#### Navajo Dictionary.

The Franciscan fathers at St. Michaels, Arizona, near Gallup, propose issuing, in the near future, a dictionary of the Navajo language, upon which they have been engaged for the past ten years. The book, besides containing a vocabulary as complete as it is possible to be obtained, will also have a series of articles on Navajo religion, ceremonies, arts and industries, each to be followed by a list of Navajo terms employed, with more or less detailed explanation. The descriptive text will comprise articles on industries, weaving, dyeing, silver working, and basket making, also lists of Navajo names of persons and places and names of plants and animals. This book, when issued from the press, will likely be much in demand by students of Indian lore, as it will be a great step toward unravelling the early history of the Navajos. It is hard to realize the immense amount of work expended on a work of this kind. The language of the Navajos is a very difficult one to acquire, ow-

ing to there being no distinct pronunciation of the words, a guttural sound predominating. — Lordsburg Liberal.

#### It's A Crime

to neglect your health. The worst neglect that you can be guilty of is to allow constipation, biliousness or any liver or bowel trouble to continue. It is poisoning your entire system and may lead to serious chronic disease. Take Ballard's Peppermint Cure and get absolutely well. The sure cure for any and all troubles of the stomach, liver and bowels. Sold by Eddy Drug Co.

#### Wedded in El Paso.

At about 9 o'clock last night there was a loud knock at the door at the home of Justice Randolph Terry and when he opened it, he found a young couple who wanted to get married. Park Pitman had to be aroused to get the necessary license and then the ceremony was performed.

The young couple announced that they had run away from home. They gave the names of Frank B. Smith and Nellie M. Chitwood and said they lived in Roswell. — El Paso Herald.

The above runaways were from Carlsbad and none other than Frank or "Pete" Smith and a lady of the south side of town who formerly conducted the Green house and was known here a "Margurite". The wedding occurred in El Paso last week Wednesday evening.

#### The Correct Time

to stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for some time the treatment will be longer, but the cure is sure. Sold by Eddy Drug Co.

See A. J. Crawford for two phaetons, two large wagons, two heavy work horses set of heavy harness, ensilage cutter and fanning mill.

#### "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought can be directly traced to the impurity of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It cleanses and purifies the blood thereby curing pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.
