"The Injury of one is the Concern of all."

VOL. XXXIII—No. 8

FOREST CITY, POTTER CO., SO. DAKOTA, JUNE 16, 1915

\$1.50 PER ANNUM

The Aberdeen Daily American for today (Wed.) gave us some quick news of the cyclones occurring yesterday in and around Blunt. A great deal of damage was done and not less than two or three persons killed.

The trip of Ye Editor down the river to Pierre, notice of which appeared in The Press last week, was really an uneventful one, so far as excitement or unusual circumstances were concerned, that there is but little left for us to chronicle. The impressions and memories, however, of the Great River will always remain as the most fascinating part of our voyage. It was these that we had in mind last week when we promised our readers a "continued story." Circumstances have prevented us from commencing the "serial" this week, as we intended, chiefly on account of ye editor having contracted "ad abobidable gold."

At a meeting at the Commercial club rooms, in Gettysburg, last week, further arrangements were made for the handling of the Chautauqua which is to be held there, commencing June 30th and covering a period of one week. This is the first attraction of this kind that has ever been scheduled for Potter county and is looked forward to with a great deal of enthusiasm.

In order to advertise the chautauqua the committee in charge has arranged to make trips to the surrounding towns in automobiles. About twenty autos will comprise the booster trips and the towns visited will include a run to Seneca, Lebanon, Tolstoy and Hoyen. Another trip will embrace Forest City and the Cheyenne Agency also a trip south to Gorman, Agar and Onida.

The Gettysburg Baseball club has arranged to play a series of games on the grounds during the week. The following committee were appointed:

Season ticket committee—W. S. Small, chairman; J. F. Weaver, T. E. Schofield, J. W. Ivey, E. B. Toomey, J. M. Myler, Brooks George, Harry Hixson, A. E. Hurley, B. Kuen. Each member of the committee will chose four assistants.

Publicity committee—Harry Griffith, R. O. Shultz, J. F. Weaver, J. W. Ivey, Brooks George.

Rest room committee—T. E. Schofield, Harry Hixson.

Owing to the absence of the Editor last week, we failed to notice the passing away of Mr. John Garbe, father of our townsman, Will Garbe. The Agar Argus refers to the deceased as follows:

"John Garbe of Gettysburg died last Monday (June 7) after suffering for several days from a stroke of paralysis. He was an early settler in Sully-co where he resided until a few years ago, when he moved with his family to Gettysburg. The funeral was held at the home Wednesday and the remains were laid to rest in the Gettysburg cemetery. The Argus joins with their many friends in extending sympathy to the relatives in the hour of their bereavement."

'POOR LO'—PLUTOCRAT!

Uncle Sam to Set His Wards Up in Business in Great Shape

Thirteen hundred head of cattle arrived at Mossman last Friday to be issued to the Indians on the reimbursable plan. This is the beginning of a new method of aid to the Indians, on this reservation, inaugurated by Commissioner Sells.

The plan is to let each Indian have \$600 worth of cattle, with certain restrictions, on long time, he to pay three per cent interest. This certainly ought to give a good many Indians a start in the cattle business, if they take advantage of the opportunities presented to them now.

In addition, building materials, implements etc can be had on this plan. Later, horses etc will be bought for them on the same plan.

MARRIED

Marple — Ronne — Wednesday, June 16th 1915 at high noon, at the home of the bride's father, Mr. A. E. Ronne, Mr. Albert I. Marple of Hettinger N. D. to Miss Clara B. Ronne of Forest City S. D., Rev. Dr. E. Ashley of Aberdeen, S. D., officiating.

The above mentioned event was of the quiet order, only members of the bride's family being present viz: Mr. and Mrs. Warren Ronne, of Rapid City, S. D., Miss Abigail Ronne of Forest City, S. D., and her father Mr. A. E. Ronne, of Forest City.

Mr. Marple is a prosperous farmer located at Cedar, near Hettinger, N. D., occupying the winter months at teaching. He is an old friend of the family, having formerly lived in Elk Point, where Mr. R. and family also formerly lived.

The bride is well known to Forest City people, having taught school there for two terms, where she was held in highest esteem for her many womanly and social qualities, as well as educational talent. She is also yet owner of a fine quarter section of land adjoining Forest City.

Their present honeymoon will be to their home, for which they left on Thursday morning. The Press and their many friends extend congratulations.

Six years ago, when congress granted the Minneapolis & St. Louis railroad the right to build a bridge across the Missouri river at LeBeau the News congratulated the reservation towns west of the Missouri river in the two Dakotas on the prospects for excellent rail connections, due to the projective building of extensions by the M. & St. L. from LeBeau, the Northwestern from Belle Fourche, and the Northern Pacific from Mandan, in addition to the several Milwaukee extensions. Since that time, short crops, a Democratic administration and the European war have combined to make money "tight" and curtail railway building, but the time is coming soon as the returning tide of prosperity now under way reaches its zenith, when the extensions projected six years ago will be built, and northwestern South Dakota will really come into their own. Meantime, these sections of the two states have made steady growth, and have added greatly to the permanent wealth and the permanent population of the two states.—Aberdeen News.
