A one-armed dare-devil, DeRenda, makes three parachute drops from one balloon ascension, a feature of the Minnesota State Fair.

EVERYONE IS INVITED

Maine has gone Republican--"Hooray!"

The Press finds that it is not alone in rejecting the adv'g offered us by the so-called South Dakota Local Option League. We have noticed some others besides the Beresford News, which states its reasons for declining the said advertisement in the following language:

"The News has been offered the big six column advertisement for the Local Option League of the state, but refused it. We find upon inquiry that the league is backed by the saloon interests of the country, hence the advertisement must be in the interests of the saloons. Then again local option is unfair in that it flaunts liquor upon a community that is without saloons by making it possible to purchase the liquor in an open saloon only a few miles away and carry it to the dry country for consumption. Real prohibition will come only when the manufacture and sale is prohibited throughout the nation, but the next best is state wide prohibition. and not local option as asked for by the 'league.' While advertising is part of our stock and trade, yet we believe that the interests of Beresford and vicinity are best served by the omission of this advertisement. The local option law cannot give Beresford a saloon because the sentiment of the city is against it so why not assist other communities to get rid of the saloons by voting for prohibition at the coming election."

Fred LaPlant's store is presenting quite a neat and tidy appearance since Miss Steiner commenced her duties there as clerk. Everything has been polished up and especially arranged for Fair week. Miss Steiner will be remembered as the daughter of Mr. Joseph Steiner who a few years ago erected the brick office for the Superintendent

Mr. Haffa, dayschool teacher at Cherry Creek whose foot got painfully injured when his motorcycle collided with a car, is improving and expects to get around without splints after today, his wife and child are here with him. He is now temporarily assisting in the Supt's office and hopes to get the appointment to fill the position recently vacated by John Backus.

For Sale--Pure bred single comb brown Leghorn hens. To make room for our pullets we will sell the yearling hens at \$9 per dozen or \$5 for six. I do not know where you could find a better laying hen than ours of this famous egg-producing breed. We have no hens but yearlings. Orders for the Agency or Forest City will be delivered to H.D. Mesick in Gettysburg. E. M. Lyman, Eales, S. D.

Mr. J. F. Sullivan, of Hamburg Iowa, in company with William Schoof was in town over night. Fairbank of Agar and his sister Miss Fairbank, the ladies accompanying Geo who was here to take charge of 47 head of horses which were brought over from the Agency on the ferryboat that were bought on the reservation by Ed Sutton

Geo Fairbank took a trip down to the Traversie boys ranch Monday with a view to buying ten head of horses belonging to Parker Gage, accompanied by Bob Craven and E. P. Thorne. Coming back for dinner, the two first named immediately hiked out for Mr. Parker's place, near Timber Lake to see some more horses belonging to Mr. Gage. The Hoyen Advance of last week in a strong article urges all voters to vote "YES" on the amendment and referendum at the coming general election. As the Advance says, "These are all live questions of the hour, and voters should inform themselves, and not do as many did two years ago, vote No on all, in order to not vote on something they did not understand. It would be wiser this year to vote YES on everything."

If you are not satisfied about any measure, why not give it the "benefit of the doubt," as the courts always rule.

There is more catarrh in this section of the country than all other diseases put together, and for years was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment.

Hall's Catarrh Cure, manufactured by J. F. Cheney & Co., Toledo, O., is a constitutional remedy, is taken internally and acts through the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.
