5,000 Helpless Orphans in South Are Asking the Privileges of a Home

Baptists Are Providing For That Many at Present in Fifteen Institutions But as Many More are Waiting For Admission--The 75 Million Campaign Plans to Meet That Need.

A Group of Boys and Girls in the Tennessee Baptist Orphan Home near Nashville who are being cared for and trained for useful lives.

Does your heart go out to the worthy boy and girl bereft by the Grim Reaper of father and mother, and left alone in the world without the fostering care of those to whom they are naturally most dear in the world?

Then you will understand why Southern Baptists have established orphanages in fifteen states, are caring for 5,000 such children in those homes and training them for useful lives in the world.

But the need is far greater than the ability of these institutions to meet it. While five thousand children are being cared for in these orphanages, there are on the waiting list of these institutions fully five thousand more equally worthy, fatherless and motherless boys and girls who want the privileges which these orphanages afford but which must be denied them for the present because there is no room with which to shelter more of them.

So when the Baptist 75 Million Campaign was launched for the enlargement of the work of the denomination along general lines in an effort to meet growing spiritual needs in the homeland and throughout the world, the sum of \$4,700,000 was apportioned to the orphanages, this sum to cover a program of five years, as the \$75,000,000 sought in the campaign will be raised in cash and five-year pledges during Victory Week, November 30-December 7.

In the homes that have been provided for the orphans facilities are provided for giving regular schooling of the same character that is afforded in the public schools, beginning with the kindergarten and continuing to the tenth and eleventh grades in the

high school. This work in the school room is supplemented however, with practical training along industrial and other lines. For instance, the boys are given courses in practical farm work on farms which have been purchased and are operated by the homes, livestock production, carpentering, tin work, plumbing, mending, and the like, as well as courses in business for those who show special adaptation for that line of work.

The school room work for the girls is supplemented with the study of music, domestic science, stenography and the like. Large attention is given to the religious life of the children, also, and this is given emphasis in the daily chapel services, and in the Sunday School and preaching services on the Sabbath.

The orphan children respond readily to the opportunities and privileges afforded them and there have gone out from these institutions a number of the most useful men and women in the various states. While taking pride in the accomplishments of the boys and girls who are in the homes at present, as well as those who have gone out from there to make their own way in the world, the superintendent and teachers are saddened by the fact that there are so many other helpless children who ought to be aided but can not be by reason of the limitations of the homes.

Enlargements are necessary for all of the fifteen orphanages fostered by Southern Baptists which are located in the following states: Alabama, Arkansas, Florida, Georgia, Illinois, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Virginia.

SOUTH METHODIST PASTORS ASSIGNED FOR COMING YEAR.

Turamcar, N. M., Oct. 5.—After five days of unbroken sunshine both in the weather and the spirit of the conference, the thirtieth annual session of the New Mexico conference of the Methodist Episcopal church, south, came to a close with the reading of the appointments of the preachers on Sunday night by Bishop W. F. McMurry at the Methodist church of Turamcar.

While there has been a decrease in the membership of the church and ministry of the conference, and no new ministers applied for admission, the entire session has been marked by enthusiasms and religious fervor. Bishop McMurry has made an ideal presiding officer and has endeared himself to the members of the conference. Able addresses were delivered by prominent visiting ministers, and the keynote of them all has been the spirit of evangelism and the great evangelistic plan which has been proposed for a year of revival effort which shall reach every Methodist congregation in the United States.

The Women's Missionary society held profitable and enthusiastic meetings every day and its members were greatly inspired by the able discussions of Bible topics by Miss Cunningham of the Lydia Patterson institute of El Paso.

Following an impressive talk the appointments of ministers to the several charges for the ensuing year were announced as follows: El Paso District, Santa Rita, J. T. Redmon. Roswell District—J. B. Cochran, presiding elder; Artesia, R. F. B. Freeman; J. H. S. Webb; Carlsbad, George H. Givan; Clovis, R. B. Freeman; Clovis circuit, W. A. Becher; Dexter circuit, W. B. Gillam; Elida circuit, J. L. Kelly; Hagerman, H. W. Carter; Hope, W. L. Jenkins; Loving circuit, to be supplied; Lovington circuit, to be supplied; Odessa and Barstow, J. S. Rice; Pecos, Fred B. Faust; Portales, J. M. Stucky; Rosera circuit, to be supplied; Roswell, S. E. Allison; Sacramento circuit, to be supplied; Tatum circuit, A. J. Brown; Texico and Farwell, L. L. Thurston.

Transferred to other conferences—J. B. Bell and J. E. Fuller, elders, to Texas conference; D. Maguire, elder, to Mexico conference; E. D. Lewis, elder, to southwest Missouri conference; Sam R. Hay, elder, to northwest Texas conference; Jerris Jenner, elder to Pacific conference; W. W. Turner, elder, east Oklahoma conference.

THE GERMAN ATTITUDE.

In these days of turmoil Germany and her attitude has ceased to occupy the front page of the newspapers. The world has other troubles to think of. For the moment Bocheiland is down and out. Yet those people are very deep, and they require most watching when they are quietest.

It is said that a large section of the German workmen has signified a desire to work 10 hours a day. Now if Germany works 10 hours, and the other countries work only eight, and limit their production at that, the more industrious nation is the one that is likely to go ahead. It is quite possible that in the long run a nation can do more work in eight hours than 10. But it must look out carefully that it adopts all possible efficiency methods to keep up production.

Mathias Erzberger, one of the most slippery and wily of the German politicians, recently said, "Germany will do her utmost to fulfill the conditions of the peace treaty, and by hard work will try to regain the confidence and good will of her former enemies."

If Erzberger and other leaders keep up that talk and try to act on that principle, they will find that the world is long suffering and disposed to forgive.

The hypocrisy and treachery of the Germans has been such that the world is very suspicious and is waiting to be shown. Germany will have every chance to make good. If they show themselves capable of acting like white folks and human beings, they will conciliate former enemies. But to be really trusted, they must show that they are capable of understanding plain facts that are obvious to everyone else. If after the revela-

tions now coming out of the Austrian politicians, they can't see that Germany was responsible for starting the war, they are too glib to win real confidence.

LAKEWOOD LOCALS.

The biggest dance of the season was given at Lakewood Inn last Saturday night. Disciples of Terpsichore from all of the surrounding country, from other Valley towns attended. Carlsbad was well represented.

The passenger train from the north, which has been from one to four hours late for several weeks past, fooled everybody Monday by coming in on time, and the Lakewoodites who had a pressing invitation to visit Judge Bratton that day, came very near getting left, while Judge Darran, who had become so accustomed to its being late, didn't know until next day that it ever came at all.

Notwithstanding the flood and other drawbacks, there are hundreds of tons of tomatoes in the fields around Lakewood, and the canners is running full time. If the weather remains fair, so that the farmers can gather and deliver the crop, the canners will run steadily from now until frost.

Mr. Polk, a nephew of M. J. H. Lindsay, who has been visiting here, left Sunday for his home at Mason, Texas.

Uncle Lyle McDonald, of Amarillo, Texas, came in Sunday for a two weeks visit with his parents. Mr. Lindsay is in the employ of the Rock Island railroad.

Vernie and Roy Detremont left Sunday for Gorman, Texas, where we hope, they will make a fortune in the oil fields of Texas, and come back to Lakewood to spend it.

Dayton and Lakewood school ball teams played a game on the local diamond Friday afternoon, which resulted in a victory for the visitors in a score of 14 to 10.

W. I. Johnson and Rudolph Cox were business visitors to Carlsbad Wednesday.

Mrs. Mabel Kepple, primary teacher in our school, visited at Carlsbad Friday, and at Artesia Saturday and Sunday.

T. G. Low Jitnel to Carlsbad Saturday and again Sunday.

C. W. Davidson, State Highway Engineer, and a Mr. Miller, of Roswell, were here Thursday, looking over the roads.

Bob Campbell, acting for Max Marshall, shipped six cars of sheep from here to San Angelo, Texas Saturday.

W. G. Cass and son are shipping a car of horses to some point in Louisiana.

In excavating for his dipping vat W. H. Shattuck, of Effendale ranch found in a bed of sand and gravel an elephant's monstrous tooth or tusk, which measured six feet long and four inches thick. It is sure pure ivory. It was bedded in the gravel so that it was quite a job to take it out without breaking, but when it was exposed to the air, it broke into several pieces but it is some tooth.

E. E. Akers and J. H. Heartfield passed through the Gap a few days ago on their way to their home near Orange, N. M. They have been in the Texas oil fields, near Ranger, for several months. Their object in coming home just now was to investigate about the oil boom in Crow Flat.

Died at El Paso Gap, last Wednesday, Daniel, infant son of Mr. and Mrs. Trav Humphreys, northwest of the Gap. The little boy was bitten twice by a rattlesnake on Tuesday evening, Sept. 30, as Mr. Humphreys was about fifty miles away from home, on a cow round-up. Just as soon as he got home on Wednesday morning, Oct. 1st, they started with the little one to a doctor at Carlsbad, but he died at 1 p. m., at the Gap. This is the first death at El Paso Gap.

Victor Laude came out on the mail car last Thursday. He came out to assist in the work on the Guadalupe Sheep company ranch, just north of the Gap. Mr. Laude is financially interested in the company and wants to set the ranch in good shape for the winter.

W. W. Simpson left his ranch last Friday for the City Beautiful. He will be absent from the ranch for several days.

H. N. Owen came in Monday from Carlsbad, with a load of freight for the Canyon.

President Wilson Improves. Washington, Oct. 8.—Slow but continued progress over a period of five days has brought such an improvement in President Wilson that his physicians announced today that he was stronger than at any time since he was taken ill two weeks ago tonight.

Encouraged by the patient's progress Rear Admiral Grayson, the president's personal physician, let him sit up in bed part of the day.
