Cured At 70 of Heart Disease Contracted During Civil War—Veteran Grateful.

Dr. Miles' Heart Cure Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil War I contracted heart disease, and in 1865, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nerve and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

Notice to Physicians and Surgeons.

Office of Medical Examiners / Seventh Judicial District / Orlando, Fla., March 6, 1903.

In accordance with an act entitled "An Act to Regulate the Practice of Medicine" etc., approved May 31, 1890, you are hereby notified that the Board of Medical Examiners in and for the seventh Judicial District of the State of Florida will meet at my office in Orlando, Orange county, Florida, on Tuesday, April 14, 1903, it being the second Tuesday in the month. R. E. HARRIS, Sec.

A Printer Greatly Surprised.

"I never was so much surprised in my life as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, postman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so I bought a bottle of it. Before using two-thirds of it my rheumatism had taken its flight, and I have not had a rheumatic pain since. Sold by all druggists.

All great reforms are of slow progress because mankind is usually prone to accept established principles as the best possible solution of the problems of life.
