The egg is about the only fruit that isn't improved by ripening. With the school advocating soil culture, how is the poor, overworked mother ever to keep her children clean. The man who has a reputation of keeping his promises of times finds that fact of more value than collateral.

If you let an agent know you are in the market for an automobile, you are not going to remain in the market very long.

Kansas City Stock Yards, Aug. 4, 1913. Bulk of the cattle in the native division were involved in a 20 to 35 cent decline last week, prime grades weak to 15 lower, common cattle half a dollar lower in some instances. Stock cattle and feeders declined 25 to 50 cents during the week. Quarantine cattle acted independently, smaller supplies from below the tick line selling at an advance of 25 to 40 cents over the previous week. Unexpected heavy receipts of cattle today are selling slowly at unevenly lower prices.

IN BED 27 YEARS. Missouri Man Visited by Death he had Long Prayed For.

Wellington, Mo., August 7.—Phos. F. Lockhart, after spending 27 years in bed, practically in one position, has come to the death he for years prayed for. Lockhart's joints were ossified so that the only movements of the body he could make were a shuffling of the right shoulder and finger movement. Lockhart had written an autographical book which brought him funds sufficient to purchase the home here in which he died and to pay for a nurse to care for him constantly.

Lockhart took to his bed Christmas night, 1886 following a long ride through a cold rain. He never left it. One after another of his joints became useless until his whole body was as stiff as a board. At last death came when the frightful malady attacked his vitals. He was 48 years old.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in its progress, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical community. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
