TAKE NOTICE

Any party or parties wishing to ask any questions through this paper upon any subject religiously or otherwise shall be treated as a friend. But in no case will the Editor allow any slang or slang phrases go through its columns.

WE HAD THE GRAND and noble privilege of meeting Mr. and Mrs. R. P. Weeks from Seattle Wash. and blessed with the privilege of talking to them for a few moments and last Sunday they in company with Bro John and wife visited our church and heard us preach at the hour of 11 o'clock. Bro. Johns being the father of sister Weeks. We in a few moments learned both Bro. and sister Weeks. We concluded in a few moments how much better off the world would be to be filled chuck full of people like Bro. and sister weeks. We could hardly bear to see them start-away from us. Pray God bless them wherever their lot may be cast.

They told us of an Ed. out in Seattle that thought of coming to Brushyknob to see the Ed. of the WORLD'S CRESSET. If he is anything like brother and sister Weeks we say may God speed the time when he may come.

We Understand that it is going the rounds that we published in the CRESSET that Mr. Ike Smith's Family was starving; the following is what we said,

—Mr Isaac Smiths son was over to the colony on last Tuesday and reported that his father left on the 7th. and has not been heard of since. Odd fellows those children are needing care, and also help to find their father if possible. He belongs to the I. O. O. F. at this place. Any one knowing his whereabouts please let us know.

And the reason we said it. is from the following letter we received from Mrs Smith.

Brother Garrett I will writes few lines. Isaac went off to work he went 7th. of October I cant bear from him he was very poorly the last letter I am a fraid he is down sick some place, I am out of bread and money and no way to get a bite. will you loan me some flour until I can get some way to get some I will pay it back, as for as my self I can do without I dont want the children to go hungry, I am in so much trouble, I hope you can read this when I get flour or money I pay you. Victoria Smith.

We did not think that it was any disgrace on sister Smith or her family to receive the above letter for Mrs Smith is a Rebekah and Bro. Smith an Odd-fellow, and it is the duty of every Odd-fellow and Rebekah to help their Brothers, and sisters in time of need. we tried to help the sister to Flour, and thought it our duty to do so, and it is the duty of every Odd fellow to do, so sister Smith done the right thing, (and we sent to Vera Cruz to get her a sack of flour as we thought we had the right to do, on the strength of the sawing our mill was doing. But we were refused and sister Smith was informed that we owed Mr Roper all ready to much, which under the circumstance we considered we owed nothing as the other fellow became pay master and we knew that they owed us but it was not done to throw any stain on sister Smith or family. yet we told and said public to our Odd-fellow brothers they needed help and we believed it. and I would want my family if I were gone to resort to the same thing sister Smith did. Hope this may take the stain off of the sister, that we may have been the cause of placing there.

Ed,

THERE IS BUT ONE WAY TO RELIEVE THE POOR.

And that way is for all poor laboring men and woman to go into Bible Socialism and Home Industry. sholder to sholder, and make a perfect union. In standing by each other, on the principles given, in the heading of our article and in this manner let the parasites die for the want of the poor laboring man. Bible Socialism will give us the unity equality belonging to a universal brotherhood. Home Industry will give all bread and meat, and stop the bleeding of blood by the cruelty of war. Give us Bible Socialism and Home Industry.

PRAY FOR PEACE IS GOOD, AND WORK FOR PEACE IS IT'S BIG BROTHER.

If we get what we pray for, we will have to work up to the commands of God, and do what he has told us to do first; Then and not then will be answer our prayer. If we get down and pray, until our knees get sore it would do no good, unless we first bring our body a living sacrifice Holy acceptable to God which is our reasonable service, and then first bring our every thought in to subjection unto the obedience of Christ, and then Cleanse our selves from all filth of the flesh and Spirit. Unless this is done with us first, we can cry out peace, peace when there is no peace as the Word says.

"For they have healed the hurts of the daughter of my people slightly saying, Peace, peace; when there is no peace" Jer. 8-11

Also.
"Because even because they have seduced my people saying Peace and there was no peace; and one built up a wall and lo. others daubed it with untempered mortar." Ezek. 13-10.

Praying for peace with untempered mortar is praying with Leaven in the Church or our hearts.
