"

"Oh, no," said the Scotsman; "but I was just lookin' to mak' sure the bad an' I gl'e'd ye wisna among them."

**Better Not Get
Dyspepsia**

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary peptic "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only a partial digester—and physics are not digesters at all.

Pilfering From Post Office.

Kate Dalporta, a precocious child of about eleven years, was subject to an examination by the sheriff on Thursday of last week, which developed that she had been tampering with mail matter deposited in the package repository of the Jackson post office.

She was seen with a package for mailing, and suspicion was aroused that the contents might throw some light on the robbery of the jewelry from the Zumbiel residence some three weeks ago. It led to a sensation entirely apart from that incident. The package contained a gold fob and chain which had been mailed by Charles Gall to Stockton to be repaired.

The child confessed that when the package had been dropped in the package receptacle, she had put her hand in the opening and taken it out. After opening it and discovering what it contained, she had wrapped the box in another paper, and addressed the package to a lady in this town, when the authorities took a hand and stopped the consumption of the gift business.

While owning up to this prank, the child denied all knowledge of the Zumbiel robbery. She admitted other acts of petty pilfering from neighbors. The child has a mania in this direction. The parents are anxious to have her placed in some institution other than the Whittier reform school, and are making inquiries to that end.

Postmaster Duden, on account of the experience lately in tampering with the parcels and newspaper repository, has made changes so that it is impossible to reach the hand down to the bottom of the receptacle he has had a flap or lid made, so that when the office is closed this flap is shut, and papers or parcels dropped therein fall to the floor inside, beyond reach of any tamperer. He has reported the stealing of the package

The Fire Danger
Those who think they can hide their money and be safer than if it was in the bank sometimes forget the danger of fire. A building of any value would certainly be insured for at least a part of its worth, but risks are taken on hidden money that no prudent person would take on other valuable property. The losses of hidden money that occur yearly by fire and burglars are estimated to amount to many thousands of dollars. The best insurance you can get on your money against fire and burglars is to deposit it in this bank.
