THE FIRST  
ANNUAL  
PICNIC.

Minnesota Day, Feb. 24th, Celebrated at Twilido Cottage on The Ocean Beach.

## LARGE NUMBER IN ATTENDANCE.

The first annual celebration of Minnesota Day, in the form of a beach picnic, was held Wednesday, February 24, at Twilido Cottage, Daytona Beach. The day proved to be one of the most balmy of the season and the Minnesotans were present to the number of about eighty.

A large Minnesota banner of maroon and gold decorated the front of the cottage, while on the beach were the words "Minnesota Welcome" formed of pine cones showing in bold relief against a background of silvery-white beach sand.

At noon a bountiful and elaborate picnic luncheon was daintily served by the ladies in the main room and on the porch of Twilido Cottage, which prepared the way for the very interesting program which followed it, and which was followed by the singing of "Hail, Minnesota" by the entire party.

The idea of holding a Minnesota reunion was conceived and carried out by Mr. and Mrs. Asa Paine, of Minneapolis, who were ably assisted by the Decorating Committee, consisting of Judge C. M. Pond and daughters J. E. Glass and daughters, and Mr. and Mrs. Louis Koch, all of Minneapolis.

After luncheon Mr. Paine made a pleasant welcome address and introduced, as chairman of the entertainment, Judge Pond, who, in a bright and witty speech, paid some very graceful compliments to Minneapolis and her sister city, St. Paul.

The song "Carnival," and an encore by Mrs. M. B. Church, followed, with violin accompaniment by W. E. Blodgett, who played all the accompaniments for Mrs. Church, and also recited most delightfully a poem entitled, "Hello! Hello!"

J. A. Ridgway, secretary of the Minneapolis Park Board, next spoke very interestingly and instructively on the parkways of Minneapolis, which was followed by another charming solo "Blossom Land," and encore, by Mrs. Church.

Mr. Paine then gave an interesting talk on "Automobile Roads in Florida and Minnesota," and was followed by Mr. Koch, who chose for his subject "The Fine Arts of Minneapolis," and in his address paid tribute to Artist Koehler of that city.

Mrs. Church again delighted the party with a solo, "Just My Style," following which W. B. Reed, of Hastings, Minn., offered a resolution of thanks to Mr. and Mrs. Paine for their happy thought of holding the celebration and their efforts toward making it so pleasant an event, and it was unanimously voted that the 24th of February be hereafter regularly celebrated as Minnesota Day.

All joined in singing "America," thus closing the first celebration of Minnesota Day, a day always to be pleasantly remembered by those participating.

Following is a list of those present: Asa Paine, Mrs. Asa Paine, Mrs. C. B. Poor, Mrs. C. W. Backett, Eleanor Moe, Mrs. M. Wachenheimer, Edwin M. Ware, Morris L. Fischberg, Mrs. Morris L. FAST SUBJECT  
DISCUSSED  
BY LADIES.

"Automobilia" Was The Timely and Interesting Question—Session a Delightful One.

## A NOTED LECTURER IS COMING.

The Palmtoe Club Calendar for February 25th showed the afternoon would be devoted to "Automobilia."

"There is a necessary limit to our achievements, but none to our attempts," was the quotation at the head of the page.

Mrs. Horace Stewart had charge of the music, and the program opened with selections from "The Bohemian Girl," played by the Clarendon orchestra.

Mrs. Thomas White gave a good paper on "American Automobiles," from their beginning up to the present time, ending with a humorous poem on "The Automobile."

Miss Pearl Spaulding delighted the audience with her sweet singing of "Long Ago," and for an encore sang, "Shine, Little Glow Worm." Miss Spaulding was accompanied by the orchestra.

A magazine article on an auto trip entitled "The Road to Steamboat Springs," was pleasantly read by Mrs. Graham Thompson.

The orchestra gave another beautiful selection which was much enjoyed.

Mrs. T. H. White then read an article called "The Automobile," which created much mirth.

The president announced that there would be a lecture on the work of the Automobile Society, which would be free to all that wished to attend.

The General Federation has set March 10th as a special day to be devoted to civics and the Civic Department will hold a meeting at 3 o'clock that afternoon.

Nomination slips were distributed and members asked to fill them out and hand them in next meeting.

The child actors gave two pleasing selections, and the audience was delighted to hear that the children would give an entertainment in the club room early next week.

Mr. Wilkerson gave a short talk on the American Woman's League.

Cream and delicious cake were served and a social hour enjoyed.

The afternoon closed with a short business meeting.

Miss Congdon and Miss Beach were the hostesses for the afternoon.

## Auto Party Go To Orlando.

Five automobiles filled with a jolly party of winter residents and tourists drove to Orlando Sunday, witnessed the polo game in that pretty inland city and returned Tuesday.

The party comprised: Mr. and Mrs. C. M. Wilder, Mrs. Blakewell, Mr. and Mrs. E. H. Batchelder, Mrs. H. G. Hunnewell, Mr. and Mrs. Saunders, Miss Saunders, Mr. and Mrs. Lindke, Mr. and Mrs. Geo. W. Wells, Mr. and Mrs. Marcus H. Rogers, Mr. and Mrs. D. McLaughlin, Mrs. T. Longstreth, Mrs. T. B. Sellers, Miss Anthony and Mrs. Boye.

The road between Daytona and DeLand is reported to be in fairly good condition, with the exception of about one mile this side of Mt. Ararat, which is very "chuggy." The road near the St. Johns river is also bad for about a mile. The roads in Orange county are said to be excellent.

All in all the drive to Orlando is said to be very pleasant, the distance between Daytona and that city being 78.5 miles as shown by the speedometer. The distances between various cities, town and hamlets along the route starting from Daytona are as follows:

0	Daytona.
23.1	DeLand.
28.6	Orange City.
34.3	Enterprise.
41.4	Osteen.
45.7	St. Johns River Ferry.
48.2	Sanford.
58.4	Longwood.
61.0	Almonte Springs.
64.0	Maitland.
67.0	Winter Park.
73.5	Orlando.

Ward G. Foster, of the Foster & Reynolds advertising agency, was in the city a short time Saturday.

## Back From Cuba.

C. G. Wiggins, of Second avenue returned Wednesday morning from a visit to Havana, Cuba. Albert Bennett, who accompanied Mr. Wiggins, stopped over at Palm Beach on the way home but will probably get back tomorrow. Mr. Wiggins says the passage from Havana to Key West was very rough, only nine out of 156 passengers appearing at the table, of which Mr. Bennett was one. Mr. Wiggins himself was very ill. They had the use of the new observation car on its first trip from Knight's Key to Miami. Another of these cars is to be put on in order to have one each day. There is no glass in these cars and the side openings are as large as three or four of the ordinary car windows.

## Left With Regret.

George T. Hooley, of the North Western Life Insurance Co., of Milwaukee, who has been the guest of Mr. and Mrs. G. B. Seaman for the past week, left Wednesday for Dunnedin, where he owns a fine orange grove of 240 or more acres. He will spend two or three weeks at Dunnedin, then visit Cuba, possibly stopping at Daytona again on his way North. Mr. Hooley, who is an old friend of Mr. Seaman's, came here with the intention of remaining only two or three days, but was so pleased with the place that he expressed regret that his plans prevented him from spending his entire vacation here. Mr. Hooley has the distinguished honor of being a thirty-third degree Mason.

## Distinguished New Yorker.

It was Daytona's pleasure and honor to entertain Monday William Dutcher and wife, of New York City. Mr. Dutcher is president of the National Association Audubon Societies, is an official of the Prudential Life Insurance Company, and is in close touch with the President and with Secretary Wilson on matters pertaining to bird and animal reservations and bird protection.

Mr. Dutcher has been on an inspection of government reservations from New Orleans around the gulf to the Atlantic, and is now observing conditions in this locality.

George N. Chamberlin showed the friend of the birds around and they made a trip by auto to New Smyrna and went across to Ponce Park. Mr. Dutcher is very much impressed with the native attractions of Daytona, and speaks in high praise of her many charms of trees and vines and flowers; of artistic cottage homes of lovely drives, delightful beach, etc.

## Mme. Calve Will Sing.

Madame Emma Calve, prima donna and the world's most renowned singer, will be with us about March 10 to 15th. C. F. Burgman, of the Wilmas opera house, received the following letter from Madame Calve:

Habana, Cuba, 17 de Feb. de 1909.

Dear Mr. Burgman: I hear with regret of the destruction of the Clarendon Hotel at Seabreeze. If you still think it advisable for me, under these circumstances, to give a concert in your opera house please inform me by return mail and I will arrange for a definite date between March 10th and 15th to be with you with my company.

Yours truly, EMMA CALVE.

Hotel Sevilla, Havana, Cuba.

Mr. Burgman is making all preparations for the advent of Madame Calve and so informed the prima donna. Already many seats have been reserved for the occasion by the residents of Daytona and Seabreeze, and it looks as if the capacity of Wilmas opera house will be taxed to its utmost.

## PORT ORANGE

Mrs. H. H. Knappe was hostess of the card party Tuesday evening of last week.

Mrs. Garmsy and two children and her sister, Miss Van Pelt, arrived from Chicago Saturday and are guests of the Port Orange House.

Mrs. Babcock was hostess of the church tea last Thursday, assisted by Mrs. Wiess and Miss Elliott.

We had quite a sudden death in our village Thursday morning. Mr. Reifsnider, who has been ill for some time, passed away and was laid to rest in our cemetery Friday. He leaves a wife and son to mourn his departure, as well as numerous friends.

Mr. and Mrs. Tyon are having a concrete block wall built along the front of their lot on Dunlawton ave.

The Actors Club League of New York City gave a most interesting as well as amusing entertainment Saturday evening in Ridgewood Hall.

## Hospital and Sanitarium Notes.

Mrs. Louise Webber has sufficiently recovered as to leave the Daytona Hospital and Sanitarium after seven weeks' illness. She left yesterday for New Smyrna to visit her sister, Mrs. Drummond.

Mrs. G. L. Johnson has returned to her home at Daytona Beach after a two weeks' stay.

Anita Hart, the colored woman who was thought to be fatally shot about three weeks ago, is well on the way to recovery and will soon be discharged.

A new patient at the Sanitarium is Mrs. Jarek, of Kingston.

Miss Kathleen Ingraham and a friend from St. Augustine, are guests of Mrs. L. O. Rawson of South Beach street, having arrived Wednesday.

## OCEAN SIDE IS NOW ANIMATED.

The World's Records That Have Been Made On The Daytona Beach.

Usually during the winter season if any cottages are left unoccupied it is the beach cottages. Only the robust care for a plunge into the surf at this season; surf fishing is not nearly so good as it is in the summer and fall, and therefore the attraction is not so great in the winter as it is in the summer. The fact that it is less than a month now till the greatest automobile races in the history of racing will take place on this celebrated beach has inspired numbers of people to "get in on the ground floor," and this perhaps accounts for the activity over there.

Orders for cottages, not only on the beach but in Daytona, and for hotel accommodations, are coming in, and if it were not for the fact that numbers of business men will be forced to forego the pleasures of the races because of the insistence of business calls back at home the approaching race period would witness a congestion never before known in this section.

Hundreds are timing their stay for the races and hundreds who are now sojourning elsewhere will be showing up from this on and the ocean side will now become as gay as the gayest.

It is of interest to recall the several world-records for speed made on the Daytona beach. It runs the full gamut, which is evidence indisputable that no other straightaway course in all the world, whether ocean beach or artificially made speedway, is anywhere near its class.

1 kilometer: 18 2-5 sec., Marriott, Stanley.

1 mile: 28 1-5 sec., Marriott, Stanley.

2 miles: 58 4-5 sec., Demogot, Darraq.

5 miles: 2 min 34 sec., Henry Darraq.

10 miles: 6 min. 15 sec., McDonald, Napier.

100 miles: 72 min. 56 1-5 sec., Bernini, Renault.

It is confidently believed that some of these world records will be lowered at the approaching races, and monster machines of high power are to compete for the honor of shaving these wonderful records.

While at the front door of Allen's Minstrel Show tent Monday evening the contents of the coat pocket of James M. Osborn caught fire from a lantern he was carrying. Had not an attaché of the show smelled the smoke and searched for the fire, Mr. Osborn probably would have been painfully burned, for the fire was spreading with great rapidity.

## HOLLY HILL

HOLLY HILL, Feb. 24.—Sunday Mrs. F. A. Mann returned to Seabrook after spending a few days with her daughter Mrs. Merkel.

Mrs. Heath entertained a few friends on Tuesday evening.

A. B. Wilkinson came up from Hawks Park today and will return home tomorrow, accompanied by Mrs. Wilkinson, who has been for about a week with her sister, Mrs. C. F. Wetherell.

## BALD HEADS NOT WANTED

Baldness Is Too Generally Considered a Sign of Advanced Age.

A bald headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over 35 years of age as new employees.

Almost 65% of bald headed people may regain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair are entirely dead, their follicles closed, and the scalp has become glazed and shiny. We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will, and gives satisfaction in every respect, we shall make no charge for the remedy used during the trial.

We know exactly what we are talking about, and with this offer back of our statements no one should scoff, doubt our word or hesitate to put our remedy to an actual test.

We want everyone who is suffering from any scalp or hair trouble, dandruff, falling hair or baldness to try our Rexall "93" Hair Tonic. We want them to use it regularly—say until three bottles have been used—and it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the remedy for the mere asking. There is no formality expected, and we exact no obligation from the user whatever.

We are established right here and make this offer with a full understanding that our business success entirely depends upon the sort of treatment we accord our customers, and we would not dare make the above offer unless we were positively certain that we could substantiate it in every particular. Two sizes, 50 cents and \$1.00.
