Covering by Shorts and Buying for a Rally Had a Bullish Influence.

By the Associated Press.

Chicago, March 19.—FLOUR—The market was quiet and easy. Winter patents \$4.88 1/2; straights \$4.69 7/8; spring patents \$1.40 1/2; straights \$1.20; bakers \$2.00 1/2.

WHEAT—There was a large trade and a nervous, sensitive market. The feeling at the start was firm and prices advanced under an active demand from the shorts. The cable did not show the weakness expected. The south west was without moisture and the receipts were moderate. Later, however, liquidation again set in and prices receded sharply, stop-loss limits have been reported, the fear of greater financial troubles in the east causing a great uneasiness. At the decline many of yesterday's sellers covered and the situation became more settled, a substantial advance being gained all round. The north west markets acted weak and the flour news from that section continues bullish. The final figures were a cent higher for May and 1/2 cent for July. Liverpool steady to 1/2 lower. At the seaboard 11 boat loads were accepted.

CORN—A material improvement was manifested at the opening, the covering by shorts being a feature of the day. The market was affected considerably by the action of wheat, but apparent preference was given the advances rather than the decline. Late in the day the sentiment became decidedly bullish, prices advancing sharply. The close was strong and near the top, May 1 1/2 high, July up 1/2. Liverpool steady to 1/2 lower. On the coast eight boat loads were accepted.

OATS—Oats made a substantial recovery from the closing weakness of the previous session. The pit crowd had overdone the selling, and there were liberal demands throughout the day to cover the short sales. There was some liquidation on the decline in wheat, but offerings were readily taken and the market showed only a slight ebbness. Strong tone developed during the last hour and the close was well toward the top, May 1 1/2 high, July up 1/2. Tallow—Steady. No. 1 rolled packed 4 1/2; No. 2 2 3/4; cake 5.

New York, March 19.—WHEAT—Receipts 38,000; exports 64,000. Spot easy; 2 red 100 elevator; 102 1/2; 100 b. float. Options closed 1/2 cent net lower. May 96 1/2.

CORN—Receipts 32,000; exports 29,000. Spot steady; 2 nominal elevator and 55 1/2; 100 b. float, 2 yellow 55 1/2; 2 white 54 1/2. Options closed lower. May 57.

OATS—Receipts 15,000; exports 2,000. Spot steady; 2 oats 47 1/2; standard white 48; 2 white 48 1/2.

Minneapolis, March 19.—WHEAT—May 95 1/2; July 95 1/2; September 83 1/2; on track 1 hard 97 1/2; 1 northern 95 1/2; 2 northern 95 1/2.

## LIVE STOCK MARKETS.

By the Associated Press.

Chicago, March 19.—CATTLE—There was an insignificant supply, as is always the case on Saturday, prices largely nominal at recent figures. Sales of good heaves show a marked decline for the week, plenty of cattle having sold for from 15 to 25 lower than last week, naturally stockmen are a good deal discouraged, as they have been advised all along to make their cattle as fat and choice as possible. Such strength as has been seen is wholly due to purchases by shippers and exporters.

HOGS—Dull, averaged five lower than yesterday, although a few choice lots were taken by shippers at unchanged prices. Sows were about ten lower than last Saturday. The decline would have been much greater but for the unusually large shipping demand all week.

SHEEP—Sheep sales largely higher, while lambs lower. Better sheep market was mainly due to large export demand. Prices for both sheep and lambs 25 lower than a week ago.

## AT ST. LOUIS.

By the Associated Press.

St. Louis, March 19.—CATTLE—Receipts 600. Steady beef steers \$2.90 1/2; stockers and feeders \$2.25 1/2; cows and heifers \$2.50 1/2; Texas steers \$2.20 1/2.

- MISS FLORENCE STOPPLET, Mount City.
- MASTER CECIL CANDEE, 2037 Wash. ave., Cairo.

Interest in the Weekly puzzle series of The Bulletin, the last of the present installment of which was published last Sunday, was maintained until the limit of time prescribed in the conditions and hundreds of answers were received to the Card Game series. There was an unusually large number of correct guesses. The three judges of the contest who kindly drew the lots for the award of the prizes were Messrs. Chas. Fenchler, Jr., H. H. Halliday and W. E. Smith, and the checks for the cash prizes were mailed to the respective winners last night.

The illustrated puzzle series has been retired for the present and in its place today is substituted what will be known as The Bulletin's Advertiser's Puzzle, reference to which has been made in recent issues.

Among the numerous advertisements appearing in today's Bulletin are printed three words, the combination of which will make the correct answer to the Advertiser's puzzle. In an advertisement will more than one of these words occur. In one will be the name of a city of not less than 1,500 inhabitants, it may be 150,000, in another will be the name of the county in which this city is situated and in a third will be the name of the state in which the city and county are located. It should perhaps be stated that our own city will not be the one selected and that upon this particular occasion the words will not be concealed, but will be plainly shown in the advertisement.

The conditions of the contest are as follows: Only one answer from any one house hold will be considered; the first one received.

Answers must be spelled correctly and submitted on the regular printed coupon appearing in this issue.

Addressed in a sealed envelope to Puzzle Editor, The Cairo Bulletin, Cairo, Ill.

Deliver your answers before noon of Wednesday, March 23rd, to the office of The Bulletin; if mailed be sure to allow sufficient time for arrival as no answers received after time stated will be considered. Guesses sent through the mail in envelopes bearing but one 1c stamp on which The Bulletin company is obliged to pay postage, will not be considered.

The contest is not limited to local readers of The Bulletin, as all friends outside of the city are particularly invited to enter the contest.

Three Cash Prizes Will Be Given to those correctly guessing the answers to the word puzzles, to be determined by lot, should more than the number mentioned correctly guess the words represented.

To the first three correct guesses a cash prize of one dollar each, will be paid.

The names of those winning the prizes will be stated in next Sunday's Bulletin.

This coupon only may be used:

## MUSICIAN'S GRACIOUS REBUKE.

Czar Nicholas of Russia once asked Liszt to play in his presence, but during the performance started a conversation with an aide-camp. Liszt stopped playing at once. The czar sent to ask what was the matter. "When the emperor speaks," said Liszt, "everyone must be silent." The czar smilingly took the hint and the playing proceeded.

# THE MARKET IS RELIEVED

Sully Failure Acted As a Bull Cord instead of Depressing Prices.

By Associated Press.

New York, March 19.—Today's market disclosed a lively revival of speculation and closed animated and buoyant at the top level of the day. Not only yesterday's reaction, caused by the Sully failure, more than wiped out, but net gains were established for principal active stocks running from over a point to two points. St. Paul, Reading and sugar were the largest gainers, but there was a very large absorption of Pennsylvania and the Pacific on the rising scales. The equanimity with which the market accepted the Sully failure was the motive for the spurt of bullish enthusiasm. The rise started in the face of the announcement of additional failure on the cotton exchange and gained cumulative force, after brief periods of hesitation which induced no important reaction. The decrease in the cash reserves of banks and the decline in the surplus, which ordinarily cause a chill to speculative enthusiasm, were also taken in good part. The recent tendency of cash to congest in reserve centers has been viewed rather as an indication of the declining use of money, than as a helping and need in the money market, where the tendency of interest rates of all kinds is distinctly downward. The continuous ease in the money market leaves unopposed the advance in foreign exchange rates, which continued today and approached near to a point at which gold would go out to Paris.

# For the Free Piano

The strong vote of week before last in the piano contest was duplicated in the week just closed, a total vote of 2,020 being polled. Of these Miss Hattie Gibson received 1791 and her nearest opponent, Miss Margaret Steagala 920. Miss Stella Parks vote was 196, the relative position of the three leaders being unchanged. Two new names were added to the contest, Miss Zora Lee and Miss Mary Galligan, each receiving votes necessary to nomination.

The following is the report of the judges of the contest: Miss Hattie Gibson 1791; Miss Margaret Steagala, 920; Miss Stella Parks, 196; Miss Zephia Smith, 72; Miss Maud Preston, 70; Miss Maud Loflin, 18; Miss Minnie Kober, 15; Miss Zora Lee, 11; Miss Ollie Schutter, 9; Miss Sarah Jane Pink, 7; Miss Mary Galligan, 1. Total 3020.

We the undersigned hereby certify that the above is a true and correct list of votes as polled for the above named candidates for the week ending March 19, 1904.

C. P. WENGER,  
R. L. COX,  
Committee of Judges.

	Previous vote	Total to date

Miss Minnie Kober	146	161
Miss Sarah Jane Pink	103	110
Miss Ollie Schutter	65	75
Miss Zora Lee		11
Miss Mary Galligan		1

With the vote of the week the piano contest ends and the result will be announced in next Sunday's Bulletin. Attention is called to the fact that the time limit on the final ballot is, as has all along been published, 9:00 o'clock instead of 7:00 o'clock as has been the rule each Saturday night during the contest. The friends of candidates are urged to make application for any extra coupons that may be desired to The Bulletin office as early in the week as possible. Everything practicable will be done to facilitate the use of coupons but it should be remembered that it may be mechanically impossible to supply all that may be required on short notice. Patrons of the contest are again urged not to fold ballots and to file them in lots of 100 when feasible. With the vote that may reasonably be anticipated it will be a difficult matter for the judges to classify and count the vote even under the most favorable circumstances. Any effort in the direction of facilitating this work will be highly appreciated by the gentlemen in charge of the contest and The Bulletin management.
