Fertilizer For Sale.

Mr. James Smart is the man to buy your Fertilizer from. Any one wanting fertilizer cannot better themselves any where for he is the man who will treat you just right.

Caleb Powers Convicted the third time.

We understand, that on August 29th. at George Town Ky., the Jury for the third time found the Ex-Secretary of State guilty of conspiracy in the murder of Governor William Goebel in Jan. 1900, and imposed the death sentence. Judge Robbins overuled a motion for a new trial. Powers proved himself an able lawyer in pleading for his own life. But oh! how cruel it is to take the life of fellow man in the spirit of Anarchy. God help to wipe it out.

WANTS FLEET RECALLED.

Turkish envoy to the U. S., wants the American fleet recalled. He hurriedly left his summer home on August 29th. for Washington City. We understood to see Sec. Hay, and if possible make some satisfactory arrangements to have the fleet withdrawn. While he is convinced that the U. S. only desires to protect Americans. Yet he thinks that it will spur on the Insurgents to greater Atrosities. And make them more determined.

Fast Walking.

Old Brother Volner, our Mail Carrier reported to us, that Lulu and his son-in-law Henry McCall left Gravel Point Post Office on last Tuesday morning at 30 minutes past 8 o'clock, arriving in Mountain Grove at 20 m. past 10 o'clock. Leaving Mountain Grove the same day at 20 m past 12 o'clock, arriving again at Gravel Point P. O. at 20 m. past 3 o'clock a distance of 8 to 12 miles. Now if there is a race horse in the country to beat this, trot them out, yet old Bro. Volner and his son-in-law did not have to walk their best to make this time.

AFFIDAVITS.

STATE of MISSOURI,
County of Texas

Be it remembered that on this 28th. day of August, 1903, personally appeared before me, Mr. F. M. Huggins, a Justice of the Peace, within and for the County and State before said Lulu Garrett, Lucinda Merritt, Nellie Swerngin, Lucy Simons, Mattie Bowers and Belle Brinegar, who are members of the JAH-Ville Colony, at Fowler Missouri and the same being by me duly sworn, declare in relation to the afore said Colony as follows:

That they have been members of said Colony for a long time past, and are well acquainted with L. S. Garrett, the foreman of the same. That they are creditably informed that the report is commonly circulated that said Colony is a band of Free-Lovers who have associated themselves together for the purpose of living a Polygamous and adulterious life. Therefore, we the undersigned afficents, and women who belong to the said JAH-Ville Colony upon our oaths state that the said report is a base falsehood, and has no coloring of truth whatever.

That we are well acquainted with the said L. S. Garrett, and that he nor any other member of said Colony never made an indecent proposition to any female member of said Colony to our knowledge, but that the virtue and chastity of the said L. S. Garrett and of all other members of said Colony is and has at all times since we have been acquainted with each other, been perfect, and their conduct honorable and upright.

We further declare that virtue and morality among both males and females are leading tenets of the principles of said Colony and that a polygamous life could not and would not be allowed by the members of said Colony.

Lulu Garrett,
Lucinda Merritt,
Nellie Swerngin,
Lucy Simons,
Mattie Bowers,
Belle Brinegar.

Sworn to and subscribed before me this 28th. day of August, 1903.

A superstitious Ozark Count, young man tried to kiss a bride on Monday before the groom could for luck, and is now nursing broken nose and two black eyes he got the luck all right but not the kind he wanted.

Oh, say Carrie Nation, wake up and give us the news from Sargent, and let "Guess Who" know if you got home all right Saturday from the picnic. I'll bet the roses didn't seem so long Saturday night as it was Friday night, ha ha.

Well as "Guess Who" is feeling pretty tough she'll not write me this week and will close hoping for more news next week. Bye all.
