## FLU SITUATION FOR PAST THREE DAYS.

Figures given out by the Secretary of the State Board of Health, E. Las Legas, on the influenza situation for the past three days are as follows:

Oct. 27, 781 new cases, 52 deaths  
Oct. 28, 427 new cases, 84 deaths  
Oct. 29, 875 new cases, 94 deaths  
Total cases 12,976 cases and 797 deaths.

The increased number in the last day's report is due to the figures from counties that have not previously reported.

With the quarantine lifted in Gallup and some of the towns where influenza first became epidemic, it becomes evident that the situation is clearing in the larger centers. It is spreading, undoubtedly, in the more isolated communities.

In Eddy county there has been 2475 cases reported up-to-date to County Health Physician Pate and included 198 cases of pneumonia. Deaths in this county number 91, and a large number of these were among the native population.

J. T. Lovejoy, of the 9K ranch is here looking after the shipment of cattle from that ranch which are being loaded today.
