#### Big Time at the Leon Mudgett Home

Mr. and Mrs. Leon Mudgett, at the six-mile power dam, held open house, many guests coming and going at an early hour Christmas morning. The children of the family enjoyed a beautiful Christmas tree, and Santa, after a frolic with them, passed the treats and a good time was kept up all day. The national bird was roasted to a turn and the relatives of Mr. and Mrs. Mudgett were all there to enjoy the splendid dinner. The guests were Father and Mother Smith and Mudgett, Elbert Smith and family.

It is with great regret that I am compelled to go from your midst to other parts of my field, but as duty calls, I must respond, however, I have the good of the order and its members at heart. It is impossible for me to see you one by one and bid you good-bye, but with the kindness of The Current, I will bid you farewell, hoping God will watch over us and keep us from all harm. I now bid you good-bye one and all.

The Broadway Limited, the twenty hour train between Chicago and New York on the Pennsylvania, was taken off November 30th. The Twentieth Century on the New York Central is now the only fast train between New York and Chicago. Owing to the extremely heavy freight business east of Chicago, passenger service has been greatly curtailed. Observation cars have been abandoned and space is being sold in the smoking compartments of the Pullman to utilize the capacity of the cars to the utmost.

### EDDY COUNTY COMMISSIONERS MEET.

At the meeting of the county commissioners Wednesday, the 26th, they passed a resolution setting aside \$3500.00 to offset a like amount from the State, and \$7000.00 from the Federal Government to do the work on this end of the road through the sands, and the EYP formation and the Fousa sand.

Commissioner L. A. Swigart has Santa Fe, where Mr. French, the State engineer, promised to get the State and Federal Governments to aid in this, provided Lea county put up her part of the pro rata, and Carlsbad has promised to pay a certain part of Lea's portion of the money to put the road through. This will be a great thing to bring the State highway through Carlsbad.
