"Seed That Succeed"

"Seed That Succeed"

The Seeds that you should plant to get a good profitable crop.

SELECTED SEED CORN

Australian White Flint

90 days, and the earliest and best variety in our section. Stands more drouth and cold than any other, grows from 4 to 8 feet with ears from 8 to 12 inches long.

Genuine Blue Squaw, small cob, long ears.

Sure Shot

is a red corn been raised here for years, makes a good yield, rain or shine, hence the name, "Sure Shot."

Worm-Proof White Corn

large ears, white cob, well filled and uniform ears, shucks fits tightly on ear making it wormproof.

Early Banner, a good drouth resisting corn.

New Mexico Pride

has been raised here for years, white.

MILO MAIZE

This is a crop of which we are proud. A sure crop when others fail and this year we can supply you good, well-matured seed, tested and re-cleaned. The varieties are Red Standard, Genuine Double Dwarf Yellow, Genuine Dwarf Standard Yellow, Cream Standard and Double Dwarf White

FETERITA

is the best drouth resister on the market. Remember our seed is not merely selected, it is bred pure as seed should be.

BROOM CORN

This has been a good year for the grower of broom corn but we expect to make the next year a much better one for you. We are introducing "Pure Evergreen Dwarf Broom Corn" and are securing our seed direct from the breeder of this variety, Mr. C. C. Miller. Come in and see the kind of brush it produces.

Remember

Buy your seeds at home where you can see what you get from people that buy your grain etc. We will sell you seeds cheaper than any Seed House in the United States and save you the freight.

Our New Illustrated Catalog for 1916 is in the printer's hands and will be ready for distribution in the near future. Do not buy your seed until you have received it and examined it carefully. We want your business and will give you the very best at the lowest possible price.

GARDEN AND FLOWER SEEDS, CRUCIFERS

We have purchased large and complete stocks direct from the growers of these items and be able to supply your wants. We are giving this department careful attention and can assure you that you will get good results.

GRASS SEED

We have a good supply of ALL grasses adapted to this section of the country including Bromus Inermis, the great drouth resisting, heat defying grass, Orchard grass, English Rye Grass, Red Top and Timothy. We have the well known Kentucky Blue Grass and White Clover, also a Special Mixture fine for lawns.

We have a good stock of all Pure-bred, Tested and Re-cleaned Seeds.

ALFALFA SEED

We have a large stock of Fancy Western Grown, Non-Irrigated Seed free from all obnoxious weed and well re-cleaned. Our stocks are grown in the now famous Cimarron Valley and are thoroughly acclimated to this section of the country. The crop is very short in most sections of the country and if you contemplate sowing ALFALFA this year we would advise you to secure your seed early.

SWEET CLOVER

The White Blossom variety is being highly praised by those who have tried it and will produce large quantities of hay on land that will not produce Alfalfa and other hay crops.

MILLET

The pure Big German Millet is raised especially for us and we have a Fancy Stock. It yields extra good seeds and the hay is fine. We also have the Russian, Golden, Hog and Japanese millets. All good seed and hay crops sow 15 to 20 lbs per acre. We have a new millet called "Early Fortune" we want tried here. It is twice as large as our common millet. Come in and look at it.

WHEAT

This is a crop that you should raise and one that the quality of seed affects very largely. We have some extra nice, selected and re-cleaned stocks of the tested varieties, Blue Stem, Macaroni, Regenerated and Defiance.

CANE SEED.

We have secured a nice lot of each of the following varieties, ALL of which are good: Black Amber, Early Rose, Orange, Red Top, Sumac, and Texas Seeded Ribbon Cane. We also have a limited quantity of White Amber which will supersede all other varieties.

If you have anything to sell come and see us.

We will always give you the TOP of the market.

Poultry Foods, Supplies and Remedies

We have devoted considerable time and not spared any expense in preparing our Diamond H brand of Hen Feed and Chick Feed. If you want lots of EGGS, feed our Diamond H Hen Feed and Laying Mash. If you want to raise all the chicks you hatch, feed them our Diamond H "CHICK" Feed.

Implements

We will have the well-known, POPULAR CASE listers, sand-sleds and cultivators of all kinds. We would advise all our farmer friends to buy their implements early, as the war orders for steel are bound to advance the price of implements. **Get Your Orders in Early.**

We are agents for the J. I. CASE Threshers, Tractors, Hay Presses etc. We can give you good terms to pay for them. Ask for CATALOGUES.
