The Ocean House is the coolest place on the beach.

The Gainesville Sun says the Weekly Star at that place has twinkled out. What's the matter with Gainesville that it can't support two newspapers? The town is growing very fast, has a fine line of business houses, but for some reason the second paper there finds it impossible to live. The business men of that city evidently do not appreciate the value of newspaper publicity.

It is hoped that he may be able to save something from the wreck and start up again.

Beach Street Improving.

The large number of brick business buildings in the course of erection and to be built on South Beach street is going to add materially to the looks of that part of the street. Heretofore the inclination was to build frame buildings, but the wise action of the Council in adopting fire measures has stopped this and now everything is being built of brick or stone. By the commencement of another winter Beach street will be the handsomest business thoroughfare in Florida, as Ridgewood avenue is now the handsomest residence street.

A COMRADE OF GENERAL GRANT

Says: "I Do Not Believe Pe-ru-na Has a Superior."

COL. BENJ. F. HAWKES.

Col. Benj. F. Hawkes, of 611 G street, S. W., Washington, D. C., is one of the three living comrades of General Grant in his cadet days at West Point. In a recent letter this venerable gentleman says of Peruna:

"I have tried Peruna after having tried in vain other remedies for catarrh, and I can say without reservation that I never felt a symptom of relief until I had given Peruna the simple trial that its advocates advise. I do not believe it has a superior either as a remedy for catarrh or as a tonic for the depressed and exhausted condition which is one of the effects of the disease."—Benj. F. Hawkes

The Greatest Family Medicine Ever Discovered.

Hon. Wm. G. Hunter, ex-member North Carolina Legislature, writes from the Census Office Building, Washington, D. C., as follows:

"The greatest family medicine ever discovered, in my opinion, which comes from experience as well as observation, is Peruna. The most common affliction to humankind is a bad cold. Peruna drives it out of doors, wards off catarrh, invigorates and gives fresh strength to mind and body. I give Peruna my unqualified endorsement."—Wm. G. Hunter.

Chronic Catarrh of the Stomach Cured by Pe-ru-na.

Jan. T. Jakeman, President Elder Mormon Church, Salt Lake City, Utah, writes:

"I should be and am a very grateful man for having been recommended the use of Peruna for catarrh. I had a chronic case of catarrh of the stomach and my system was so filled with different remedies that I had taken, that I sickened at the sight of a medicine bottle. Peruna was a last resort and it did not fail me, but cured me in about three months and I feel that it is a wonderful remedy and gladly give my experience from its use."—Jan. T. Jakeman.

Pe-ru-na Proved a Life Saver.

Mr. Louis Byrens, auctioneer, commission merchant and business broker, 426 1/2 Richmond street, London, Ont., writes:

"I had been a sufferer with what physicians diagnosed as chronic catarrh. I thereby lost the necessary speaking faculties, which almost caused me to discontinue the business of auctioneer. After spending several hundred dollars for various medicines and doctor bills without avail, your wonderful remedy, Peruna, was recommended to me. After using several bottles of this life saver, I found relief, and I am again capable of conducting my auction sales. I wish to convince others, likewise afflicted, of the merits of your great remedy."—Louis Byrens.

Thousands of Testimonials.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements of Peruna which we are constantly receiving.

Pe-ru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membranes of the body.

One bottle will convince anyone. Once used and Peruna becomes a life-long stand-by with old and young.

Mr. Charles F. Benctson, Truesdell, Mo., writes: "I have followed your instructions for the past month and am now as well as I can be at the age of eighty-four years. I thank you for your valuable instructions and advice. I first used Peruna fourteen years ago when my health was so bad that I had no hope of staying many days, and after using it I began to pick up. It has helped me ever since. I feel well, but will always have Peruna as my companion."—Charles F. Benctson.

Suffered a Number of Years From Systemic Catarrh.

Used Peruna as Last Resort, Now in Good Health.

Mrs. E. Schoncher, 220 1/2 S. Olive St. Los Angeles, Cal., president Girl's Friendly Society, also secretary South Los Angeles Travelers Club, writes:

"I was for a number of years a sufferer from systemic catarrh. I was very nervous and run down, my appetite had failed me and my sleep was not restful. I had lost much in weight and looked like a very sick person. My physician advised a change of climate and the medicine I took only gave me temporary relief.

"I tried a bottle of Peruna as a last resort and was greatly pleased to find that I felt much improved in a general way and then I bought several bottles more.

"I am now in good health and have a good appetite and sleep well. I cannot say too much for Peruna and for what it has done for me."—E. Schoncher.

Pe-ru-na Contains no Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. Its permanent in its effect.

Organize for "Dry" Campaign.

The temperance forces, at a meeting held Monday perfected an organization and will at once inaugurate an aggressive campaign in the interest of holding Volusia County in the dry column. Rev. A. Smith was elected president; Rev. E. V. Shoemaker, Secretary; Rev. Mickler, Treasurer; Revs. Troxell and Bingham, solicitors for raising funds.

Meeting will be held at the First M. E. church each Monday afternoon and all friends of temperance are urged to attend.

A mass meeting will be held at the same church tomorrow (Sunday) evening to which all are invited. The temperance people are very much in earnest, and if Volusia County don't give a big majority for no saloons, it will not be their fault.
